From: james-frederick: graveling who is an ambassador of Messiah King Jesus (whom America's founding father's and ratifying states Constitution calls "*our Lord*"- because only through Him can individual souls or America be made right again I enclosed "Is God Your Greatest Friend?"), who is a flesh and blood man on the land – not a legal fiction, corporation or federal employee but made by the Creator of heaven and earth revealed in creation and the Bible's sixty-six books, and who is **required** by God's word (Gen. 2:15; the Eighth Commandment, et al), Christian common law and America's supreme law to act as general executor of his estate and the only Authorized Representative (A.R.) to take care of both the all capital letters JAMES FREDERICK GRAVELING estate and Trust entity known – ACCT # 363-82-4438 – and as well (by requirement of Scripture law, the common law and express coverture agreement between himself and his wife Lori Jane Graveling) the all capital letters Trust entity known as LORI JANE GRAVELING - ACCT # 152-72-7349;
c/o Daniel Jones, Notary Public 1338 Canterbury Ct Anniston Alabama 36207.

To: Pamela Blocton Revenue Examiner/State of Alabama Department of Revenue 50 North Ripley St Montgomery Alabama 36132, all successors and assigns and related parties in banking and government syndicate, via USPS Certified Mail Return Receipt # 7011 2970 0000 7180 1086.

Courtesy copy to Cleburn County Sheriff 140 Lambert Dr. Heflin Alabama 36264 via US Certified Mail # 7011 2970 0000 7180 1093:

NOTICE SHERIFF: THIS ALLEGED TAX DEBT HAS BEEN AND IS DISPUTED AND THE RECORD SHOWS NO VERIFICATION OF THE ALLEGED DEBT HAS EVER BEEN GIVEN SO THE STATE OF ALABAMA IS IN VIOLATION OF LAW; I URGE YOU NOT TO PARTNER WITH THEIR VIOLATING THE LAW IN UNAUTHORIZED/LAWBREAKING DEBT COLLECTING so that you may instead keep your oath in God's Name/affirmation before God to uphold my rights per Constitution Art. 6.

This is a **follow up letter** to my "**AffidavitResponseToStateOfAlabama04242019LetterReAlleged2011TaxDebt**" mailed Pamela Blocton/State of Alabama via USPS Certified Mail Return Receipt # 7011 2970 0000 7180 1055 which dealt both with your letter dated April 24, 2019 and your letter dated May 1, 2019.

1. I herein continue to strive to be at **peace** with you as much as it depends on me (Rom. 12).
2. Formal Notice: The record shows that so far though I gave written requests according to law for verification of the alleged tax debt for 2011 that you either failed and or refused to provide it: you have not given VERIFICATION.
3. Thus the record shows you are in violation of the Fair Debt Collection Practices Act - such as **1692g(b): "...the debt collector shall cease collection of the debt, or any disputed portion thereof, until the debt collector obtains verification of the debt..."** **and more importantly God's Third, Fifth, Eighth and Ninth Commandments:** for the Third was broken because you were required by the founder's Constitution Art. 6 to swear an oath in God's name or affirm before Him to uphold our God given rights guaranteed in said Constitution; the Fifth because you were/are required to obey the "*supreme*" law of the land (1 Pet. 2:13) but have violated our right to private property, just compensation, justice, tranquility and pursuit of happiness et al; the Eighth for the record shows you are involved in seeking to steal from us; the Ninth which forbids deceit which the record shows you have been involved in against us.
4. I reiterate: You neither have ever given any lawful grounds as to my owing you this alleged debt for 2011

by your proving I owe you this pursuant to my status¹ nor by proving that if you allege I owe you this amount, then on what basis you allege I owe it to you for. You have not given any verification of these matters.

5. **Therefore all debt collection activity** – including litigation and or sending the Cleburn County sheriff or any other action to seize and or lien property we may have remaining to us (after the State of Alabama's courts approved of the theft of our home via forged documents and extortion) **is to cease per Fair Debt Collection Practices Act.**
6. The record shows I have been more than willing to give my hard earned funds for any and all lawfully owed taxes but that you have failed and or refused repeatedly to give any verification for the alleged debt.
7. The record shows that I wrote you about this matter repeatedly and in the form of affidavits/sworn to in God's Name writings containing my assertions.
8. The record shows you and or the IRS formed implied in fact contracts with me² by failing and or refusing to rebut timely my said affidavits so that according to the authoritative laws and rulings of God and man

