

trust Him alone to save them. After purging His people's sins, He sat down at God's right hand to bless or judge men and nations depending on whether they trust and obey Him.

3) Christ's people have for centuries been making disciples of nations, teaching them to be reconciled to God through Jesus and then in loving gratitude for this free salvation obey the laws of God.

4) This teaching process resulted in the Christian common law that impacted nation's laws and governments in Africa, the European Continent, Britain, Russia, Greece, America, et al.

5) America was settled by Protestants, Puritans and Pilgrims who had been persecuted and who sought liberty to be able to obey God according to His laws. The founders defined liberty in terms of God's laws. Our founders worked out of a biblical worldview as is reflected in their words and founding law.

6) Recently America has been distrusting and disobeying God's laws against idolatry, murder (abortion) and immorality. So, as His word predicted, King Jesus poured out judgments on America: 911, 2007's drought, 2008's Great Recession, 2016's drought, April 29, 2016's fires and others.

7) Some of these judgments were answers to prayers that I and other saints prayed for like Elijah, Israel's prophet, who finally resorted to praying for a 3.5 year drought to turn Israel back to God. Such prayers are not prayed out of malice but love to God and neighbor when men and leaders refuse to do right so that men must resort to appealing to the Supreme Judge as our founders did for merciful deliverance and just judgment.

8) God's word warns that when a nation persists in sin, He judges it with increasing judgments. His standard operating procedure with nations is that after 3 and 4 sins He will send horrific punishments.

9) After I warned America through President Bush and media⁴¹ of my prayer for 911 for our 3 sins of idolatry, abortion murder and immorality, God taught me our 4th sin: fraudulent currency and "*every species of fraud and injustice*" resulting from it.

a) I learned God's law, the common law and our American father's words and supreme law all require "gold and silver Coin" as our "national currency" to "establish Justice" and were chosen expressly to protect and guarantee the God given rights of men. Our Declaration of Independence's stated purpose for government: protect men's God given rights.

b) Puritan founder Roger Sherman studied the Bible and was responsible for the Constitution's money requirements. Before the Convention he published his work that argued that the "laws of God and man" required intrinsically valuable currency, namely, "gold and silver coins" for a just currency. He warned any other currency is "iniquity", "unjust" and robs "Men's "Estates".

c) I learned from Scripture, the founder's words and laws that currency that is not intrinsically valuable not only steals others property and work, but as well steals men: it man-steals, kidnaps or makes men involuntary slaves of others. These few others create unjust currency for practically nothing while others must buy/give in exchange for it the hours and labors of their lives as well as put up their property for loans of it.

d) God's word through Moses, the prophets and Jesus (also when He fulfilled prophecies about the Messiah/the Lord coming to God's Temple to cleanse it of those (moneychangers) who exploited wage-earners reveal this. God's word reveals that for this involuntary enslavement of others those involved it are required to suffer "death". When government does not avenge evildoers by putting them to death for this, God's word and history confirms He Himself will do so but then a sword hangs over the country where more can suffer or die then than would otherwise be necessary.

e) The Christian common law required that those who created fraudulent currency "die". Bishop Oresme for instance argued rulers who undermine gold and silver coinage are tyrants.

f) Our founder's writings and supreme laws reflect that they learned from God's word, the common law, world history and their Continental Congress' sinful experiment with the "Continental" paper currency that non intrinsically valuable currency necessarily violates the entire cluster of people's rights. The Continental Congress was briefly but very guilty of this sin and crime and learned the hard way the ruin it brings both morally and economically. So, by the time our fathers wrote the Constitution and 1792 Coinage Act, they made mandatory "gold and silver Coin" as our "national currency" and required any and all in government to swear to uphold their supreme law's requirements for it. Gold and silver as just money was one of the major purposes for the Constitutional Convention. THE FACT that

⁴¹ Though I informed President Bush and various media, they were grossly negligent about sharing the message that called America to repent. I still hope they will turn from their sins and use their positions to inform America to repent even as I -after neglecting my duty - also repented and did my part.

