

About Roy Moore's breaking the Ten Commandments & so much more

Read 2x for full impact.

Roy Moore broke the Ten Commandments by approving the unlawful foreclosure of my house though it was: 1) based on forged documents; our Sheriff's Criminal Report says the documents evidence "*first degree theft*" and "*second degree forgery*" at <http://anchoroftruth.org/wp-content/uploads/2017/09/Criminal-Forgery-Report-1.pdf> and <http://anchoroftruth.org/wp-content/uploads/2017/09/Forgery-Affidavit-Not-signed-sharper-version.pdf> ; 2) based on proven frauds; and 3) based on gross violations of our rights to trial by jury, due process, justice, and others.

Moore swore to uphold our rights but violated them. By violating his oath, he broke the Third Commandment; by breaking the founding father's supreme law, he broke the Fifth Commandment (1 Peter 2: 13); and by approving the theft of our house, he broke the Eighth and Ninth Commandments.

Instead of following justice, he followed a crowd of thieves and their companions to pervert it. As proved by county court's summary judgment at <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfPhilSeayGrantingSummaryJudgment10202014.pdf> Moore broke the rule of law by approving a summary judgment despite material issues being in dispute (e.g., no trial by jury though demanded, forgery and frauds).

He played the hypocrite because years before ruling for the foreclosure, he read from the Bible from Jeremiah to warn that in 911 God struck America for idolatry, murder and homosexuality and that if we did more sin more wrath would result. Yet he himself did the very things Jeremiah declared its rulers "wicked" for: forgery (8: 8) and not "defend"ing "the right of the needy" (5: 28)! Jeremiah indicted rulers who claimed: "the law of the LORD is with us" yet "rejected the word of the LORD" (8: 9) by "hold[ing] fast to deceit" (8: 5, 8). Moore deliberately broke God's and America's laws for his name is on the letter that approved of this unlawful foreclosure - see <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfAlabamaSupremeCourtSummaryAffirmanceOfFeb122016Unrighteous.pdf> .

Moore wants courts and America to repent so more wrath does not fall. Let him show his sincerity by leading in it like Josiah, seeking Jesus to pardon his own sin here. Let him prove sincere by restoring us.

He quoted Jeremiah, so do I. 7: 17-20 says: "*The children gather wood, the fathers kindle...fire, and... women...make cakes for...other gods, that they may provoke Me to anger.... Do they not provoke themselves...? Therefore...My...fury will be poured out...it will burn.*" As children, fathers and women in unison worked to refuse to obey God to their own destruction, so 1) bankers by unlawful money, loans, and documents, 2) government (including Moore) by unlawful enforcing of these unlawful acts and 3) a silent media that covers up the unlawfulness – all work in unison to refuse to obey God to their and America's destruction. FORMAL NOTICE: Lives & properties are at stake. Scripture (Lev. 19: 17-18; 5: 1; Ezek. 3; 33 etc) requires that whoever sees/learns judgment/a sword has or is coming must warn their "people". If they do not, God's law and man's says they incur guilt & liability for any lives or properties lost and God says He will require his/her/their life for those they failed/refused to protect. If you do not report this, the record will show it. God (and I) will hold you personally responsible. Notice to agent is notice to principle; notice to principle is notice to agent. A hue & cry is hereby raised. By God's and America's supreme laws, I've met the burden of proof (Deut 17: 6; 19: 15; Jn 8: 17; Constitution Art 3, Sec 2) so the message herein is established.