1 See your files for my "AffidavitResponseToStateOfAlabama08062012Letter" in which I wrote so as to make it clear: "That we are not the all capitals legal fiction entities/persons indicated on your letter "JAMES F. & LORI J. GRAVELING". Nor are we on the federal zone, District of Columbia political subdivision.", "That we hereby rebut your presumption that we are "Dear Taxpayer" under the "State of Alabama Department of Revenue". We are not statutory, District of Columbia or US citizens nor thus citizens of the State of Alabama (which is a political subdivision of the UNITED STATES/US). Rather we are Citizens of the state Alabama (not to be confused with the State of Alabama). Both James F. Graveling and Lori J. Graveling as people of the state Alabama declare that we are citizens as considered under 8 USC 1121 and 8 USC 1452 (non resident, state citizens) and not statutory citizens as described in 8 USC 1401. This citizenship matter is most pertinent to the matter at hand. Under the Foreign Sovereign Immunities Act (90 STAT. 2891 Public Law 94-583 94th Congress, Title 28, §§ 1330, 1332, 1391(f), 1441(d), and 1602-1611 of the US Code, you may be sued in U.S. courts—federal or state for violating our rights...." "That if we have ever knowingly waived our rights, we rescind such waiving and claim all God given rights. I have the right by the Common Law not to be compelled under any commercial agreement that I did not knowingly, voluntarily and intentionally enter into. If full disclosure was not given to us, the agreement is null and void. By reserving all my rights, I can compel any prosecutor in any case against me to file a valid "verified complaint" in which he would need to bring forth a "party injured by my actions". Without an injured party who has demonstrable loss as well as two or three witnesses, there is no standing on the part of the State of Alabama." "....Even if you have Alabama statutes saying you can tax STATE OF ALABAMA citizens, as we have made repeatedly clear to you, we are not such STATE OF ALABAMA/statutory citizens. Because we are not under your jurisdiction, we are not subject to your taxes, collections, time frames and the like. As the Declaration of Independence made clear, we have the right of self-determination which also involves what our citizenship will be. And, as Hooven & Allison Co. v. Evatt 324 U.S. 652 (65 S. Ct. 870) April 9, 1945 and other like cases have ruled, there is more than one citizenship Americans may choose from (see exhibit 11- titled HoovenAllisonCoVEvattANDDownesVBidwell). It is our Creator given, unalienable right to choose not to be part of the State of Alabama. And the Constitution restricts you from forcing us to be part of/citizens of the State of Alabama or then as its citizens to pay taxes to it. You have no right, authority or power from the Constitution to force, coerce, or pressure us (as you seek to do by threatening letters as you have sent- which is surely oppression) to make us surrender our rights and or become State of Alabama citizens. Chief Justice Marshall said "*To what purpose are powers limited, and to what purpose is that limitation committed to writing [in the Constitution], if these limits may, at any time, be passed by those intended to be restrained? The distinction between a government with limited and unlimited powers is abolished if those limits do not confine the persons on whom they are imposed, and if acts prohibited and acts allowed are of equal obligation.*" We have given no consent to your seeking to make us STATE OF ALABAMA citizens. Without the consent of the governed, you have no right to govern us (Declaration of Independence). We have an unalienable right to our property and our energy which went into procuring our estate/property. We demand you provide constitutional authorization allowing you to charge income tax without our consent. Any purported statute would be in conflict with the Declaration of Independence, Constitution and Bill of Rights (as well as the founding father's and their fellow leaders thinking (see exhibit 12 quotes from "Political Sermons of the American Founding Era") so that as Supreme Court ruling in Marbury v. Madison said: anything repugnant to the Constitution is null and void of law. Thus, you have no authority or right to seize anything." "That the above mentioned exhibit 10 (W-8 BEN amended form) indicates that we are not under your jurisdiction, that your statutes do not apply, and thus you cannot charge us taxes nor place liens against us or our estate. Therefore we insist that you immediately remove the liens that you previously placed on us and our estate. You have acted without authority of law" "That the State of Alabama's authority is neither enumerated nor authorized from or under the Constitution; only by means of offering a contract which James and Lori Graveling may or may not accept and enter into could there be what might be a lawful contract between us." "That no one can coerce James and Lori Graveling into a contract. Only by the consent of each party can a contract be formed." "That if there is no contract between the State of Alabama and us (and any former one having been rescinded), then neither is there Constitutional nor contractual warrant obligating us to alleged taxes, nor does the State of Alabama have any right to assess alleged tax debts on us, nor to collect said tax debts." "That since entering into said contract is a voluntary matter, so is the subjecting of oneself to any income tax a voluntary matter. That for the State of Alabama to proceed with collections of alleged tax liabilities is to change something from voluntary into mandatory." "That only those

you agreed with me to the following assertions so they are contract terms/obligations:

1. you have not provided verification of the alleged debt;
2. therefore you engaged in unauthorized debt collecting acts against me;
3. the IRS owes me for refunds from years 2008, 2005, 2006 and 2007; proof of this I mailed you in my last correspondence with the enclosed copy of **Exhibit 33** concerning 2008. I mailed this again State of Alabama and courtesy copied Cleburne County Sheriff. Note about **Exhibit 33**:
 1. **Said Exhibit along with my 2008 1040** (available on request or ask the IRS) prove that both my and the IRS' calculations for my 2008 refund **matched**; the IRS received, reviewed and gave their writings showing they agreed that my 2008 1040 and its supporting 1099 OID forms (ask them for copies if you do not have copies) rightly reflect the just compensatory "**dollar for dollar**" refund/"**CR**" I am lawfully due in the amount of \$120,001; the IRS did not send my 1040/1040Xs back asking "We never saw this before - what is it?" or "That is not the correct use of 1099 OID forms", no, said Exhibits prove the IRS fully recognized the lawfulness of my refunds. Further, said Exhibits concur with reports I received of tens of thousands of Americans processing for and or receiving said refunds on the same grounds.
 2. **Said Exhibit et al prove the IRS had no right/authority in law to tax my refund: God's, Christian common law and America's supreme laws, logic and a native sense of justice** (for those with a conscience spared the searing that those who have given themselves over to lawbreaking suffer) show **there is no right or authority for the IRS -after admitting I was owed a \$120,001 refund to then turn it into a tax. There is no authority in said 3 laws to tax a refund**; and, even if there were, to tax the refund (120,001) with an amount (159,027) greater than the refund shows foul play/fraud. This already shows the IRS without authorization taxed my refund and "**changed**" the credit their writing admitted was owed me without any authority. Said Exhibit shows said refund was placed in my "**Account**" as a credit. Yet the IRS "**changed**" said credit/refund to a debit/tax. **No one** has any moral authority to "**change**" someone's refund owed them into an alleged tax owed government; that is called stealing (the technical term here is stealing by "conversion"). And if no one had any moral authority to do so, then the act was unauthorized, immoral and unlawful. No third party can lawfully convert or donate private property to a public use, public purpose, or public office without the owner's knowledge and express consent. If they do, they are guilty of theft and conversion, and especially if they are acting in a quasi-governmental capacity. In its larger context God in these Exhibits is revealing the parallel between America and ancient Israel in Jer. 34. Because as I show, the IRS's criminal "**change**" of my refund which was