“gold and silver Coin” are required, alone authorized and that paper money (aka “Bills of Credit”) prohibited is clear from reading said supreme laws. However, for the sake of dishonest gain many lies have been told (Titus 1) and in America as in Israel (Micah 6) many equivalent “statutes of Omri” and “works of Ahab” have been done to get around God’s and America’s supreme law’s requirements. DUE TO GOVERNMENT BREAKING GOD’S AND THE FATHER’S LAWS WITH A MYRIAD OF SUBVERSIVE RATIONALIZATIONS I WAS VIRTUALLY FORCED IN THIS DOCUMENT TO PROVE FROM GOD’S WORD, Christian COMMON LAW and AMERICA’S FATHERS and their SUPREME LAW said “gold and silver Coin” are required. For as God’s word and history shows, men as sinners are very tempted to by trickery or by force to use any other currency in order to plunder and get others to be their involuntary slaves, particularly moneychangers (bankers who have done this for centuries and claim to own the world -but fraudulently) and governments. Yet “cunning” and “subtle” in nature, it works ruin by enormously undermining people’s rights without their realizing it, rights to private property (by stealing), liberty (by subtly forcing others to work for others rather than being free to do with their time and lives using them on whatever God calls them to), justice (for these things are unjust), life (for others subtly force men to give their life’s hours adding into days, weeks, months, years and decades to unjustly serve others) and other rights (like pursuit of happiness, etc) occurs. People feel oppressed but cannot always pinpoint the source. Leaders who think they “free” themselves from God and His law and make man the measure of what is right are self deceived in their justifications and work ruin. To prevent this, our founder’s from a God-centered worldview forbade fraudulent currency, warning paper money corrupts government. Their Constitution authorized alone “gold and silver Coin”. To insure their supreme law would be followed, they attached a mandatory “death” penalty for any in government who would undermine rights by undermining said Coin.

g) God’s prophets decried fraudulent currency as that which made involuntary slaves of people. Israel’s kingdom/government was “destroyed” and many in its population lost their lives. Judah also suffered enormously. Jeremiah 34 records Judah’s princes admitting their laws required them to “proclaim liberty” to their involuntary slaves, they momentarily did so, but treacherously “changed” their minds and returned them to captivity. God therefore proclaimed liberty to the rulers: “to the sword”, Himself enforcing His mandatory death penalty here via national judgments against Judah’s leaders. He can do that in America no less: He is Alimghty. His words warn America. They, along with the recent judgments mentioned at the start, declare God’s anger against America’s guilt in these areas. Given further that our government similarly plundered my estate/house in an unlawful foreclosure and also acted like Judah’s princes, I tremble for my country and its government. Were this fourth sin our only one, I’d tremble. Given the presence of 3 others too, I fear greatly. God’s standards don’t change with the times. Legal or not, sin is sin and some sins are also crimes. God’s word says His mandatory death penalty for abortion murder requires 60 million lives. Remember I prayed for a drop: only 1 day of what we do/have done every day for decades! God showed us what we deserve for 1 day. Aren’t you glad He did not give us 911 reprisals every day for as many days as we have murdered the unborn!? I am GREATLY concerned me for America. 60 million. Then in this fourth sin, “everyone” from greatest to least proves they “deal falsely”. America has been subtly but no less real turned into a land of hundreds of millions of involuntary economic slaves. For this sin and crime, God’s law was written (I Timothy 1:9ff) and also America’s supreme law to require death to prevent this crime. God is the Enforcer of His law. If this is not cause to be concerned, what is? I did not make any of this up, I did not write God’s or America’s supreme laws but as a minister of Jesus Christ declare: until America turns from these our sins, said laws require the death of many guilty parties.

h) God by His word and corroborating testimony here asks government and each American: so what do you want? My outstretched sword to kill more with My sword as on 911? I can use famine, fire, beasts, military attacks, disease, et al to take lives. Or the hammer and sword of My word to smash sinful hearts and by My gracious Spirit give hearts of flesh that trust and obey Me and are greatly blessed? So far many but not all in America have been VERY hard heartened. God’s word warns and His providence confirms He has been hammering us (Jeremiah 23: 28-29). Seek to experientially know the rich, full, free and amazing grace of God for sinners like us who deserve hell yet are graciously offered complete reconciliation from our Creator who in love gave His Son to die for sinners like us. Like Abraham and Isaac were willing to have Isaac killed, God the Father spoke to the sword against His Son in Zechariah

13: 7: "Awake, O sword, against My Shepherd, against the Man who is My Companion, says the LORD of hosts. Strike the shepherds" so the sheep are spared.

i) In 1933 the government via Executive Orders and an Act of Congress required Americans to surrender their gold and to take worthless paper money of Federal Reserve Notes in exchange and to use that paper. Said laws therefore **immediately** required the same Act provide a "make Good"/"just compensation" remedy lest government having taken people's private property without compensation give them over to being plundered and made permanent involuntary slaves. Members of Congress reportedly feared for their lives (surely due to said Coinage Act). So the same Act guaranteed "Every [debt] obligation" in said Notes that was incurred thereafter would be "dollar for dollar" "discharge" d.

