

WARNING & PROOF¹ to America & government: GOD THREATENS MANY

**WILL “suffer death” as His law & America’s
supreme laws require! Repent!
IGNORE AT YOUR PERIL.**

Rev. Jerry Falwell warned: **“Listen, America!”**² It refused. So I Rev. James Graveling⁴ & other saints prayed for God to make us listen and to return to Him⁵. **BEFORE 911, 2007’s drought, 2008’s Great Recession, 2016’s drought & April 29, 2016’s fires⁶, one or more saints prayed for those events** like Israel’s prophet Elijah prayed for drought so it would return to God (I Kings 18; James 5: 15-18). As one who prayed for all of them, as an ambassador for Messiah Jesus & watchman for America I cry: **LISTEN AMERICA! You are in the hands of a righteously angry God! His word says: ‘For all this His anger is not turned away, but His hand is stretched out still’.** Jesus warns: **“repent or perish”!** Yet why perish when Jesus promises to restore us to our Creator His and our original loving Father?: **“For God so loved the world that He gave His only begotten Son, that whoever believes on Him should not perish but have everlasting life.”**⁷

Dismiss this because **Darwin “disproved” the Bible? Lie! See Appendix J.** God knows his **theory** was and is disproved by the peacock. Darwin grew “sick” just by seeing it. It gnawed at him: **there is a God.** He was right! The Bible as God’s word reveals Him and I and other witnesses⁸ **attest with excitement:** God is real! His word true! Just as It says⁹ He not only blesses but also punishes. I make known: our eyes have seen Him do so for our **3 sins of idolatry¹⁰, child sacrifice by abortion murder¹¹, and immorality,** and recently for our **4th sin of fraudulent currency & “every species of fraud and injustice”** God’s prophets

& our founders warned **necessarily** would result from it. God’s and America’s supreme laws require “gold and silver Coin” for just money.

1 Generally everything claimed herein is proved by things meeting the standard of God’s and America’s supreme laws.

2 “The flag [is] displayed...down...as a signal of dire distress in...extreme danger to life or property.”- 36 U.S.C. 176(a); citations to US law do not mean the author enters US/District of Columbia jurisdiction but reserves all God given rights. **As the other picture shows, the only way for the flag to be right side up again is for us to go through Jesus’ cross!**

3 **Listen, America!** by Rev. Jerry Falwell; Bantam Books 1981. The back cover declares America’s need for “A SPIRITUAL AND MORAL REVIVAL IN AMERICA IF AMERICA IS TO SURVIVE”.

4 See **Appendix I** for an introduction to the author.

5 The redemptive purpose of such prayers is further explained below and in **Appendix C.**

6 See **Appendix A** for a list of circumstantial evidences confirming God brought judgment by 911, 2007’s drought, 2008’s Great Recession, 2016’s drought and April 29, 2016’s fires. See **Appendix H** for the **HISTORY** of the various judgments and how they relate.

7 Texts alluded to on this page: Ex. 21: 16; Deuteronomy 24: 7; Isaiah 9: 12, 17, 21; 10: 4; and John 3: 16. The title abbreviated is “**GodsAmerica**” for truly all “the earth is the LORD’s” (Psalm 24: 1) and America was dedicated to the God of the Christian Bible by our Pilgrim, Puritan and evangelical founders. The longer title: “**GodsAmericasLawRequiresGoldAndSilverCoinToGuardRightsDeathPenaltyRequiredForGovFailure12**”.

8 I bring proofs from God’s word, sworn testimonies, sheriff’s and courts’ documents. This is your **opportunity** to investigate and see that the God of the Christian Bible is the true God, learn how to be rightly related to Him and enjoy life here and everlasting life hereafter!

9 Read for instance Psalms 2, 110; Hebrews; the Bible from Genesis to Revelation teaches this.

10 See Q&A’s 94 & 95 of the Heidelberg Catechism (also available online) for a summary of what God’s word says about idolatry; see what I prayed about America’s idolatry at <http://anchoroftruth.org/the-untold-story-about-911/> in relation to the Twin Towers and Pentagon.

11 For proofs abortion is murder, see God’s word: He repeatedly calls the unborn a “**child**”: Genesis 25: 21-22; 38: 24; Psalm 51; 139; Luke 1: 35-45 et al and therefore as well requires a death penalty for killing an unborn child no less than any other image bearer of His in Exodus 21: 22-24.. For those looking for excuses in the case of rape or incest, Genesis 38: 24 shows there is **no excuse.** God’s word says that it is murder to put to death an innocent party. Why should the child die for the father’s sins?! Obamacare’s passive/active euthanasia (Hitler called it mercy killing) is also murder.

With malice to none, good will to all, I speak truth in love to be at peace with all men as much as depends on me. This is a call to REPENT and PETITION for redress of grievances.¹² Unless we STOP breaking God's and America's supreme laws, God's word warns of "severe judgments"¹³ where lives, eternities, and America are all at stake! So BE CAREFUL how you respond.

Don't ignore this, for ONE: I RAISE A "HUE AND CRY"¹⁴. **"Americans, HELP!"** This makes ALL morally & legally bound to help as much as they are able OR you become guilty for not doing so. *God blesses those who do their part, but curses those who don't. If you reject this & suffer His wrath, it's your fault. Your duty is to read & respond rightly.* God calls us all to pursue truth & justice¹⁵ in this matter (see Deut. 19: 18 and Job 29: 13-16 requiring us¹⁶ to "make diligent inquiry", to search this matter out if you are uncertain what is true. **Especially pastors, government parties or media who ignore this hue & cry to help incur guilt (Lev. 5: 1; 19: 17; Isa 59).** God requires ALL to **follow said laws** and heed this hue and cry; those who choose to disobey said laws and this hue & cry wrong God and their fellow man. **"Choose you this day whom you will serve"** (Joshua 24). **"How long will you falter between two opinions? If the LORD is God, follow Him; but if Baal...follow him".** (I Kings 18).

Don't ignore this, for TWO: THIS IS SWORN UNDER OATH (an affidavit) so you reader are required by the authorities of 1) your Creator's words (see footnote¹⁷) and 2) human authorities

12 Particularly in my unlawful foreclosure case, and, as necessary in case of further oppression relating to refunds owed. I petition government parties claiming to have authority from the father's Constitution for their authority and office to redress what I have suffered in my unlawful foreclosure house case. As well I petition my fellow Americans to turn from their sins and the grievances we have committed against God who gave us life and liberty and to find forgiveness in the stripes and death of His Son Jesus. I petition we further act according to God's and America's supreme laws and call all via this hue and cry to redress the very grave grievances shown herein that America is suffering due to the violations of said laws. My fellow Americans I urge you to work to require government parties to return to God (or if they refuse to enforce sanctions against them) and to return to said laws and to being accountable to do so.

13 Ezekiel 14: 21; Romans 11: 12; news reports described both droughts as "severe". Read Leviticus 26; Matthew 11; Luke 12: 48 et al.