who are liable to pay federal income taxes are liable to State of Alabama taxes...." "That we have no knowledge whatsoever that we have any obligation to pay any State of Alabama alleged taxes. If you disagree, prove that we are citizens of the State of Alabama and that we are obligated to pay such taxes. Reminder: just because we live on the union state Alabama does not mean we are citizens of the State of Alabama. And if not citizens, does it not follow that we are not subject to State of Alabama alleged taxes and to collection activities?"

2 According to law, the implied contract you made with us by your silence, acquiescence and failure or refusal to respond stands and has full legal and lawful binding force and authority. We have a contract. Under the Constitution for these united States of America, our power and right to contract is unlimited - see the following: the UCC; the never overturned *Hale v. Henkel* 201 U.S. 43(1906), (p. 201 U. S. 74 " *The individual may stand upon his constitutional rights as a citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to criminate him. He owes no such duty to the State, since he receives nothing therefrom beyond the protection of his life and property. His rights are such as existed by the law of the land long antecedent to the organization of the State, and can only be taken from him by due process of law, and in accordance with the Constitution. Among his rights are a refusal to incriminate himself and the immunity of himself and his property from arrest or seizure except under a warrant of the law. He owes nothing to the public so long as he does not trespass upon their rights.*"); see as well the case *Ballard County v. Kentucky County Debt Commission*, 290 KY 770, 162 S.W.2d 771, 773: " *The judicial system must respect the past and to adhere to these precedents and not unsettle things which are established.*"; and see the Constitution Article 1, Section 10: " *No state shall...pass any bill of attainder, ex post facto law, or law impairing the obligation of contracts*". Thus "*stare decisis*" as Black's Law Dictionary gives the definition applies: "[t]o adhere to precedent and not to unsettle things which are established". And, so do the Constitutional requirements apply: " *Full Faith and Credit shall be given in each State to the public Acts, Records, and judicial Proceedings of every other state.*" (Constitution, Article IV, Sect. 1) And " *The Citizens of each State shall be entitled to all Privileges and Immunities of Citizens in the several States.*" **Therefore, since we have a contract, I require you under law to abide by it and thus to cease and desist every effort to collect alleged debt.**

guaranteed me by law and was to proclaim liberty to me from debt slavery parallels Judah's princes in Jer. 34 who likewise admitted the law required them to "*proclaim liberty*" to their people/slaves but they too "*changed*" from proclaiming liberty to effectively putting them under the burden of having to go on being their servants. But viewed in context of God's law and said two republic's supreme laws, guilty parties in both governments brought themselves under a mandatory death penalty (Ex. 21: 16; Deut. 24: 7; Amos 2: 6; 8: 6; 1 Tim. 1: 10ff; Heb. 2: 2 et al; Constitution Art. 1, Sec. 8, 10 et al and the 1792 Coinage Act, Sec. 19) for man-stealing other's lives, plundering their labors, energies and time by said "*change*".

3. **Said Exhibit reveal the IRS' math which confirms these points:** for consider: a) that the IRS was required by law – *both God's as our Declaration of Independence affirms in its words "the Laws...of...God" where God's 3rd, 5th, 8th and 9th Commandments, 1 Chron. 21, et al apply as well as man's law where the Fifth Amendment's "just compensation" guarantee and Statutes at Large 48, 48, 112 et al apply* - to admit the law's requirement that said refund was owed me; b) so, while it is true their writings show the IRS without authorization assigned an alleged tax to overwhelm the refund by 159,027 as an alleged tax, yet c) the same Exhibit shows that in their math they were still required to respect the lawful basis of and the accuracy of my refund for they treated the CR of 120,001 as lawfully owed me so they subtracted it from their alleged tax of 159,027; then - after also adding an unauthorized interest of \$201.52 – the IRS arrived at the alleged sum of 39,227.52 for me to owe them as an alleged tax debt.
4. **Said Exhibit also prove the IRS' unauthorized debt collecting:** for said Exhibit clearly shows the IRS began debt collecting already in 2009 by requiring me to give alleged tax and interest by a certain date or threatening I would suffer "*additional penalty and interest*". By its name/reputation the IRS overshadows Americans and its demands ever carry with them an implicit threat of sanctions if one does not give to their collecting demands. The IRS' unauthorized debt collecting acts were more overt in later letters by threats of prison, fines, penalties, interest, reputation harm (by talking to others, et al). Yet said Exhibit proves that from the start all said debt collecting was unauthorized and **unlawful**. **In fact, in context of said 3 laws and our founder's words, the IRS' undermining our rights in this way after government took away the private property of our "Money" of "gold and silver Coin" the founders alone authorized and guaranteed as "a Tender in Payment of Debts" and after forcing us to take paper debt money so they owed us "just compensation" in "dollar for dollar" discharge/refunds owed us as the IRS' writing in said Exhibits admitted, yet the IRS "chang"ed the refunds into debts owed them, and then engaged in hundreds of unauthorized debt collecting acts, the IRS and their superiors I wrote to but who also connived at the IRS' lawbreaking acts placed themselves all under the mandatory "suffer death" penalty.**
5. **Said Exhibit confirms the lawfulness and accuracy of my refunds for 2005, 2006 and 2007:** to see this, one merely needs to compare and review (A) said Exhibit with my 2008 1040 and (B) my Exhibits of my 2007 1040 as well as 2005 and 2006's 1040Xs. Such a review will prove all said 4 years were based on the same truths, facts and premises in law and followed the same calculation process to determine the refunds owed. Therefore, because the IRS expressly admitted that based on my 2008 1040 and its supports I was owed a 1099 OID refund of \$120,001, good and necessary inference requires that I was also owed then refunds for the other said 3 years. Because said Exhibit matches and confirms my 2008 1040, said Exhibit then by good and necessary inference also confirms in principle the refunds for 2005, 2006 and 2007.
6. Exhibit 33 is applicable to the alleged 2011 tax debt matter for it shows the IRS/US government of which the State of Alabama is a territory, franchise and or subsidiary in fact owes me yet unlawfully converted/stole my refunds; yet as the entire record shows the State of Alabama unlawfully and without authorization has proceeded against me.
9. The record shows this matter is in **estoppel** which precludes "*a person from denying or asserting anything to the contrary of that which has, in contemplation of law, been established as the truth, either by the acts of judicial or legislative officers, or by his own deed, acts, or representations, either express or implied.*" (Wikipedia).
 1. The facts that you suffered no loss and you have provided no verification of the alleged debt are NOT in question but have been firmly established by your acts/lack of acts.