j) [1*] **Though said discharge in refunds is required to be given, the government does not follow it: I know firsthand of people who have shown me proof of their receiving it and many others of their being denied it. I also know of a case where the IRS in writing acknowledged the "dollar for dollar" refunds owed a party which effectively was to "proclaim liberty" yet saw that in the same letter the IRS wrote they "changed" the refunds owed into alleged taxes and that without any authorization. This compares to Jeremiah 34's record of Judah's princes acknowledging their duty to "proclaim liberty" to their slaves but the text says they "changed" their minds and returned them to slavery. For that God said He proclaimed liberty to Judah's princes: "liberty to the sword". Is not God's word to Judah's princes relevant in its applicable warnings to our leaders? The author calls for repentance, for an end to the fraudulent currency, for bankers and government restituting gold, silver and copper and restoring people to wholeness so that such compensatory refunds are not in the future necessary. [2*]**

k) By reading Federal Reserve banker's own publications and the Congressional Record, I learned I had been defrauded by my "lender"'s loan contract. I expressly asked for and the lender represented to give me **a loan of their funds**. But they violated Deuteronomy 25 by using two different terms for money, funds, et al in the same contract to defraud us. **(If you're like I was at first, you'll need to spend time researching this to prove it to yourself- resources are herein)**. Their contract – without full disclosure- switched terms on us. They required of us one sort of money/funds we had to earn but secretly gave us funds they did not earn, nor did their depositors deposit with them, but rather funds they created out of thin air no differently than putting dollar bills on a copier and pushing print: their publications admit they created their money/funds "out of thin air" but require me to earn my funds to "pay them back" by working for 30 years to repay principle plus "interest". Had they risked anything in the loan? No. Grossly misrepresenting matters, they violated Deuteronomy 25 that forbids using two different standards, terms, weights, forms of money/funds in the same bag/contract. As proved herein, **THIS IS WHAT COMMERCIAL BANKERS DO TO ALL Americans (and worldwide from what I can determine) in all commercial loans**. Remember, God earlier answered my desperate prayer for 911 to call us to repent of our 3 sins. I started off that prayer comparing Federal Reserve bankers to the rich in the 73rd Psalm. God taught me after 911 about America's fourth sin that parallels Judah's 4th. Just as God's word indicted Israel's money-changer thieves and government companions for their "cunning", plundering and enslaving of the "righteous" and "needy", so God's word indicts America's bankers and government for the same crimes in ours! **In these countries the swamp of corruption, fraud and injustice starts by turning from loving God and others and His and America's requirements for just currency. From there the cancer spread. Once rights-protecting-Coin was removed, people's rights were trampled. We have NO gold, NO silver, scarce little copper, only paper.** It was but one more step to use paper contracts as liar loans to defraud people even further. This is **well hidden**, a "cunning" use of different terms in the same contract. The fraud, deceit and rights violations are exceedingly deep and cruel as proved herein. One illustrative proof is from our 30 year banking, securitization expert God brought us in our unlawful foreclosure. His sworn statement is the tip of the iceberg but speaks accurately: **"THE only course of action available to challenge such foreclosure is judicial lawsuit brought by the borrower... The judicial process by the foreclosing parties shifts the burden of proof to the borrowers in the loans to allege facts that are solely within the knowledge of the lenders and which facts are intentionally withheld from the borrowers."** [emphasis added; see it at <http://anchoroftruth.org/wp-content/uploads/2017/09/SCANOfAffidavitOfWilliamMcCaffreyTheFirstAffidavitWithBlueInkSi.pdf>] By violating God's "royal law of liberty" at Deuteronomy 25 et al, by violating America's laws and its guarantees to Trial by Jury, due process, et al) dishonest bankers government parties standing next to

them as “companions of thieves” plunder the properties, lives, and liberties of hundreds of millions of Americans.

l) As God called His servants in Israel to expose this sin, reprove oppressors publicly, warn of wrath for it and call people to turn from it to the LORD through His Servant Jesus, so am I and so must all God's servants do.

m) Having learned the lender had lied so as to defraud us, having learned from God's word and answer to prayer that God required me to use laws to require them to give verify they gave a true and just loan of their own funds (cf. Genesis 42: 16-24) as represented, I wrote them I was concerned about “fraud” and requested non-fraudulent documentation proving they acted in truth and justice in their lending and in their claim to have a rightful claim to my funds. In response, over time the alleged lender/holder parties gave contradictory and clearly forged/alterd notes and contradictory and clearly forged mortgage documents⁴². Despite proofs of the fraudulent contract, forged documents, violation and denial of our rights to due process, trial by jury, justice, and others, the courts ruled for the bankers.

n) The author's property, 150,000 of his hard earned “dollars” and 10 years of his life were stolen by means of forged documents, fraudulent contract, and flagrant, glaring, gross violations of his rights.

o) Having warned at least some courts of God's judgments in 911 and 2008's Great Recession and urging them not to persist in this yet another (a 4th) sin yet finding courts from the lowest to the highest in America to refuse to do right, to ignore God's law, we – to seek the honor of God's name by His vindicating our claims about Him, His word, our being wronged and His judgments we claimed, asked Him on April 29, 2016 for fire the same day and for drought. He gave both as proved herein.