14 There is not only threat, but actual harm to rights to life, liberty and property that ARE PRESENT & ONGOING; America is imperiled! **A "HUE & CRY" FOR HELP IS BOTH 1) SCRIPTURE BASED, and 2) HUMAN LAW BASED.** Scripture: cf. Exodus 32: 26: "Whoever is on the LORD's side, let him come to me" Num. 10: 9 Joshua 1: 14; 10: 4; 10: 6: 10: 6: "And the men of Gibeon sent to Joshua at the camp at Gilgal, saying, "Do not forsake your servants; come up to us quickly, save us and help us, for all the kings of the Amorites who dwell in the mountains have gathered together against us." Judges 5: 23 shows God curses those who do not "come to the help of the LORD" "against the mighty" in a time when a call to help goes forth; 1 Samuel 11: 3, 9; 2 Samuel 10: 11; 14: 4; 2 Kings 6: 26; 2 Kings 9: 32; 1 Ch 12: 17, 22; 2 Ch 19: 2 (those who "help the wicked and love those who hate the LORD" have "the wrath of the LORD... upon" them); 2 Ch 26: 13 (related: under the authority of a God fearing sheriff is that power to call a posse of all able bodied men to enforce the law; Ezra 1: 4 (help with resources); Job 30: 28b "I stand up in the assembly and cry out for help."; Job 35: 9 "Because of the multitude of oppressions they cry out; they cry out for help because of the arm of the mighty."; Eccl 4: 10; Isa 5: 7: "For the vineyard of the LORD of hosts is the house of Israel, and the men of Judah are His pleasant plant. He looked for justice, but behold, oppression; for righteousness, but behold, a cry for help." So the author looked for justice and righteousness but because he was oppressed instead, he gives "a cry for help"; Acts 21: 28 (like all things can be, the hue and cry was here misused, but nevertheless its presence here confirms it was so used: "cry out out, "Men of Israel, help!"; Phil. 4: 3). **2) AND SUCH CRIES ARE BASED IN HUMAN LAW:** From Black's Law Dictionary 2nd Ed. "A loud outcry with which felons (such as robbers, burglars, and murderers) were...pursued, and which all who heard it were bound to take up, and join in the pursuit, until the malefactor was taken. Bract fols. 1156, 124, 4 Bl. Comm. 293. A written proclamation issued on the escape of a felon from prison, requiring all officers and people to assist in retaking him. 3 How. State Tr. 386. From constitution.org on the right to bear and carry arms: "The militia and the posse were summoned....English subjects were frequently involved in everyday police work. The old common law custom persisted that when a crime occurred citizens were to raise a "hue and cry" to alert their neighbors, and were expected to pursue the criminals "from town to town, and from county to county." Villagers who preferred not to get involved were subject to fine and imprisonment. As an additional incentive to aid in crime prevention, local residents were expected to make good half the loss caused by robbers...." From <http://thelawdictionary.org/hue-and-cry/> "1. A public clamor, as of protest or demand: raised a great hue and cry about political corruption. 2. a. The pursuit of a felon announced with loud shouts to alert others who were then legally obliged to give chase. b. The loud outcry formerly used in such a pursuit." From -https://en.oxforddictionaries.com/definition/hue_and_cry: "A loud cry calling for the pursuit and capture of a criminal. In former English law, the cry had to be raised by the inhabitants of a hundred in which a robbery had been committed, if they were not to become liable for the damages suffered by the victim." From https://en.wikipedia.org/wiki/Hue_and_cry "In common law, a hue and cry is a process by which bystanders are summoned to assist in the apprehension of a criminal who has been witnessed in the act of committing a crime. ¶ By the Statute of Winchester of 1285, 13 Edw. I cc. 1 and 4, it was provided that anyone, either a constable or a private citizen, who witnessed a crime shall make hue and cry, and that the hue and cry must be kept up against the fleeing criminal from town to town and from county to county, until the felon is apprehended and delivered to the sheriff. All able-bodied men, upon hearing the shouts, were obliged to assist in the pursuit of the criminal, which makes it comparable to the posse comitatus. It was moreover provided that "the whole hundred ... shall be answerable" for any theft or robbery, in effect a form of collective punishment...." [emphasis added] "The oath of office for constables in Tennessee specifically mentions...it is the duty of the constable to sound the hue and cry." See below for proof that the common law is still in full force: cf. the analogous Code of Alabama (1975): "The common law of England...shall...be the rule of decisions, and shall continue in force". [emphasis added] Judges 9 (especially vv. 7, 16-20, 22-56-57 shows how a righteous man said "Listen to me, you men of Shechem, that God may listen to you!...if you have acted in truth and sincerity...rejoice...But if not, let fire come...and devour the men of Shechem". 3 years later God caused "the crime done" by Abimelech and "the men of Shechem, who aided [Abimelech] in doing evil to be "repaid" so "all the evil of the men of Shechem God returned on their own heads". Given America and the world are under plundering, oppression and involuntary slavery, I ask God to watch over this matter and as He sovereignly wills to a) mercifully turn hearts to repent and bear fruits of it or b) righteously repay those who have not acted in truth and sincerity but broken His and America's supreme laws. Either be on the LORD's side and help righteousness, or be God's adversary's side. Whoever rejects, disdains or slanders me and those with me rejects, disdains and slanders the LORD for I have done all this at His word. He gave His answers to prayer, not me.

15 For proof of this, read Leviticus 19, Psalm 82, Isaiah 59. God's 8th and 9th commandments require this as shown by Scriptures that are cited in the Westminster Larger Catechism's Q & A's 140-145 available online at places like http://reformed.org/documents/wlc_w_proofs/index.html.

16 God's, common law and America's supreme laws guarantee all a right to trial by jury; let Americans generally judge by said authorities to see who is right; as necessary, may God Himself judge and vindicate the right.

17 A) Leviticus 19:17-18: "You shall surely rebuke your neighbor, and not bear sin because of him....you shall love your neighbor as yourself". If you have proof I have done any wrong in all this matter herein, God gives you a moral duty requiring you to rebuke, reprove, rebut me or you incur guilt for silence/failure to. B) The Heidelberg Catechism Q & A 102 summarizes the Bible's teaching on what it means to swear an oath: "...calling on God, as the only One who knows the heart, that He will bear witness to the truth, and punish me if I swear falsely" (2 Cor. 1: 23; Rom. 9: 1)." The author does not claim to be perfect or free of unknown errors yet speaks the truth to the best of his recall, knowledge and acts in good faith to obey God. Because I **swear an oath** that

that are over you (see footnote¹⁸) to **TIMELY** rebut me (or *timely* inform me you are preparing a rebuttal and request more time to) or they require the result that your silence confirms what I've sworn. Test what I and all others declare by the standards of the laws cited. For more about that, see footnote¹⁹. Rebut me in writing by using verified law, facts and evidences and under oath what I've written if you claim it violates said laws. If you do not do so timely, said authorities require the RESULT that you EITHER: 1) incurred guilt liability for not doing so, OR 2) you indicated your agreement by silence.²⁰ Acquiescence is your answer to all herein if you do not provide said rebuttal. Acquiescence is "A person's tacit or passive acceptance; implied consent to an act." If any have questions, objections, or remarks about any matter by which to claim grounds not to respond, God's word requires you timely share them (as said) with me at the location on the last page, or, you confirm your agreement. "Let the righteous...rebuke me; it shall be as excellent oil" - Psalm 141: 5. I am ready to repent of anything I may have done wrong but "know nothing against myself" - I Corinthians 4: 4. After **30 days** of your receipt of this, accusing me in relation to what is herein **breaks God's Ninth Commandment**: "You shall not bear false witness against your neighbor". The Protestant Reformation's Heidelberg Catechism Q&A 112 in its summary of God's word says God's Ninth Commandment requires: "I never give false testimony...twist no one's words, not gossip or slander, nor join in condemning anyone rashly or without a hearing. Rather, in court and everywhere...I should avoid lying and deceit of every kind; these are the very devices the devil uses, and they would call down on me God's intense wrath. I should love the truth, speak it candidly, and openly acknowledge it...I should do what I can to guard and advance my neighbor's good name."