2. All asserting or presuming by you that you suffered loss and or have verified the alleged debt is entirely precluded given the truths that have been established pursuant to the requirements of God's law at Ex. 20:7 with Lev. 5:1 with Lev. 19:17 with Num. 30 with John 18:23 with Heb. 2:2 and 13:8 et al as well as your analogous Uniform Commercial Code 1-308, 1-103, 3-50f, 3-419, 3-501, 3-505 as well as court cases and other citations of authorities given you before.
3. I requested in earlier affidavits that you verify the alleged debt and provided ample time for you to do so. I stated in effect that your failure and or refusal to provide timely verification would be your lawful, binding agreement with and admission to the fact that everything in my affidavits is true and accurate.
4. I believe I would have written you and or the IRS that your failure to perform as I have herein requested would show bad faith and establish that you were used abusive, deceptive, false and unfair collection tactics against us as consumers. Further, that if you would remain silent and or were unable to verify the debt as required of you by law and authorities, then the doctrines of estoppel by acquiescence and tacit admission would come into play whereby the alleged tax debt would be admitted by you to be invalid, a nullity, unenforceable and so repudiated in its entirety from the start and you would have given evidence of intent and act to violate our God given rights. By your failure and or refusal so to give said verification you have thereby shown these very things.
10. **Now again** I declare according to law and authorities that because this is a sworn to in God's Name matter therefore the requirements of the Third Commandment (which have been confirmed also by man's laws in centuries of Christian common law and or its maxims of laws, and which law of God and common law America's supreme law requires be followed (cf. Seventh Amendment and Art 6, et al) and the same requirements relating to an affidavit/sworn written matter has as well been affirmed by Supreme Court cases and other authorities cited to you and or the IRS earlier SO THAT your failure to perform as I have herein requested will yet again show bad faith and again establish that you were not only but also are using abusive, deceptive, false and unfair collection tactics against us as consumers. Further, if you remain silent and or were unable to verify the alleged 2011 tax debt as required of you by law and authorities, then the doctrines of estoppel by acquiescence and tacit admission will again come into play whereby the alleged tax debt will again be admitted by you to be invalid, a nullity, unenforceable and so repudiated in its entirety from the start and you would have given evidence of intent and act to violate our God given rights from the start. This Notice of Dispute requires your written response to us specific to the subject matter (with particularity). Your failure to respond within thirty days, as stipulated, and rebut everything in this letter with which you disagreed is your lawful and binding agreement with and admission to the fact that everything in this letter is true, correct and lawful. Said failure and or refusal will as well constitute your irrevocable agreement and attestation to the fact that anyone alleged tax or related debt is now and shall forever be considered entirely satisfied, nothing owed. And such irrevocable agreement by default is fully binding on you or your heirs, assigns or any related parties in any court without your protest or objection or of those who represent you. Your silence is your acquiescence and your confirming the words I have sworn to in God's Name herein (Num.30; cf. Connally v. General Construction Co., 269 U.S. 385, 391. Notification of legal responsibility is "*the first essential of due process of law.*" Also see US v Tweel, 550 F. 2d. 297. "*Silence can only be equated with fraud where there is a legal or moral duty to speak or where any inquiry left unanswered would be intentionally misleading.*" If this letter is not answered as I have required by lawful authorities then it stands as truth and proof of my claims in any court.
11. **That I am preparing to take this matter to court against you.**
12. That in **negative averment** I ask: it is not truth and a fact that there is no evidence to contradict the assertions that:
 1. the definition for verification (and the related "verified") as well as the related term validation is as follows: "**Verification.** Confirmation of correctness, truth, or authenticity, by affidavit, oath, or deposition. Affidavit of truth of matter stated and object of verification is to assure good faith in averments or statements of party. *Sheeley v. City of Santa Clara*, 215 Cal.App.2d 83, 30 Cal.Rptr. 121, 123. Sworn or equivalent confirmation of truth. For example, a verified complaint typically has an attached affidavit of plaintiff to the effect that the complaint is true. In accounting, the process of substantiating entries in books of account. *Black's Law Dictionary*, 6th Edition, page 1561."
 2. The record shows that said debt collectors never provided us a wet ink signature notarized affidavit sworn to be true, correct and complete (equivalent of the truth, whole truth and nothing but the truth) for such verification?