10) America falters between two opinions: on the one hand it wants to sing “God bless America” right after 911 and talks like a “Christian” nation of its proud heritage, how God blessed it with liberty, how everything will work out for our good, etc. yet many agreed with Obama we are “no longer a Christian nation”. Congress upholds our being a “nation under God” yet refuses to be under God's law and permits courts to throw God out of our classrooms, courtrooms and effectively our country. Given these 3 and 4 transgressions, God threatens America with nation destroying judgments. Whoever laughs at this, consider Puritan commentator Matthew Henry's words: *“Such as will not be taught the knowledge of God's glory by the judgments of his mouth shall be made to know and acknowledge it by the judgments of his hand.”* **Reject God's verbal warnings, and He'll be sure to give you the real judgments.**

11) GOOD NEWS IF WE RETURN TO God: “All we like sheep have gone astray, we have turned everyone to his own way, and the LORD has laid on Him the iniquity of us all” (Isaiah 53:6) Though these guilty parties have broken God's laws so they owe an eternal and enormous sin debt to God's justice for which they must forever pay by burning sufferings in eternal punishment (Isaiah 1: 27-31; 33: 11-15; 66: 24), God so loved the world that He gave His only begotten Son that whoever believes on Him - turning from their sinful ways and seeking forgiveness for their sins and deliverance from God's wrath they admit they rightly deserve, have God's guarantee that they are right with Him and restored to a right relationship with our Creator, our Father before we fell in paradise. God created us to have an eternal relationship with Him, to be loved by Him, to enjoy Him and all His wonderful goodness, bounty and love Him for it. He created and called us to be His holy, happy, healthy children forever. We owe Him eternal praise. Instead we were menacing, defiant, flagrant rebels who did not care what God said, who rejected His reign over us and effectively sought to destroy Him and His good reign over us. Psalm 49 rebukes wicked rich bankers and those like them, reminding them sternly yet in love that they owe God an eternal debt that no man can ever pay God for his sins: *“Those who trust in their wealth and boast in the multitude of their riches, none of them can by any means redeem his brother, nor give to God a ransom for him— for the redemption of their souls is costly, and it shall cease forever— that he should continue to live eternally, and not see the Pit.”*⁴³... *But God will redeem my soul from the power of the grave, for He shall receive me. Selah.* As the Bible based

⁴² As we wrote in our “Affidavit Concerning Evidence About Notes, Mortgages and Assignments” to the federal court (case # 13 - C V - 120 - V E H) in Jan. 2014: “THAT there are three (3) different alleged copies of NOTE and two (2) different alleged copies of MORTGAGE. Defendant's claim that all of these are copies of the originals is impossible to be the truth. They did not enter onto courts records “true and correct” copies of the original loan and mortgage.” That was before our adversaries mailed even more fraudulent/forged documents to us.

⁴³ The Bible in Isaiah 64: 4; Romans 1-5; Galatians 1-2, 5; Ephesians 1-2; et al says that we are not able to do anything to save ourselves: no religious works, prayers, tears, fasting, giving of money, et al can ever pay our eternal debt and purchase redemption. It would take us eternity- which is hell from which there is never any escape. We ourselves then can never appease God and His justice or give Him payment for our sins. But God in His great love with which He loved us in the most tender compassion and infinite mercy His heart yearns with for sinners like us provided full and free atonement by the life and sacrificial death of His own Son Jesus.