Rev. James Graveling

Moore's guilt is great for 1) he knew I claimed that as Elijah prayed for drought, I prayed half an hour before 911's first events for those events to call us back to God in Christ Jesus; during his review of my proposed letter to inform President Bush of my 911 prayer and God's answer Moore cited Jeremiah 5's warning I then included in that letter as shown by <http://anchoroftruth.org/wp-content/uploads/2017/10/ScanOfOpenLetterToPresidentBush2006.pdf> ; 2) he received 2 affidavits that together told that 911, 2007's drought and 2008's Great Recession were all God's judgments to call us to turn back to God through Jesus and that gave firsthand personal testimony I and or others had prayed for these events. One is at <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanAffidavitOfJamesAndLoriGravelingReHouseAndPrayerForSupremeC.pdf> and the other is in 2 parts at <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfLetterToAlaSupCtExhortationToInterposePart1.pdf> and <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfLetterToAlabamaSupremeCourtExhortationToInterposePart2> . In October 2015, before appealing to his Court, after *Obergefell v Hodges* made America like a Sodom & Gomorrah, I wrote urging Alabama's Supreme Court to interpose against that ruling lest God bring more wrath. To give biblical confirmation God had judged in 911 and said Recession, I gave a copy of the signatures my congregation members gave to affirm they witnessed my prayer for 2007's drought (after Moore was persecuted for acknowledging God and His Law). As I wrote the Court, those signatures confirm my claims about 911 because Scripture says God does not answer the prayers of those who "regard iniquity" in their hearts: if I was lying about 911, God would not have answered my prayer for 2007's drought.

Moore knows America is guilty of the same 4 great sins Israel was (Isaiah 1 et al) and that those sins brought destruction on them. God's standard operating procedure with nations is "*for three transgressions of [any nation] and for four, I will not withhold punishment*" (Amos 1-2) where God refers to nation-breaking or devastating punishment. Moore rightly opposes idolatry, abortion and immorality but engaged in this fourth sin of fraudulent currency and its resulting frauds and injustices God and our founder's warned us against and that despite being warned our foreclosure case effectively warned of more judgment.

Scripture requires me to warn my country if I see a sword coming: I warn: it has and will unless we repent. <http://anchoroftruth.org/GodsAmerica> proves how serious this 4th sin is: the general equity of God's and America's laws warn this sin requires death (especially for guilty government parties) because it results in involuntary economic slavery. Scripture and logic show unjust currency and loans results in such slavery. Israel's unjust money resulted in every species of fraud, injustice and "everyone" in government being corrupt.

Moore himself quoted God's word about this to me years before, saying if "everyone" deals falsely from least to greatest, if not "a man" "executes justice", then God asks: "Shall I not punish them for these things? Says the LORD. Shall I not avenge Myself on such a nation as this?" (Jeremiah 5: 29) Yet Moore himself with others filled out the "everyone" in America. Therefore let all America know from this true and sworn message: God's word and Moore's acts along with others reveals that America teeters on the brink of nation-destroying judgment.

After Moore did wrong, we petitioned America's Supreme Court for redress, sharing the wrongs and warning that unless they did right, America could suffer more judgment. But it too did wrong, thereby proving Jeremiah 6: 13 is as true of America as Judah: "from the least of them [county court]...to the greatest, everyone...deals falsely." (6: 13; 8: 10). Thus God says He will "punish" America, will "avenge" Himself "on such a nation".

Observing all this corruption, our family was greatly concerned for souls, for America and for our claims to be vindicated for God's glory. So on April 29, 2016 our family appealed *like early American pastors and founders* to God as "Supreme Judge of the world" for fire and drought. I prayed before Sheriff Surles on a recorded call: "[James:] One...thing...I...told you...is that...the Lord's answered prayers....I don't know if you remember the story about Elijah...? [Sheriff:] Uh huh [yes]. [James:]...God proved Himself and what His servant was saying...by answering...prayer. So... I'm going to pray like

Elijah ...and the public heard it I'm going to do that with you as a public servant and you can hear it and we'll see if God answers: "Father...I pray You would glorify Your Son Jesus. You know what's... going on... You know whose doing... right....I pray you would be gracious to glorify and vindicate...Jesus ...Your...Messiah...Savior of all who seek Him....vindicate my claims about His answering prayer with the judgment for...911. I pray...answer...like You did for Elijah by fire, so...everyone can see You are the one true God, Father, Son and Holy Spirit, that You hate, You break the capstone of mammon and deceptive fraud...I'm suffering from... that...You...appointed Your Son Jesus to be ...Savior and...Lord of the nations...to be the Chief Cornerstone, and for the world, law...judges, attorneys, everybody to serve Him as You commanded....in Psalm 2.... You promised...all who come to Him...find joy, peace, eternal...abundant life in Him....I ask this...that you would show the sheriff that he can do the right thing...he should know already but I ask it in Your name and by Jesus blood. Amen." [Sheriff:] "Okay." "Thank you James."