3. neither the IRS nor State of Alabama provided verification of the alleged tax debt?
 4. because the record evidences my repeated requests for verification of alleged tax debt yet to this date, I am not in receipt of any such verification neither the IRS nor the State of Alabama have any right to take any actions to collect alleged debt
 5. neither the IRS nor State of Alabama therefore have any standing;
 6. both the IRS and State of Alabama repeatedly violated the God's Ten Commandments, Christian common law, America's Supreme laws, the FDCPA and your UCC despite the IRS and State of Alabama's required oaths/affirmations to God – thereby jeopardizing body and soul temporally and eternally to His wrath if you as said parties do not keep their word- to uphold our rights (I am trying for your temporal and eternal welfare to help prevent you from suffering God's wrath and from bringing more of it and thus His wrath on our land)
 7. you are required by law to produce verification of a lawful and non-fraudulent contract³ in connection with which I was given full disclosure and thereby gave my fully informed consent to enter into a contractual arrangement with you whereby you can rightly and lawfully (by said 3 laws) claim I owe you taxes?
 8. without such verification you have no proof of claim and thus no standing in any court?
 9. neither the IRS nor State of Alabama has thus proven any injury or damage
 10. therefore said parties are estopped from debt collection activities by said authorities?
 11. I have repeatedly stated in former correspondence that you were to provide requested verification and that if you did not do so, your failure or refusal to do so would constitute evidence of your bad faith and intent to defraud me and my estate?
 12. you have repeatedly failed or refused to provide the verification requested within the time specified?
 13. you do not have any witnesses who will testify under penalties of perjury to give verification of the debt?
 14. you have repeatedly violated our rights (especially due process) and said laws and or authorities by attempting to collect an alleged but unvalidated though requested debt?
13. **NOTICE TO CEASE all debt collection activity** – including litigation or sending the sheriff to seize and property we may have remaining for **Fair Debt Collection Practices Act section 1692g(b)** states: *“...the debt collector shall cease collection of the debt, or any disputed portion thereof, until the debt collector obtains verification of the debt...”*
14. **NOTICE OF DEFAULT.** This notice of default follows former written requests for you to provide verification of the alleged debt at issue. I further request by the authority of the Fair Debt Collection Practices Act and more importantly the 3rd, 5th, 8th and 9th Commandments of God (Exodus 20) that you provide me Congressional Acts agreeable with and authorized by the laws of God, Christian common law and America's supreme laws to lay this direct tax on my alleged income. By the authorities herein mentioned I inform you again that holding your peace/silence is your acquiescence and is tantamount to your acceptance. This matter is thereby settled as to the requirements of law. The failure of a response given by you establishes this matter to be at an estoppel. Therefore the only response, if one is given, is

Is God Your Greatest Friend

Ecclesiastes 3: 11 says: “[God] has put eternity in [our] hearts....”
Because you have eternal need, I share “the eternal good news”.¹

“But you, Israel, are My servant, Jacob, whom I have chosen, the descendants of Abraham My friend.” Isaiah 41: 4

Imagine the day after you are buried: your body dressed in a casket is 6' under.

Where will your soul be? Enjoying God? Or enduring His anger and wrath?

God is love. And He created us to BE LOVED and to LOVE: God created us to be loved by Him and one another and to LOVE Him and one another! Think about that: to perfectly love Him with all our heart, soul, mind and strength- our whole being every moment and to hate and never even have the least desire for anything evil. As well, He created us not only to never do any harm to our neighbor but to love him as much as we love ourselves, doing to him just what we would want him to do to us.

Can you say that you have lived up to that LOVE purpose God created you for? God says that those who love Him and their neighbor as required express their love by keeping His Ten Commandments. I've paraphrased them here for you so you can check yourself against them:

- 1: no idols: nothing more important than Me; fear, desire, trust, obey, love nothing and no one more;
- 2: don't come up with your own thoughts of who I am, receive Me as I'm revealed in My Word and in creation;
- 3: don't dishonor My Name;
- 4: rest on My Sabbath day, work diligently the other six;
- 5: honor lawful authority;
- 6: don't kill or harm others whether by desires, thoughts, looks, or deeds;
- 7: sex is only for a husband and wife;
- 8: don't steal;
- 9: don't lie;
- 10: desire nothing I've not appointed for you.

Well, are you, have you always been the perfectly loving person God created and requires you to be?

Are you guilty or innocent before God? God says that “all have sinned” (Psalm 14; Romans 3) and “the whole world stands guilty” before Him. None of us then, according to Him, are “good enough” for God.

Many try to escape their guilt and fear of God's wrath arguing evolution proves there's no God. This spectacular universe, our bodies- all working so well – God made. We didn't. Blind impersonal chance or evolutionary explosion didn't bring everything from nothing. The Bible and good science (such as Creation.org or AnswersInGenesis.org) says God did.

Others say: I can't believe in a God who would punish people in hell. Just because a guilty party does not believe in a judge who will punish him does not mean he will not be punished. Psalm 7 says: “God is a just Judge, and God is angry with the wicked....If he does not turn back...death” and Isaiah 66 describes that eternal death/hell as a place where “their worm does not die, and their fire is not quenched”.

