

2016 Drought Graveling Family Prayed For: By signing my name below on the 22nd day of January, 2017, I tell the truth before God that I recall our family praying that God would send a drought and that based on what the Bible says about praying and God answering prayer, God did answer our prayer with the 2016 drought.

Signed with reservation of all rights at Zion Church of God, Wedowee Alabama after morning worship.

1. From James Graveling:

Because of the way Alabama's and America's Supreme court had turned justice away from us as described below, and were allowing thieves to take our house and land away from us using fraudulent documents, we prayed together with James leading that God would for His own glory and to confirm what we had written in our court papers about our house being involved with 911 as we had written, and because the courts knowingly refused "to do justly" despite all the evidence, we prayed that just as God had answered prayer prayed during a congregational prayer for the earlier drought of 2007 (to call us back to Him after Roy Moore was persecuted for his acknowledging God and His Ten Commandments) so perhaps it was time for the Lord our God to send another drought. We talked together and were especially sad that even Roy Moore the Ten Commandments judge was doing evil

So James led the family in praying something like this: "Lord you see what they are doing to us! They know its wrong! They don't care what You say, what Your word says, the proofs of all the fraud, no trial by jury, due process! They don't care about our rights. They don't care that we tell You answered with 911 for our idolatry, murder, and immorality! They don't care that we warned them that Your word says a fourth sin can put us over the brink and You will not withhold punishment after You already brought 911 and 2008's Great Recession! You also brought 2007's drought we prayed for as a congregation! You answered the congregation and my [James led the Graveling family prayer] prayer for a drought when Roy Moore was thrown out of office for His standing for Your Ten Commandments. Lord You know we are not lying! Help us Lord! Help us! Lord, perhaps its time You bring another drought to confirm what we are saying is true! You did answer our prayers for drought in 2007¹, yet even Roy Moore and America's Supreme Court they all ignore all the evidence and refuse to do right - so we are coming under more of Your wrath for these four sins. They won't listen! Oh Lord, bring another drought to confirm what we had been saying to the courts: 911 and 2008's Great Recession were for our three great sins and this fourth sin is putting us on the brink of disastrous greater judgments, so that they must know they as courts must repent! Vindicate us Lord! Have mercy on us!"

We realized later that God had heard and answered our prayer by giving us the 2016 drought.

James Graveling

2. From Stephen Graveling (age 21): I definitely remember how the Alabama Supreme Court denied us justice in our house case and how we prayed a number of times "Lord God maybe its time for You to send a drought" because of that denial of justice. I remember my father praying something like the above prayer. Later we realized God had answered our prayer with the 2016 drought.

Stephen Graveling

3. From Abigail Graveling (age 10): I remember praying a number of times for God to send a drought. I'm about 99% sure my Daddy prayed about our nation needing to repent in the prayer and I think I remember him praying about Roy Moore in the prayer too. God did answer our prayer with the drought.

The preaching that day was on Esther + Purim, and God clearly answered our prayer.")