Don't ignore this for THREE – OUR SINS ARE VERY SERIOUS: as proved below, God's and America's supreme laws require death for some. **The seriousness of our sin & the "great wrath" we are under** is shown by: 1) God's Standard Operating Procedure for Nations in Amos (1-2; 3: 11; 4-5): "**for three transgressions of [a nation] and for four I will not withhold punishment**"; 2) the **real** judgments He's sent to warn and call us to return to Him.

Stacked Nazi victims

Stacked American victims: 10x as many²¹

the matters herein are true, **Leviticus 5:1** again says you bear guilt if you fail/refuse to respond and are silent: "If a person sins in hearing the utterance of an oath, and is a witness, whether he has seen or known of the matter- if he does not tell it, he bears guilt." Cf. Proverbs 29: 24; Micah 6: 3; I Timothy 5: 19-22; Titus 1: 10-11. C) As Jesus said so I say: "If I have spoken evil, bear witness of the evil" (John 18: 23; cf. Job 32: 10-33: 5, 29-33; Titus 1: 9-11 et al). **God's word requires A TIMELY rebuttal as well:** a) Psalm 119: 60 requires you to "make haste" and "not delay" to keep God's law that requires you rebut me; and b) Numbers 30: 2-8, 11-12, 14 et al declares a **limited time** for a hearing, informed party/ies to respond. (The day he hears; all things being equal; a person may not have opportunity or ability due to circumstances beyond his/her control). If they fail/refuse/are silent in that timeframe, the party/ies thereby "confirms" what was sworn and the matter stands: "If a man...swears an oath to...some agreement, he shall not break his word...Or if a woman...binds herself by some agreement ["with an oath" -cf. vv. 2, 10]...in her father's house...and her father hears...and...holds his peace, then...every agreement...shall stand...But if her father overrules her **on the day that he hears**...none of...her agreements...shall stand...But if...she takes a husband...and her husband hears it, and makes **no response**...then...shall stand...her agreements...But if her husband over-rules her **on the day that he hears it**...then...the agreement...shall not stand...But if her husband makes no response... **then he confirms all her... agreements...because he made no response to her on the day that he heard them**."

18 **A) law maxims:** "An un rebutted affidavit stands as and is deemed "truth in law" and a "judgment in law"; **B) court cases:** *Morris vs. NCR*, 44 SW2d 433: "An Affidavit **if not contested** in a **timely** manner is considered **undisputed facts** as a matter of law." *U.S. vs. Pruden*, 424 F.2d 1021 (1970): "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading...Our...system is based on...good faith". The rebuttal must be **TIMELY**: the author cannot wait forever; at weddings I say: "Speak now or forever hold your peace"; there is limited time to respond. Maxims of law, common law and court rulings rightly confirm that a "**timely**" response as stated above in *Morris vs. NCR* is required. **Appendix E** gives more authorities that require the **RESULT** that failure/refusal timely to rebut this matter leaves it as undisputed truth.

19 Test my assertions by the teachings of God's word and tests the Bible itself gives such as: a) is the assertion biblical?; b) was the assertion sworn to? If so and no one can prove by facts agreeable with Scripture that it is not true then it stands (for proof of this see **Appendix E**); c) was a prayer biblical?; d) does God answer other prayers of this person/people thereby vindicating his/their claims of God's former answers to prayer?

20 **YOUR SILENCE = YOUR AGREEMENT:** God's law, maxims of law, and Supreme Court cases all require the conclusion that your silence to this is your tacit agreement. While all government and all related parties are prevented by earlier **estoppel** and **laches** from any critique, if there be any who can prove any inadvertent error made herein by the author, he is willing to learn it and correct it accordingly.

21 Left from http://www.ushmm.org/wlc/en/media_list.php?MediaType=ph&page=2; right from To accurately picture America's murdered victims (60 + million babies) the picture above needs to be multiplied by **THOUSANDS of pages** of the same tubs as only a TINY picture of why God as "Supreme

God and His law are perfectly righteous. He requires government to justly put to death those guilty of murder by abortion (see Gen 9: 5-6; Ex 21: 22-25; Deut 21: 1-9; Rom 13: 1-4 et al). Because at 911 government had refused to give just judgment so that **30+ MILLION** pre-born children had been murdered, I finally asked God as Most High Judge for a **drop** of just judgment on 911²². God's word says our land is polluted by our enormous shedding of innocent blood. **America has murdered about 60 million innocent human beings.** God's just word requires a "life for life" death penalty ratio²³. In 911 His sword took but a drop of the blood His blameless justice requires. His prophet Isaiah (9) warns His hand is still stretched out against us. God is watching to see our response to this: will we repent and bear fruits of it? Or leave it to the "Supreme Judge of the world" to take 60 million lives His justice requires?²⁴ Those who say the Constitution does not address abortion so Roe v. Wade is ok are wrong for they: 1) treat that case as **law** when it is not; 2) forget that any unbiblical ruling is an unconstitutional ruling because, as proved below, our father's supreme law arose from the Christian common law which arose from God's word. Abortion's violates God's word which means it violates common law which means it violates America's supreme law. Yet as in Judah/Israel, so in America, **Isaiah 1 reveals both countries are guilty of the same 4 sins for which God "destroyed" Israel**, punished Judah and for which I declare by His word and sworn corroboratory testimonies He is severely punishing America and threatens it with nation-breaking judgment for persisting in breaking His Ten Commandments.

George Washington would be outraged at our idolatry, abortion murder, and sodomy and would call the quarter pictured here "fraudulent" for not being silver. **Our fourth sin/crime is another that God's and America's supreme laws require DEATH for. That fourth sin is fraudulent currency that results in involuntary slavery.** A CNBC report stated: **"We are absolutely slaves to central banks"**²⁵ As proved herein, God's and America's supreme laws require **government parties (& accessories) who refuse or willfully fail to uphold their requirement to use the just currency of "gold and silver Coin" to prevent involuntary slavery to "suffer death"** (Constitution, Art 1 Sec 10; 1792 Coinage Act, Sec. 19) [emphasis added]. God's word treats both economic and physical slavery this way. God's word warns: when governments refuse to enforce laws against murder or involuntary slavery, God Himself does. Our 3 sins of idolatry, murder and immorality are dealt with elsewhere.²⁶ Here I **focus on the 4th sin of fraudulent currency and its many "species of frauds and injustices"**²⁷ both God's prophets in Israel and America's fathers warned necessarily results from it.