Others believe in and fear God but hope they're alright with Him because they strive to do their best to keep His law. They forget they already broke it and the penalty for doing so is death/your life. They forget Psalm 49 and other Scriptures show the debt they owe God for even one sin is an eternal debt they can never pay -thankfully it goes on to say God does redeem (because He became a man, lived and died as a Substitute in our place- being eternal He's the only One who could ever pay the eternal ransom price of our redemption, but then our salvation has nothing to do with our earning it, it has to be a gift of His grace as much as life itself was a gift). God's law was never given for man to get right with God. Only AFTER we are forgiven can we even start to keep His law from the heart as He desires. Once ravished by His love, we keep His law out of love because we love Him who first loved us.

The good news is NOT that we can save ourselves but that God can. Only by God's everlasting gospel can we be saved, so hear and apply it.

God made us for Himself: to enjoy and praise Him for who He is & what He's done. Our first parents did

¹ Revelation 14: 6: “Then I saw another angel... having the everlasting gospel to preach to those who dwell on the earth—to every nation, tribe, tongue, and people—“

that in paradise. God told man he could live forever if we'd keep TRUSTING and obeying Him but warned if we'd disobey, we'd die.

A liar told us: "sin won't bring death." Our parents fell for it and disobeyed God. Sin did what it always does: SEPARATES- us from God our Life Source, from spouses, and body from soul. Rebellion deserves that we be left under God's wrath eternally.

But God shows how good and trustworthy He's always been -for even when we didn't trust Him, in undeserved mercy He promised a Savior to restore us to Himself. The Bible says that only Jesus, of all the people in the world who have ever lived, alone was "righteous" and "never "done" "violence" nor was any deceit in His mouth" (Isaiah 53: 9-11) so that "He [Jesus] who knew no sin [could be and in fact] was made to be sin for us that we might become the righteousness of God in Christ." (2 Corinthians 5: 17). Its the offer of THE GREAT EXCHANGE! Your dirty sinful clothes (heart & life) in exchange for Jesus' perfect robes of righteousness!

Summarizing what Jesus says to you in His offer of grace and pardon: *"I am the loving Savior and King God sent into the world so that even though you are guilty, sinful and prone to do what is wrong, even though you cannot save yourself and deserving of misery, death, the grave and hell forever, I in love entered this world to take care of all of that. I lived the life of love and obedience you were supposed to live but haven't and can't. I as well was born to suffer all the miseries of this life and eternal hell at the cross that sinners like you deserve. Turn to Me, look to Me, rest on Me and the work I have done in love, compassion and grace for sinners like you. I offer to be your Savior and Lord for free and to powerfully change everything so you will enter a new life and one day a new heavens and earth, paradise. All you need to do is turn from your unloving, rebellious heart and ways and trust Me alone and entirely to forgive and make you right with God. Then because I have done everything for you to be right with God, all the joy, life (eternal) and great relationship My obedience merited with God is yours while all your guilt, shame, misery and hell you deserve I took and suffered for you. Will you accept Me and My offer with a trusting heart?"* If you want to say yes to this offer, just sincerely speak to Him in prayer (He hears all things) and He will surely give it to you! "He who comes to Me I will by no means cast out" (John 6: 37) So, the eternal death we deserve God sent His one and only Son to suffer at the cross for everyone who trusts Jesus to save them. GOD BECOMES THEIR ETERNAL FRIEND: they're totally forgiven and though they die physically, their bodies will one day be raised to perfect health and life and will like Adam and Eve walk with God in paradise restored, where there will never be any sin, pain, tears or death forever!

We can be ABSOLUTELY CERTAIN this is eternal truth because God did what only He as the eternal God could do: hundreds of years before His Son was born, God predicted His birthplace (Micah 5), nationality (Genesis 12), lineage (2 Sam. 7), His full humanity and divinity (Isaiah 9), when in history He'd come (Dan. 9- before AD 70),-most importantly Isaiah 53- the FACT and the REASON for His suffering rejection and death: to restore sinners like us who deserved to death eternally so we could live eternally. THANKFULLY, God did everything necessary for us to be restored to Paradise! Forgiveness, acceptance - everything we need is a FREE GIFT He gives to all who receive it in Jesus!

So, **BELIEVE, pray and ask and trust Jesus to forgive and free you from your sins and to make you right with God! To enable you to show your trust and love to Him by obeying His commandments.** God gave assurance of His Son's claims by raising Jesus from the dead 3 days after He died!² And by His **making predictions and bringing them to pass!** Jesus' resurrection was predicted **hundreds of years** before it occurred in the Old Testament/Tanach (see Psalms 16, 22, Isaiah 52: 13-53: 12, Hosea 5: 13-6: 2 et al), and so were **hundreds** of other parts of His life. Daniel 9: 24-26 foretold WHEN Messiah would come in history: namely, **before the 2nd Temple's destruction** (which was in A.D. 70). Details of Jesus' ministry, death, resurrection and exultation were all foretold as shown below. **ONLY THE CHRISTIAN BIBLE HAS SUCH FULFILLED PROPHECIES.** God claims only He can predict the future (even years before it occurs) and bring such predictions to pass. All other religious scriptures and gods utterly fail this test (see footnote³). To give SOLID ASSURANCE and PROOF of to

² See **RISEN INDEED: EVIDENCE FOR THE RESURRECTION** by D. James Kennedy which destroys theories against Jesus' resurrection. Studying it with **JESUS: THE GREAT DEBATE** (Grant R. Jeffrey) brought me to agree with Kennedy that that the many determined scientific facts from the Shroud of Turin bring us to conclude this "image of a man" shows he was "a Jew" "flogged" "crowned with thorns" and "crucified", While scientists will not say "this was Jesus", probability scientists concluded "the probabilities were 1 in 225 billion that this was some other than Jesus of Nazareth." And, "there is evidence...for the Resurrection", "no decomposition in the body...proved by repeated tests", and "complete correspondence and confirmation of all the biblical details of His...crucifixion ...burial, and... resurrection. It seems that God has given us another amazing confirmation of His Word. In this day of...unbelief, God seems to be delighting in raising up first one thing and then another to confound the skeptic...to show that His word is true."