summary of the good news about Jesus in the Heidelberg Catechism Q& A's 1-19, 59-64 shows God alone could **redeem** us even as He alone could create us in the first place. Many Scriptures predicted various facts about the Messiah's being God, man, His birthplace, time of history (before the 2nd Temple was destroyed- Daniel 9: 24ff; Malachi 3 et al), rejection, sufferings, death, resurrection and current reign from the Temple of God in heaven over heaven and earth (for instance Psalms 2, 45, 47, 68, 72, 86, 110; Isaiah 7: 14; 9: 6-7; 44: 6; 52: 13-53: 12; Jeremiah 23: 1-6; Genesis 22 with 32 with Zechariah 3; Micah 5: 1-5, et al. He alone could live the perfect life we were called to but that we destroyed our ability to live by our sin and then He alone could suffer the eternal curse and fire we deserve for our sin. God, fully realizing human misery due to our sin, promised to provide an atoning sacrifice to make us right with Him (Leviticus 16; 17: 11; Isaiah 53 et al). As His Temple illustrates, there is only ONE way to be made right with Him: through the blood of the Substitute who would have His lifeblood shed for us in our place. So government and Americans generally must seek atonement through the substitutionary death of Jesus. **God's sword is clear: ONLY then will God return to its sheath the just Sword that is stretched out still over our land.** This is true as well for the rest of the world – Jew and Gentile/Israel and all the nations. *Only if Jesus' blood that paid the eternal debt is applied to the doorposts of our hearts as the Passover Lamb's blood was in Egypt will we find God's Exodus/Deliverance from eternal sin-indebted slavery and misery.* He ALONE can redeem us, His spotless, harmless, eternal God-man Son alone could and did pay the ransom for our souls. Psalm 49 therefore fits with Isaiah 53 that 700 years before Jesus walked the earth predicted that God's "righteous Servant" would "be cut off from the land of the living for the transgressions of My people"; that His "grave" would be with the "rich", that after He "poured out His soul unto death" the LORD would restore and reward Him so it could be said of Him: "He shall see His seed, He shall prolong His days, and the pleasure of the LORD shall prosper in His hand. He shall see the travail of His soul and be satisfied. By His knowledge by righteous Servant shall justify many for He shall bear their iniquities. Therefore I will divide Him a portion with the great, and He shall divide the spoil with the strong, because He poured out His soul unto death, and He was numbered with the transgressors, and He bore the sin of many, and made intercession for the transgressors." Therefore Isaiah 52 predicted as well both first His humiliation where "His visage was marred more than any man, and His form more than the sons of men" yet on the basis of His sufferings and bloody death that He "shall He sprinkle [cf. Lev. 16: 14] many nations", that of Gentile kings it would be true that "what had not been told them they shall see" and would "shut their mouths at Him" who God predicted would as His reward to Him "be exalted and extolled and be very high". Only one fulfillment of this is seen in the black and white Martin Luther⁴⁴ movie where kings were willing to give their lives before Roman Catholic Emperor Charles V for depending on Christ alone for their salvation and not their or anyone else's works. God having put His righteous Servant to "grief" and He having made "His soul an offering for sin", God placed His full seal of approval on Him and His atoning, reconciling work by restoring Him to life and highly exalting Him to His right hand (Psalm 2, 47, 68, 72, 110 et al) until through the teaching of His word all kings and nations finally come to own and bow before Him (Psalm 138: 4-5/Matthew 28: 16ff). THEN, after and on the basis of that eternal God-man's work, the Holy Spirit in Isaiah 55 proclaims the good news of free salvation without cost and without price to all of us who are by nature in Adam spiritually and morally bankrupt, leprous debtors and pitiless beggars: "*Ho! Everyone who thirsts, come to the waters; and you who have no money, come, buy and eat. Yes, come, buy wine and milk without money and without price. Why do you spend money for what is not bread, and your wages for what does not satisfy? Listen carefully to Me, and eat what is good, and let your soul delight itself in abundance. Incline your ear, and come to Me. Hear, and your soul shall live; And I will make an everlasting covenant with you—the sure mercies of David.... **Seek the LORD while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; Let him return to the LORD, and He will have mercy on him; and to our God, for He will abundantly pardon.***"

⁴⁴ **Jewish readers,** I realize the horrible things Martin Luther spoke against you and how so called "Christian" Nazis used it to excuse their inexcusable crimes against you and your loved ones! Please forgive him and do so considering how like Simeon and Levi that Moses in Genesis 34 records as being very violent and making Jacob/Israel "obnoxious" to the inhabitants of the land (Simeon probably being the instigator who brought his brother Joseph to be bound as well, 42: 24), yet they were still sons of Abraham, Isaac and Jacob and were able to be forgiven by God's provision of atoning sacrifice in Jesus. Any more than you would want Gentiles to reject the God of Jacob due to Simeon's or Levi's horrific sins, I implore you not to reject the God-Man Savior who "redeemed" Jacob (read Genesis 32: 22-32; 48: 15-16 et al) because Luther and others similarly did wrong. Look not at the straying sheep but "the LORD [who] is my Shepherd" (Psalm 23).