Judge" justly ordered judgment on 911 revealing to us **1 drop 1 day** what it is like for Him to see what we do **EVERY DAY for decades!**

22 "Lord, we murder thousands everyday! Perhaps its time, day after day of murdering thousands of little humans and thinking nothing of it, for You to just one day, yes Lord, even THIS day, make it appear before them THIS day, how ghastly it is to You by taking the lives of thousands of ADULT Americans." - <http://anchoroftruth.org/the-untold-story-about-911/> 11-25-2017

23 In Genesis 9: 5-6, after Noah's global flood - brought on by circumstances similar to America's -violence, murder, corruption - God said: **"SURELY for your lifeblood I WILL DEMAND a reckoning'...Whoever sheds man's blood, by man his blood SHALL be shed; for in the image of God He made man."** Scripture repeats this "life for life" requirement all the way to Revelation. See a few at: Exodus 21: 22-25, Numbers 36: 9-34, Deuteronomy 21: 1-10, Jeremiah 19: 1-15, Matthew 23: 28-39, Revelation 6: 9-11 et al! It is fearful to read that so much bloodshed can occur that God will **require at least a** horrifying degree of requital judgment as in 2 Kings 24: 1-4: the LORD **"sent [enemies] against Judah to destroy it....to remove them from His sight because of the sins of Manasseh** [Obama was like him]...**also because of the innocent blood...he had shed...which the LORD would not pardon."** After 60 MILLION, I don't know how we could not be at that point. God requires lawful governmental authority execute a human life every time an innocent human life is murdered. But **MOST in our government are involved** (passively or actively) in justifying, protecting and conniving at America's holocaust no less than in Nazi Germany! Woe to them! Our sin is greater than the Nazi's who slaughtered **6 million** Jews in the Holocaust!! What happened to Nazi Germany!! 6 million was too small for us- we multiplied murder by TEN TIMES and against the most innocent among us. **The Most High Himself**http://www.jesus-is-savior.com/Evils%20in%20America/Abortion%20is%20Murder/death_camp.htm will enforce this His law if the government continues to refuse to do so! **REPENT, then TRUST & OBEY!**

24 Read this and see God's word says so for murder in Genesis 9: 5-6, Exodus 21: 22-25; Numbers 36, Matthew 23; and in Exodus 21: 16; Deut. 24: 7 for **involuntary slavery**; the same last two plus 1 Chron 21 and Jer 34 show that government that by words admits it ought to "proclaim liberty" (for instance by compensation) to such **slaves** but then writes it "changed" its mind where compensation is converted into alleged liabilities to return men to slavery brings God to proclaim liberty to the sword to such parties. Our 4 sins parallel Israel's 4 for which God **"destroy"ed** the **"sinful kingdom"**.

25 I have come across different dates: April 24, 2013 as well as June 25, 2012 but verified the allegation being made at <https://www.youtube.com/watch?v=2lvqdw1nEUJ> on 11-13-2017. See also <https://www.infowars.com/cnbc-admits-were-all-slaves-to-a-global-government-run-by-bankers/>

26 For instance, <http://anchoroftruth.org/the-untold-story-about-911/> and/or the open letter to President Bush about 911 at <http://http://anchoroftruth.org/wp-content/uploads/2017/10/ScanOfOpenLetterToPresidentBush2006.pdf>. There are many excellent sermons at sermonaudio.org where God's word addresses our sins of idolatry, murder and immorality.

27 Washington's letter to Jabez Bowen, Rhode Island, Jan. 9, 1787 www.founders.archives.gov.

This BAD NEWS points to & assures of GOOD NEWS! How? Because this sworn testimony confirms God's word that He is faithful to do as He says. It says that if we refuse to get right with Him, its all BAD forever. But if we'll be reconciled to Him, its GOOD news forever. Every human heart has known its own guilt and many sorrows, yet it can know God's peace and know His love through Jesus. So with nations: as surely as we've suffered curses, we can surely enjoy blessings. God's word even predicts Israel & all nations will turn to His Son Jesus for salvation and experience His mercy, pardon, and peace. As they obey His laws, great longevity, prosperity & an end of war will result.

For decades I've prayed God would **MERCIFULLY RESTORE America.** Well, He both guarantees and threatens: if you *"are willing and obedient, you shall eat the good of the land²⁸...if you refuse..., you will be devoured by the sword."* (Isaiah 1: 19-20). **Jesus' cross** proves what many don't like to hear: God is not only merciful but also just. Because we're cling to sin, we're suffering God's wrath. If we'd cling to Jesus, we enjoy God's mercy. For Jesus reigns at God's right hand **enforcing His Father's laws** for individuals (Psalm 1) but no less for rulers and nations (Psalms 2, 110).

WHY DID I WRITE THIS? WHY MUST YOU READ IT?

1) Because this is our 4th SIN. God's Standard Operating Procedure is: *"For three [sins] of [America] and for four I will not withhold punishment".* God is slow to anger, but after remedial judgments for 3 sins, His patience runs out. If we persist in this 4th His word in Amos 1-2 says He'll send **NATION-BREAKING-JUDGMENT.** Israel's 4th brought a 70 year captivity. Isaiah 1 shows America is guilty of the SAME 4. So as Puritan commentator Matthew Henry wrote on Isaiah 1: 28: *"it is...utter ruin that is...threatened. They shall be destroyed,...not chastened...only."* God's recent severe judgments corroborate His Word's warnings that we are dealing with **life and death** matters for many! This is why I wrote this: I am very concerned for my neighbors! *I know from firsthand experience God's word is true after seeing His answers to prayer!*

2) Because as I'll prove, Israel's prophets and our founders warned this 4th sin subverts entire nations, cultures and governments. Titus 1:9-11 requires elders to *"hold fast the...word...," "convict those who contradict"* God's word and thereby *"subvert whole households, teaching things which they ought not, for the sake of dishonest gain."* **HOW MUCH MORE** must elders teach God's word to stop the mouths of those who subvert nations, cultures, and governments by fueling works of darkness (by their ill-gotten funds) in **cultural wars** (evolution, abortion, homosexuality, et al)? *How many Christians in America's cultural war between light/good/King Jesus and darkness/evil/Satan are aware of the economic/currency playing field this cultural war is being fought on and through? Who will have more funds to give for their side? Those who can only earn it by their labors? Or those who unlawfully, without cost create funds out of thin air (which you end up working for)? **Think of that reality applied everywhere to every person and every part of the cultural war: that is reality.** Any and every area **corrupt bankers** want to influence or direct toward an ungodly order of the world they can via their unlimited stolen funds poured into fuel their causes via foundations, grants, rewards, bribes, think tanks, universities, colleges, government education (he who funds controls), promoting causes that go against God's word in terms of who is God (liberal churches and seminaries), what He is like (false religions or pluralistic education), blasphemy, witchcraft in media, arts and entertainment, corporations policies for Sunday/who may work (not if you disagree with homosexuality), government controlled education, control of military, support for abortion/Obamacare, support for perversion (persecution of Christian bakers etc), welfare state, violation of private property rights, historical revisionism, and promotion of coveting. Do you think government will stay faithful to protect the righteous if it in companionship with those God calls thieves, namely, money changers who got us to change our money from "gold and silver" to their paper? Deuteronomy 28 and Proverbs 22: 7 show this is a **large part of why the wicked keep gaining ascendancy.** Scripture says that as long as we ignore/forget God's law-word we'll be the tail, not the head, salt trampled underfoot, not flavoring, influencing and preserving.*

3) Because I must obey 4 commands of God also so that you may obey the same 4: God requires all men to love their neighbor as themselves by:

1) WARNING²⁹ men or nations they see breaking God's laws that they thereby are endangering

28 The author does not thereby represent that those deserving a physical death penalty according to said laws will not suffer it; only that a) they are offered eternal life in Jesus and b) that God offers pardon and restored blessing to many if they will return to Him through Jesus.