<http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfEmailLinksTo3FiresFromABCNewsThatOccuredApril292016WithMa.pdf> shows the fires - 2 of 3 reportedly by lightning God controls. SECOND, our family prayed for drought: *Lord You know we are not lying! Help us Lord!... perhaps its time You bring another drought to confirm what we are saying is true! You did answer our prayers for drought in 2007, yet even Roy Moore and America's Supreme Court they all ignore all the evidence and refuse to do right - so we are coming under more of Your wrath for these four sins. They won't listen! Oh Lord, bring another drought to confirm what we had been saying to the courts: 911 and 2008's Great Recession were for our three great sins and this fourth sin is putting us on the brink of disastrous greater judgments, so that they must know they as courts must repent! Vindicate us Lord! Have mercy on us".*

<http://anchoroftruth.org/wp-content/uploads/2017/09/SCANOfExhibitAThatIsInSupportOf2016DroughtGravelingFamilyPrayed.pdf> shows signatures from congregation members who as firsthand witnesses recalled my praying for the drought the Lord Jesus gave in 2007 in answer. After being turned out of our home, our life was overwhelming. Not until November 2016 did my family and I remember we prayed for the drought. Signatures of family members who remember praying for it are at <http://anchoroftruth.org/wp-content/uploads/2017/09/SCANOf2016DroughtGravelingFamilyPrayedFor.pdf>

Through the Jeremiah that Moore quoted God says to Moore and America: *"among My people are ...wicked men; they lie in wait as one who sets snares; they have become great and grown rich....; they do not plead the cause...of the fatherless...and right of the needy they do not defend. Shall I not punish them for these things?'"... 'Shall I not avenge Myself on such a nation as this?'"* A godly pastor also quoted Jeremiah here to me yet sits in prison today because of judges like Moore whom the prophet's words call to repent for being a companion of thieves. To obey God, I have hereby warned, exposed, reprovved and called to repent and have done so publicly to obey God's extra-ordinary command for nations in later stage, severe hardness: *"I set watchmen over you, saying, 'Listen to the sound of the trumpet!' But they said, 'We will not listen.' Therefore hear, you nations, and know, O congregation, what is among them." Hear, O earth! Behold, I will certainly bring calamity on this people...because they have not heeded...My law but rejected it."* (6: 17-19).

God answered by fire and drought to vindicate His Son Jesus and for us to tell everyone: we "must repent!". Before more wrath falls, let each and all together humbly consider our hearts and lives before God's law (Exodus 20 et al), turn from sin, seek cleansing from them and escape from the wrath we deserve by looking to God's Savior Jesus alone who in undeserved love for sinners like us gave Himself to die in our place, taking the blame, shame and sorrows we deserved. Heidelberg Catechism Q&A's 1-19 summarizes God's word that He alone being fully God and man could and did live a perfect life so His righteousness can be freely imputed to us and He alone could suffer the eternal wrath we deserve for rebelling against our good Creator so we might be totally forgiven. Jesus restores individuals, families, and nations to a right relationship with God. Read Isaiah 52: 13-53: 12; 55: 1-7 and 2 Corinthians 5: 9-21.

God by Word and providence showed me things His word says I must share. I have in this hue & cry that makes you morally & legally responsible to share this with America. GodsAmerica proves those who do not do so are liable to God's and man's sanctions. 07's drought, the Recession, '16's drought and the fires could have been prevented had media shared my report about 911. If you do not report this, you are accountable for any future loss of life or property from God's judgment. Further, if you do not report this, if any suffer eternal wrath, God will require their soul's blood at your hand (Ezek. 3/33).
