GARDENDALE, Ala. —

Firefighters are battling a house fire in Gardendale Friday night.

Authorities believe the blaze may have been sparked by lightning. Photos tweeted to James Spann shows flames and thick smoke nearly covering the entire home, which is near Castle Pines Country Club, formerly Quail Ridge Country Club.

It's unknown at this time if anyone was inside the residence when the fire started.

ALABASTER, Ala. — Firefighters battled a fire believed to have been started by lightning in Alabaster.

It started at house in the Lacey's Grove area, according to the Alabaster Fire Department. ABC 33/40 has learned the house has major damage. At one point the flames were shooting from the roof.

Alabaster Fire Department
about 8 months ago

Alabaster Fire Department is currently operating at a structure fire in the Lacey's Grove area. We ask that you avoid this area while emergency responders conduct their work. Updates will be posted as available.

EE 42 2A

We do know, no one was home at the time of the fire. A neighbor called 911.