29 Ezekiel 3:17-18: "Son of man, I have made you a watchman for the house of Israel; therefore hear a word from My mouth, and give them warning from Me: 'When I say to the wicked, 'You shall surely die,' and you give him no warning, nor speak to warn the wicked from his wicked way, to save his life, that

themselves to God's wrath; this is required by Lev. 19:17; Ezek. 3:16-21; 33:1-11; Acts 20:24-27; I Cor. 9 lest they themselves incur guilt/liability for any souls, lives or properties lost due to their silence. That America is endangered to God's wrath is clear from said laws, testimonies, and conscience (if unsealed) for it bears witness that America's rebellion deserves God's wrath (Rom. 1:18-21; I Tim. 1:19; 4:1-2).

2) EXPOSING works of darkness; this is required by Lev. 19:17; Isa. 58:1; Luke 17:1-4; John 3:16-21; Eph. 5:11 et al. Our government never had ANY authority from said laws to take what was private property of gold, silver, or copper coin, nor to force any to use currency our founders (as proved below) called "*unjust*", "*fraudulent*" "*oppressive*" and warned would plunder us and make us involuntary slaves. As proved herein, loans from banks **do not loan the bank's own or its depositor's funds** and are an **even worse** form of fraud. God alone can restore "*liberty and justice for all*" **if and as** we repent, trust Jesus alone to save us, and show our repentance and faith by obeying said laws.

3) REPROVING our neighbor if we see him doing wrong lest, again, we incur guilt before God for not doing so. If they break God's law- whether in government or not - we must so love them. We must **reprove publicly** those doing public wrong (Lev. 19:17; Prov. 24:23-25; 28:23; Isa. 1:17; Gal. 2; 1 Tim. 5:20; 2 Tim 3:16-17; 4:1-2 et al).

4) CALLING MEN AND NATIONS TO REPENT AND BELIEVE in order to find pardon and reconciliation with God through Jesus.

THEREFORE I URGE YOU TO OBEY GOD'S SAID 4 COMMANDS BY SHARING THIS GodsAmerica for the only way men and nations can be rescued from sin and wrath in time or eternity is by their learning their sin from God's law, learning the good news of God's gracious provided Anointed Son Jesus and having them by grace tell God they are sorry for and forsake their sins and by trusting in Jesus alone to reconcile them to God. Those who truly repent and believe show it by their lives of obeying God's laws. Any man or nation who refuse this gives himself/itself over to suffering God's wrath in time and eternity (Num. 14:39-45; 15:22-31; Deut. 29:14-21; Matt. 7:13-23; John 14:15, 23-24; I Cor. 6:9-11; Gal. 5:13-24; I John; 2 Peter 1 et al). Believers will keep these 4 and all of God's commands for as Jesus said: "*If you love Me, keep My commandments.*" (John 14:15; cf. I John).

4) FOURTH because America is perishing for lack of knowledge in this and other areas. Hosea 8:4 says: "*My people perish for lack of knowledge.*" Americans don't KNOW what God and our supreme laws require, so though they see other indicators of it, they little realize that His word and corroboratory witness of the truth of His word reveal that we are near to perish. This applies not only to money but other matters. America is in a storm of controversy. Only God's word can be an anchor of truth, only King Jesus can bring His shalom/peace to our storm. **The Bible, says it must be the final authority in Isaiah 8:20: "To the law and to the testimony! If they speak not according to this Word, it is because there is no light in them."** Congress' 1982 Public Law 97-280 says America needs to "**study**" and "**apply**" the Bible to life to get through our storms and return to blessedness and greatness. Yet nearly everyone in government and many even in church do as men did in Jesus' day: "*teach...as doctrines the commandments of men.*" For laying aside the commandment of God, you hold the tradition of men" and "*reject the commandment of God, that you may keep your tradition*". For instance, as proved herein, both God's and America's supreme law require use of "gold and silver Coin"/ just weights and measures as our money. Yet government keeps "*making the word of God*" and America's supreme law³⁰ "*of no effect through...tradition....And many such things you do.*" (Mark 7:7-

same wicked man shall die in his iniquity; but his blood I will require at your hand. Yet, if you warn the wicked, and he does not turn from his wickedness, nor from his wicked way, he shall die in his iniquity; but you have delivered your soul.' (see also vv. 20-21 about warning a righteous man); Ezekiel 33:1-11: "Again the word of the LORD came to me, saying, "Son of man, speak to the children of your people, and say to them: 'When I bring the sword upon a land, and the people of the land take a man from their territory and make him their watchman, 'when he sees the sword coming upon the land, if he blows the trumpet and warns the people, 'then whoever hears the sound of the trumpet and does not take warning, if the sword comes and takes him away, his blood shall be on his own head. 'He heard the sound of the trumpet, but did not take warning; his blood shall be upon himself. But he who takes warning will save his life. 'But if the watchman sees the sword coming and does not blow the trumpet, and the people are not warned, and the sword comes and takes any person from among them, he is taken away in his iniquity; but his blood I will require at the watchman's hand.' "So you, son of man: I have made you a watchman for the house of Israel; therefore you shall hear a word from My mouth and warn them for Me. "When I say to the wicked, 'O wicked man, you shall surely die!' and you do not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood I will require at your hand. "Nevertheless if you warn the wicked to turn from his way, and he does not turn from his way, he shall die in his iniquity; but you have delivered your soul. "Therefore you, O son of man, say to the house of Israel: 'Thus you say, "If our transgressions and our sins lie upon us, and we pine away in them, how can we then live?"' "Say to them: 'As I live,' says the Lord GOD, 'I have no pleasure in the death of the wicked, but that the wicked turn from his way and live. Turn, turn from your evil ways! For why should you die, O house of Israel?"' Therefore, in Acts 20:20, 26-27, after faithfully keeping "back nothing that was helpful, but proclaim"-ing it "and teaching "publicly..."Messiah's apostle Paul declared: "Therefore I testify to you this day that I am innocent of the blood of all men. For I have not shunned to declare to you the whole counsel of God."

30 Doing so further violates God's Fifth Commandment (see Exodus 20:12, I Peter 2:13; footnotes to Westminster Larger Catechism Q&A 124) which show God requires Americans to honor and obey our founding father's "supreme" law.

13). **Government officials, employees or soldiers**, consider your oath/affirmation by which you put in jeopardy your eternal soul if you do not do according to your promise to God to uphold our founder's supreme law to guard rights! Consider, you who say "I can't *actually* obey God's and America's supreme laws - I'd lose my job, benefits, etc"- what Jesus says: "...*what will it profit a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?*" (Mark 8: 37-38)

5) **FIFTH**, because God's word shows that not only are the lives of those who are directly involved in involuntary slavery by upholding unjust currency but God's word as well warns other lives are also subject to suffer His wrath. As proved below, Americans in general are warned that the sword of the Lord can overflow to more than just the guilty parties in government and banking (cf. Lev. 10: 6 et al). Leaders can bring down God's wrath on an entire congregation or nation for refusing to do their duty to punish evil; more when they themselves are evil; and more so still when they knowingly refuse to repent as I testify they have thus far in relation to all four sins mentioned.