³ "Present your case, says the LORD. Bring forth your strong reasons, says the King of Jacob. Let them bring forth and show us what will happen; let them show the former things, what they were, that we may consider them, and know the latter end of them; or declare to us things to come. Show the things that are to come hereafter, that we may know that you are gods; yes, do good or do evil, that we may be dismayed and see it together" (Isaiah 41: 21-24). God says in Deut. 18: 22: "How will you know that a prophet is sent from Me? By this you shall know that he shall tell the future and if what he prophesies does not come to pass then I have not sent him" As D. James Kennedy wrote: "...prophecy is one of the methods by which the Bible authenticates itself as the Word of God....[S]ome people would not appreciate ... this because they do not realize that this also is something which is strikingly absent from all other religious writings. ...In...the Koran, the scriptures of the Muslims, we find only the prophecy of Mohammed that he would return to Mecca, a 'self-fulfilling prophecy,' which he himself, of course, fulfilled. This is... different from...Christ, who said that he would rise from the dead. And that is just one of several thousands of prophecies that occur in the scriptures and which are of the most *specific, concrete, and definite nature*." (pp. 85-86 **EVANGELISM EXPLOSION**). See also http://www.thebookworm.com/amh_tc.htm.

all mankind, God did what He prophesied in that same Isaiah 53: 700 years before Jesus, God foretold that because Jesus would suffer death for sinners like us, God would resurrect Him from the dead! So understand what most don't: the Bible is true and unique! Unlike any other religious writing in the world! Isaiah 43 says no god can or has done what our God did, predicting and bringing to pass His predictions!

Know the good news: only God Himself could redeem man (Psalm 49). God's Son (Psalm 2, 22, 45, 110, Proverbs 30, et al) became a man in order like Isaac to lay down His life in the place of Abraham's children (Gentile or Jew who like Abraham the Syrian (Deuteronomy 26: 5) "believed on" Adonai so he was accounted righteous by God (Genesis 15: 6). Only a Mediator who was both God and man could both satisfy God's justice and bring His mercy. The cross (found at Ground Zero) represents the God of mercy (and heaven) and of justice (and hell) at the same time: showing that though sinners like us deserve everlasting burnings (Isaiah 66: 24) God gave the Passover Sacrifice/His Son through Whom we might be reconciled to God and brought to enjoy Him in paradise forever. Salvation free and all sufficient for all who truly turn from their ungodliness and believe on God and His Servant Y'shua. Reject Him and you reject God's salvation for so He is called by God in Isaiah 49: 6. Receive, trust and obey that only begotten, Anointed Son (Psalm 2/John 3: 16) and you receive God's Salvation. Jesus made by His own body at the cross 2000 years ago the bloody sacrifice which alone can provide atonement: "I am God and there is no other "" He says in Isaiah 45. Therefore, without price (Isaiah 55: 1ff), the FULL and FREE redemption we as sinners need is offered to us. You can reject it, but then you will suffer for your own sins forever. Why not turn from your rebellion against Him and breaking His laws? Seek Jesus to be the Savior and Lord of yourself and your family. He surely WILL respond in grace, love and His mercy, for God on the basis of what His Son did for sinners promised in Isaiah 55: "Ho! Everyone who thirsts, come to the waters; and you who have no money, Come, buy and eat. Yes, come, buy wine and milk without money and without price. Why do you spend money for what is not bread, and your wages for what does not satisfy? Listen carefully to Me, and eat what is good, and let your soul delight itself in abundance. Incline your ear, and come to Me. Hear, and your soul shall live; And I will make an everlasting covenant with you—the sure mercies of David..... Seek the LORD while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; Let him return to the LORD, and He will have mercy on him; and to our God, for He will abundantly pardon."

ON WHAT BASIS CAN GOD SAY THAT? How can God be just yet declare just those who have done wrong? Can He say: I just forgive you when they are guilty and deserve punishment? Can He just dishonor His own law and say it doesn't matter I said you deserve death? No, justice must be done. The law upheld. God's honor over all other concerns. And that is what the earlier chapter Isaiah 53, was concerned about: "Who has believed our report? And to whom has the arm of the LORD been revealed? For He shall grow up before Him as a tender plant, and as a root out of dry ground. He has no form or comeliness; and when we see Him, there is no beauty that we should desire Him. He is despised and rejected by men, Man of sorrows and acquainted with grief. And we hid, as it were, our faces from Him; He was despised, and we did not esteem Him. Surely He has borne our griefs and carried our sorrows; Yet we esteemed Him stricken, smitten by God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; The chastisement for our peace was upon Him, and by His stripes we are healed. All we like sheep have gone astray; we have turned, every one, to his own way; And the LORD has laid on Him the iniquity of us all. He was oppressed and He was afflicted, yet He opened not His mouth; He was led as a lamb to the slaughter, and as a sheep before its shearers is silent, so He opened not His mouth. He was taken from prison and from judgment, and who will declare His generation? For He was cut off from the land of the living; for the transgressions of My people He was stricken. And they made His grave with the wicked—but with the rich at His death, Because He had done no violence, nor was any deceit in His mouth. Yet it pleased the LORD to bruise Him; He has put Him to grief. When You make His soul an offering for sin, He shall see His seed, He shall prolong His days, and the pleasure of the LORD shall prosper in His hand He shall see the labor of His soul, and be satisfied. By His knowledge My righteous Servant shall justify many, for He shall