So hear me out! What if I am telling the truth? What if your or your loved one's life is threatened? Do yourself & America a favor- READ THIS. DON'T REFUSE because its unavoidably LONG. We've separated ourselves from God a LONG time! Don't say "its too long" for: 1) would you rather have God's word - "the sword of the Spirit" - working to restore us, OR more of God's physical sword? Spend your free time hearing & reading the Bible to learn what God requires and how to be restored. 2) Americans spend *hours* every week watching TV or electronic media for mere entertainment, well, this affects real life & death and is as serious as 911. 3) Some things must be longer. God's Word is 66 books; 1 book is 66 chapters for Isaiah had a LOT to say to Judah; I do to America. 4) God describes the subject matter we're dealing with as "cunning", our founders as "subtle". So it takes many Scriptures and considerations to reveal the evil. 5) If your life was endangered but you didn't know it, would you abridge³¹/cut short the messenger trying to save your life?

COMPARED TO WHAT OUR FOUNDERS & EARLY AMERICANS KNEW, we're ignorant!

The Supreme Court has robbed generations of Americans of basic Bible knowledge and prayer to God, things our founder's law still says are essential to "good government" and our "happiness". America's still supreme organic law in its **Northwest Ordinance** says: '*Religion, morality, and knowledge, being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged. ...Done...in Congress..., the 13th...of July, in the year of our Lord 1787*'. Huge amounts of historical documentation show that by "Religion" generally the fathers referred to Protestant Christianity.³² The Supreme Court has thereby robbed us of the very things that gave America's fathers their biblical worldview out of which their Declaration of Independence arose (just read it to see that).

³¹ **Abridging occurs** "when... the government, cuts off what we say or write. To abridge is ...to command brevity. ...Constitutionally speaking,... this is abhorrent because we should be able to speak our minds" with no "previous restraints"... ¶...to permit ...government to abridge expression ... is to allow...perpetuation of half-truths [and lies]...In the name of...brevity, the "whole truth" is not permitted.... ¶ "Half-truths...redacted judicial documents, ... [for pressuring [us] to "cut short" or forsake [our] Creator given rights [to unabridged petition for redress] via the Judiciary Act of 1891 or courts rules (far below the supreme law of the land)] are antithetical to a vibrant First Amendment" -partial quote of Ronald K. L. Collins FIRST AMENDMENT FELLOW in "About that word 'abridging' in the First Amendment ..." May 1, 2008, partial quote of our writing America's supreme court. Hereafter, "G's" or "G" means Gravelings. We Gravelings wrote to America's Supreme Court: ..."**abridge**" **our first amendment right to petition** for said redress is surely what you have been doing. For the ostensible sake of escaping too many cases, said Act [of 1891] abridges G's rights. Before studying said first amendment word "abridge" we compared your attempted forcing us to said writ to the humorous but painful picture seen in restaurants: "*Complaints? Write in detail in the one inch by one inch square below. Write legibly.*" In his "**About that word 'abridging' in the First Amendment ...**" Ronald K. L. Collins...wrote "abridge" means to "deprive", "abbreviate", "cut short": *abridging is when someone... particularly the government, cuts off what we say or write. To abridge is to abbreviate, to command brevity. Such a command means that a censor — one who scrutinizes a work for objectionable content — can shorten any message by deleting as much as he wishes. Constitutionally speaking, all of this is abhorrent because we should be able to speak our minds uninterrupted* . [see Gravelings-AppendixCONTINUEDIII for fuller quote and citation location]. Per said first amendment, our right to petition for redress means we 1) have the right to petition said court and it must redress the matter as required by the supreme, common and laws of God and 2) are not restricted to the number of words; your current word count makes it practically impossible or impossible to petition for redress and seems to abridge and undercut our said right purposefully. Collins again: *Thus, no "previous restraints" on freedom of speech or of the press [or right to petition for redress of grievances]. ¶ By this logic, to permit the government to abridge expression [or to abridge the free and full exercise of one's right to petition for redress] is to allow for the perpetuation of half-truths [and lies]. One only gets that side of the truth that the government wants us to hear or read or see. In the name of censorial brevity, the "whole truth" is not permitted.... ¶ "Half-truths, condensed government records, redacted judicial documents, abridged literary works [for pressuring Gs to "cut short" or forsake their Creator given rights via the Judiciary Act of 1891 or courts rules (far below the supreme law of the land)] in an entirely different meaning of writ of certiorari than formerly] are antithetical to a vibrant First Amendment.*

³² See for instance <http://kevincraig.us/protestant.htm> 9-5-2017; Lexington's Pastor Jonas Clark (who patriotically helped Sam Adams and John Hancock) knew firsthand the cause of the American war for independence as he preached about it in light of God's word and spoke of God's delivering the church by the Reformation in his sermon: "**The Fate of Blood-Thirsty Oppressors and God's Tender Care of His Distressed People**" April 19, 1776". More proof of the FathersWorldview and Protestant roots is available from the author upon request as well as by internet and library research.

As a result, what I say most barely have any readiness to receive. For instance, most are ignorant our founder Roger Sherman was a Puritan³³ who wrote a book arguing from “the laws of God and man” for what just currency must be and for his warnings against unjust currency. They would be shocked that his book’s rationale is that “gold and silver Coins” alone are a just currency/tender for payment of debts. Shocked that his publication’s rationale was reknowned, or that at the Constitutional Convention he later proposed nearly identical words be written into America’s supreme law- our father’s Constitution - based again on the same biblical rationale. They would drop their jaws to learn our founders agreed to his proposals for money and thereby made our Constitution’s money stipulations Bible based³⁴. George Washington reported the very happy result of this obedience to “the laws of God”: a “fifty percent”³⁵ increase in America’s trade!! Historical documentation proves that Jesus’ Great Commission to believers to teach “all nations” “all things” God’s word commanded was carried out over the centuries. As a result, nations developed a Christian common law from the Bible where they learned what God requires for all matters, just currency too. The Bible’s requirements for just currency were part and parcel of the common law. From especially English common law came America’s founder’s supreme law. America like Israel was richly blessed when it trusted and obeyed. Oh that the nations might know the truth saints sing: “*Blessings abound where’er [Jesus] reigns*” based on Psalm 72 et al.

It is no wonder that Satan as the adversary of bankers, judges, men, nations and God worked to bring the Supreme Court to separate us from God. Forbidding God’s talking to us (the Bible) and our talking to Him (prayer) has resulted in what our founder’s law predicted: bad government and unhappiness! For as our generally evangelical founder’s law says knowledge of God’s “Religion” is essential both to “good government” and “happiness”³⁶. Rev. Jerry Falwell more recently wrote:

³³ https://en.wikipedia.org/wiki/Roger_Sherman 8-22-2017: “opposed to slavery due to his personal beliefs and puritan views”;

<http://www.history.army.mil/books/RevWar/ss/sherman.htm> 8-22-2017: “John Adams, himself an heir to the same tradition, described Sherman as “an old Puritan, as honest as an angel and as firm in the cause of American Independence as Mount Atlas.”; <http://www.womenhistoryblog.com/2009/07/rebecca-minot-prescott-sherman.html> 8-22-2017: “In 1776, he worked so earnestly hard....It was at this time that John Adams spoke of Sherman as “an old Puritan, as honest as an angel....” Sherman was a longtime and influential member of the Continental Congress from 1774 to 1781, and again from 1783 to 1784. At first, many delegates laughed at his homemade clothing and lack of a wig (all gentlemen wore wigs in those days), but his words won him respect. He was among the first Patriot leaders to deny the supremacy of the British Parliament over the colonies.”

³⁴ “*Sherman is also memorable for his stance against paper money with his authoring of Article I, Section 10 of the United States Constitution....[Wikipedia then quotes from “ Farrand, Max, ed. The Records of the Federal Convention of 1787”: J’Mr. Wilson & Mr. Sherman moved to insert after the words “coin money” the words “nor emit bills of credit, nor make any thing but gold & silver coin a tender in payment of debts” making these prohibitions absolute, instead of making the measures allowable (as in the XIII art) with the consent of the Legislature of the U.S. ... Mr. Sherman thought this a favorable crisis for crushing paper money. If the consent of the Legislature could authorize emissions of it, the friends of paper money would make every exertion to get into the Legislature in order to license it.” - https://en.wikipedia.org/wiki/Roger_Sherman 7-21-2017; ANOTHER SOURCE: in his Memorandum, Attorney Larry Becraft wrote: “During the period when many of the colonies were emitting a paper currency, the value of the notes of one colony constantly fluctuated against the value of all other colonial notes. This uncertainty in value was directly proportional to the number and amount of the emissions made by any particular colony; the results were certain and caused the destruction of trade and commerce as well as confidence in the medium of exchange. This was aptly demonstrated by the example of Rhode Island. In 1743, Rhode Island issued “bills of credit” wherein 27 shillings in paper denomination were alleged to equal one ounce of silver. But in 1751, the Rhode Island General Assembly devalued these bills to the point where, at law, 54 shillings in paper were exchangeable for one ounce of silver. Undeterred by the ill effects of devaluation, the Assembly thereafter made the exchange rate equal 64 shillings of paper for an ounce of silver. Not only did the colonies violate the express dictates of Oresme and the common law by making paper be money and not gold and silver, but they further violated the law against debasement and debased their paper. ¶ In 1751, one of our founding fathers, Roger Sherman, the very man who made Article I, § 10, cl. 1 a prominent part of our Constitution.... extended credit to a merchant from Rhode Island, who later attempted to discharge his liability to Sherman with Rhode Island paper money. Sherman refused, and a legal controversy thereafter ensued. While... Sherman plead in this suit that the law required specie payment, the Rhode Island merchant defended himself on the basis of custom of the people. The decision in the case was in favor of the Rhode Island merchant. ¶ Sherman was incensed at the verdict and decided... to espouse his views in book form [namely] A Caveat Against Injustice, or An Inquiry Into the Evil Consequences of a Fluctuating Medium of Exchange. This treatise.... in addition to its value in noting the injustice and inequity of a fluctuating medium of exchange, is of immense value in determining the true intent and meaning of Art. I, § 10. He demonstrated that the viability of commerce was dependent upon traders and businessmen exchanging their goods and commodities for currency of intrinsic value.... While ... Sherman had concisely stated the reasons and need for a stable currency of specie, he was denied the opportunity to remedy this vicious problem until he attended the Constitutional Convention in 1787.” -- which was found on 7-21-2017 from the website: <http://home.hiwaay.net/~becraft/MONEYbrief.html> . Other sources confirm he authored our Constitution’s money clauses.*

³⁵ “The power the states had reserved under the Articles of Confederation, the power to make anything a legal tender, is.... The power to compel people to accept something of no intrinsic value in exchange for something of value...the power to rob people of their property “secretly,” as John Maynard Keynes put in the 1920’s....” ¶ In the 44th Federalist Paper, James Madison eloquently explained why the States were giving up their power to compel citizens to use either federal or state paper money: ¶ “The loss which America has sustained from the pestilential effects of paper money on the necessary confidence between man and man, on the necessary confidence in the public councils, on the industry and morals of the people, and on the character of republican government, constitutes an enormous debt against the States chargeable with this unadvertised measure, which must long remain...an accumulation of guilt, which can be expiated no otherwise than by voluntary sacrifice on the altar of justice of the power which has been the instrument of it.” ¶ “The states’ voluntary sacrifice hastily rescued our forefathers from the vale of confusion and darkness, unclogged the wheels of government, brightened the day, and restored peace and order. A mere nine months after the “permanent rule excluding the pernicious expedient of paper currency” was ratified by the states, the December 16th 1789 edition of The Pennsylvania Gazette was able to say: ¶ “Since the federal constitution has removed all danger of our having a paper tender, our trade is advanced fifty percent....” ¶ And in June, 1790, a little more than a year after ratification, a much happier George Washington was able to write his friend the Marquis de LaFayette that ¶ “Our revenues have been considerably more productive than it was imagined they would be. I mention this to show the spirit of enterprise that prevails.” [emphases added] <http://www.tuppersaussy.com/museum/html/writings/constitution/caioriginalintro%20.html>; cf. <http://press-pubs.uchicago.edu/founders/documents/v1ch5s9.html>

³⁶ Cf. America’s organic law in its **Northwest Ordinance**: “Religion, morality, and knowledge, being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged....Done...in Congress..., the 13th...of July, in the year of our Lord 1787”; enormous

“Solomon, the wisest man who ever lived, once said, ‘Living by God’s principles promotes a nation to greatness; violating [them] brings a nation to shame’ (Proverbs 14: 34, paraphrased).³⁷” [emphases added] God says it is only by knowing His law that we learn right from wrong (Romans 3: 23). His word reveals what God requires for just currency, thereby shows why our economy was great, what went wrong, and how to restore it.

A man once in great health found himself nearly terminally ill after breaking the rules for good health. A cruel doctor assured him he could keep on as he was: *“you will not surely die, its just part of life,”* profiting by the patient’s near demise. A **caring doctor** knew the truth but found the cruel doctor’s lies entrenched in the patient’s mind. The patient would hardly give the doctor a hearing. A lie stood in the way of everything the patient needed to understand and to act on to save his life. It seemed hopeless. But because the patient’s life was at stake, the doctor sent a messenger to share the truth. Only after **hours** of listening did the patient understand, turn from his bad behaviors, receive treatment from the Great Physician until he was fully restored to robust health. America is the once great man, Satan the cruel doctor, Jesus the Great Physician; I Jesus’ messenger. **Application: you have LOTS to learn, lives are at stake, only truth can free us, it will take time even after all are committed, a careful transition with much prayer will be necessary.** As an ordained minister for over 25 years, I’ve studied Scripture and America’s history and law for years. What I write is documented (available on request). I overcome **100+ years of cruel lies** by God’s word and our laws. Our founder’s worldview is all but lost³⁸. In limited space I try to help the patient recover truths that made America great. **My duty & right is to share what needs to be shared; yours is to hear me out and learn and pass it down generations and to all nations.**

DISMISS THIS BECAUSE “HE CAN NEVER PROVE WHAT HE’S CLAIMING”? God’s word³⁹ and our founder’s Constitution⁴⁰ require only **“two Witnesses”** to prove a matter. The burden of proof has been met. **God says that mere “say so” from a government party or entity is NOT the final authority.** He requires all men and nations to make His word/the Bible the final authority (Isaiah 8: 20; Acts 5: 29). And I Peter 2: 13 and other texts require Americans to honor our father’s law as our “supreme” human authority. MANY witnesses prove my claims. So God’s word and the Constitution **require** you to believe the witness of testimonies and other proofs (see some such witnesses in **Appendix A**).