4 In his book RISEN INDEED: EVIDENCE FOR THE RESURRECTION by the late Dr. D. James Kennedy destroys theories that argue Jesus never rose again. Studying it with the book JESUS: THE GREAT DEBATE by Grant R. Jeffrey brought me to agree with Kennedy that the many proved scientific facts from the Shroud of Turin bring us to conclude this "image of a man" shows he was "a Jew" "flogged" "crowned with thorns" and "crucified". While scientists will not say "this was Jesus", probability scientists have concluded that "the probabilities were 1 in 225 billion that this was some other than Jesus of Nazareth." And, "there is evidence...for the Resurrection", "no decomposition in the body....proved by repeated tests", and "complete correspondence and confirmation of all the biblical details of His...crucifixion...burial, and... resurrection." Like the Dead Sea Scrolls, "It seems that God has given us another amazing confirmation of His Word. In this day of...unbelief, God seems to be delighting in raising up first one thing and then another to confound the skeptic...to show that His word is true." **More recent scientific research reveals even the Name of the One buried was written on the cloth: Jesus of Nazareth:** "For years, people had been asking why below and to the sides of the chin there are three clear and regular lines where no imprint is present. The Paris-based organisation CIERT (Centre International d'Etudes sur le Linceul de Turin...conducted studies in the most advanced institute in Europe for image analysis via computer, the Institut Optique d'Orsay, whose director is Professor Andre Marion. All official photographs of the Shroud were divided into tens of thousands of squares which were then given a corresponding optical density and transferred onto a visualisation programme. By means of an extremely advanced programme, some letters gradually began to emerge, in Latin and in Greek: under the chin, we find written 'Jesus' and on one side, 'Nazarene'. What is the explanation for this? The "'exactor mortis' the centurion charged with ensuring the execution of the condemned, had drawn strips of 'glue' onto the cloth on which he would write the name of the deceased with a red liquid. Where these strips were drawn, the cloth was impermeable and would not, therefore, be subject to the chemical process which subsequently formed the imprint."

bear their iniquities. Therefore I will divide Him a portion with the great, and He shall divide the spoil with the strong, Because He poured out His soul unto death, and He was numbered with the transgressors, And He bore the sin of many, and made intercession for the transgressors.”

THINK SERIOUSLY: God fulfilled His word SO YOU CAN KNOW WHAT THE BIBLE SAYS IS TRUE! That Jesus is His only Savior!

So you know for sure now that there is an everlasting fire in hell. Death is the result of sin. Yet, also good and encouraging news my friend! - forgiveness is freely offered for all who repent and believe on Jesus. His RESURRECTION confirms just what the Hebrew prophets foretold: He as God’s “righteous Servant shall justify many” - all who trust in Him for forgiveness and “righteousness” will be reconciled to God and one day also resurrected (Daniel 12)! Scientific studies using NASA level and other technologies (see footnote below) confirm what Israel’s God prophesied 2700 years ago: His “righteous Servant” would suffer as “an offering for sin”, be “cut off from the land of the living”, suffer “death” and enter the “grave” after LORD “put Him to grief” BUT ALSO THAT “because [a] “He poured out His soul unto death” [b] “was numbered with the transgressors” [c] “and bore the sin of many” [cf. Leviticus 16’s atoning sacrifice], it was predicted “He will see His seed” (what dead man sees?!), “shall prolong His days” (what dead man has ever had even a “day” let alone prolongs his days!?) and will “divide the spoil with the strong” – what dead man divides or conquers any? May He who is Mercy conquer our hearts and lives and this world for His Father’s praise!

So, the day after you’re buried, will your soul FOREVER be with God? In love Jesus died for sinners like us. God offers to become your Greatest Friend. Why not get right with Him now? Turn from breaking His laws, ask His holy Messiah and dear Son Jesus whom the Father gave for us sinners forgiveness, escape from death, resurrection and eternal paradise! Receive it by faith alone- like Abraham - based on God’s wonderful good news (gospel) covenant promise!

Allow no one and no thing to stand between you and God. Just approach Him as you are: feeling sin pulling you toward itself, others or the devil trying to hold you back, Jesus is stronger and more gracious than anything or anyone! He will receive you and change you for the better forever!

Do not delay. We are only given so many days. “Today is the day of salvation” the Bible says.

I invite you to turn to God through Jesus today and to pray: God would You make me right with You through Jesus’ death at the cross: I desperately need You, I fear You, I want to be right with You, and by Your help I turn from all my sins and trust You Jesus to be my Savior and Lord. Thank You for forgiveness, I receive it. By Your Holy Spirit, I want to walk with You in this life and I trust You to bring me to the new heavens and earth one day. Amen.

"Obey" is not required to be
saved/reconciled/made right
with God for God's word says
lawbreakers/sinners are saved only by
God's grace which is received by faith
alone which looks to and calls on
Jesus alone to save. However all
those who are saved by grace alone
through faith alone that rests in Jesus
alone will necessarily show it by
their works/acts of obeying Jesus/His

Their word/law in order to be