A non-exhaustive SUMMARY of some of the most important truths herein follow, but first I give a SUMMARY OF THAT SUMMARY so that in sincere Christian love yet with righteous firmness I say:

America you’d better listen and repent! For after you were called to for decades but refused, so that hundreds of millions of you were on your way to hell, America was being turned into a reproach, 1000’s of unborn children were daily being murdered, and America threatened by God’s word with nation-destroying judgments, I and other saints resorted like Bible characters and our founders to ask God for 911, 2007’s drought, and 2008’s Great Recession for America’s 3 great sins of: 1) turning from God and His law, 2) murdering tens of millions by abortion; and 3) immorality. God requires a “life for

amounts of historical documentation show that by “Religion” generally the fathers referred to Protestant Christianity. See for instance <http://kevincraig.us/protestant.htm> 9-5-2017; Lexington’s Pastor Jonas Clark (who patriotically helped Sam Adams and John Hancock) knew firsthand the cause of the American war for independence as he preached about it in light of God’s word and spoke of God’s delivering the church by the Reformation in his sermon: “The Fate of Blood-Thirsty Oppressors and God’s Tender Care of His Distressed People” April 19, 1776”. More proof of the Father’s Worldview and Protestant roots is available from the author upon request.

37 The Prologue of his book *Listen, America!* 1981.

38 America’s fathers considered a God centered worldview critical to understand life and government. Their Declaration of Independence: “We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed.” God is Supreme Lawgiver (“the laws of nature and of nature’s God”), Supreme Judge of men’s souls and nations (“appealing to the Supreme Judge of the world for the rectitude of our intentions”), and Supreme Ruler of all (“with a firm reliance on the protection of divine Providence”). American government thus presupposes that all are required to keep God’s law, are subject to His sanctions (He will enforce His will on earth as it is in heaven), and are under His all controlling providence. The Declaration further declares government a servant of God to fulfill His purpose to guard the rights He (not government) gave individuals. It declares all men and nations under God. Congress’ very first prayer prayed to this Creator God asking Him to act in history by delivering the righteous and punishing the wicked: at King George III’s assault on American’s rights at Boston, they prayed: “these our American States, who have fled to Thee from the rod of the oppressors and thrown themselves on Thy gracious protection, desiring to be henceforth dependent only on Thee....All this we ask in the name and through the merits of Jesus Christ, Thy Son and our Savior. Amen” (- “First Prayer of the Continental Congress, Office of the Chaplain” accessed at <http://chaplain.house.gov/archive/continental.html>). This prayer and declaration was both a heartfelt supplication and a **declared promise/covenant** to God through Jesus Christ and His merits alone which God took and takes seriously. We their children had better keep our promises, vows and covenants to God for He surely requires us to!

39 Jesus said **“the testimony of two men is true”** (John 8: 17; Deuteronomy 17: 6; 19: 15. God’s word in I Samuel 26: 11-22; 2 Corinthians 13: 1-2 et al treats non personal evidence (like objects et al) as able to serve as a witness.

40 Our founder’s Constitution Art 3, Sec 2 says: **“the Testimony of two Witnesses to”** an “Act” is sufficient for a court to rule a matter has been proved.

life" death penalty for abortion alone. After government allowed 30+ million lives to be slaughtered, His word said His justice demanded 30+ million lives. Would you like to see America suffer that?! Nor us! Yet America refused to listen. So, like a caring doctor who most reluctantly resorts to amputation to save a life, saints prayed for these judgments because America refused to listen to God's word and so we determined perhaps it was time to ask God to give remedial judgments to try to save pre-born lives and eternal souls. God judged it righteous to do so. America has yet to repent.

What makes matters more scary: God's standard operating procedure with all nations: "*for three transgressions of ___ and for four, I will not withhold punishment*" (Amos 1-2). By "punishment", He refers to nation-breaking or devastating wrath. America's 4th sin is the same as Israel/Judah's which brought devastating judgment on them. As this God's America proves, this sin's cancerous tentacles are as widespread in America as they were in the Hebrew republic.

Still more disconcerting: God's law and the Hebrew republic's supreme law required a death penalty for those who involuntarily enslaved people via fraudulent currency (or other means). In America God's law, the common law and America's still supreme law all require the same death penalty for parties involved in making people involuntary slaves by means of fraudulent currency (fraudulent currency defined by said laws as that which is not "gold and silver Coin"). The wisdom and rationale for said laws' requirements and required sanction is from God whose wisdom is unsurpassable. Christian common law writers and America's founders had good reason for requiring said Coin and said death penalty. As these sources of law show, just currency was and is a VERY big deal with God, centuries of Christian nations and with our founders. It will be with righteous nations and their leaders. For only by just currency are men's rights protected whereas unjust currency plunders men's private properties and lives are plundered and they are made involuntary economic slaves of others.

As Isaiah 1 et al and George Washington warned, and as the author's own sufferings perfectly illustrate, fraudulent currency results in "*every species of fraud and injustice*" in government where it no longer protects but tramples rights. So God's law requires death of all parties involved in said enslaving. As can be argued by the requirement of the general equity of said laws in their historic context, America's supreme law requires death of government parties involved in said enslaving. God's word being that which He judges men and nations by, this reveals that many under great wrath today. God in His providence had the author testify and warn America and its government against these 3 sins and also the 4th sin. The author's sufferings epitomize how America and its government parallel ancient Israel (and at least to a large degree modern Israel) which was/is involved in the same 4 sins and for which God poured out His wrath on them with devastating judgment. **Because the general equity of said laws argue that many in America are worthy of death for these crimes, because God has already poured out remedial/warning judgments, the author out of great loving concern for his fellow Americans warns: return to God in Messiah Jesus before it is too late!** God warns of temporal judgments but also eternal judgments of unquenchable fire for those who refuse to turn from their sins.

God's word also gives us incredibly good news IF we will listen! It tells us that our only hope is to turn from our wicked ways and cry out to and rely on Jesus, God's Anointed Son, who in undeserved love for sinners like us lived a perfect life obeying God's law and then was punished for all our sins on the cross to deliver us from sin and its penalties. The Bible predicted these things about Jesus hundreds of years before they happened and this too proves the certain truthfulness of the Bible. After He suffered for the sins of the world, God raised Him from the dead and seated Him at His right hand from which the blessings America once knew and the judgments she has recently suffered came. God is calling us to return to Him through His Son in whom is eternal life hereafter and abundant life now. He predicts that Israel and the Gentile nations will return to Him and He will then bless the world with unparalleled blessings: terrific longevity, prosperity, no more war - all from Jesus' throne.

Here is the non-exhaustive SUMMARY of some of the most important truths:

- 1) The Bible as God's word is true and the final authority for men and nations. As the all sufficient instructor for men and nations to do justly, love mercy and walk humbly with God, it must be obeyed.
- 2) As God's prophets predicted, God's Anointed Son Jesus paid for the sins of all who repent of them and
