**(& others — cf. Exo. 8; 1 Kings 17:1; James 5:15-18) — on about Jan. 21, 2020 to pray for “minor” “pestilence”/Covid for “all nations”** and why it will “not” “end” any more than

Elijah's drought did **until either** nations as nations “remember and turn” (Ps. 22) from lawbreaking/sin “to the LORD” by evangelical faith in His promised Anointed Son Jesus aka Y'shua (Psalms 2; 22; 110; 2 Chron. 7:13-14; Isaiah 53; 55:1-7; Ezek. 14:13ff; Acts 17:30-31) **or** — as He leads me to pray for its end in nation/s as He did Elijah & as the record shows He did me for other judgments He led me to pray for.

I swear to God that He sent **Covid as a wake up call and to help me be a watchman to warn all nations because** — as frozen in time electronic & hard copy files support me in saying — 1) all nations were (& are) on the **brink** of what He calls catastrophic punishment (defined by Scripture in said link) **but 2) also because Israel and all nations are on the brink** of the greatest outpouring of His promised grace and truth in His promised Messiah and Son Jesus!<sup>1</sup> Though nations persisted in rebellion so they deserve wrath, God offers **GRACE: “God's Riches At Christ's [the Greek word for “Messiah”<sup>2</sup> Jesus] Expense**” for any and all individuals, leaders and nations who turn from their sins — *also the sin of trusting their own works to save them from sin and God's eternal wrath in hell* - and trust Jesus alone to save them. God's word says salvation is not by our works of trying to keep His law but by Jesus' perfect works and sacrificial, atoning death (Isaiah 53 & 55:6-7) and that obeying His law is the result of salvation! Salvation is a free gift for any and all who trust Jesus alone to reconcile them to God!

So men and nations: **quickly turn** from your sins (find out what they are by reading Exodus 20 & the Bible) and trust God to save you by His grace alone as you receive it by simply asking & trusting Jesus alone for it. *Doing so or not doing so is literally a matter of life or death for time & all eternity.*

**Be sure to do all you can to share this message with others! Copy, forward it on as it is!**

Many died because gov<sup>3</sup> & others have not done so! God promises that the sooner a nation/s turn back to Him through Jesus, the sooner He will “forgive” and “heal” that nation/s of Covid (2 Chron. 7:13-14)!

**1 Frozen in time** files from **before** Jan. 2020 show God by His word and works showed me: 1) these said two brinks; 2) that I had the duty to be His “watchman” (cf. Ezek. 3; 33; Acts 18; 20) to warn all nations lest they suffer all His catastrophic punishment. So when He later by His word and Spirit prompted me to pray an Elijah like prayer for “pestilence”, I did, recognizing His goodness & longsuffering in not just sending His severe wrath but to give a wake up call first by minor pestilence to break stubborn hearts so they might finally hear His word and works. His works cover the last 2000 and now 20 some years and 1) confirm His word & its center point in Jesus; and 2) the Bible calls “sign” and “awesome deeds”. God resorted to Covid because the record shows gov, media & others repeatedly refused/failed to heed or share the word God gave me to share to return to Him *as is and will further be proved* at [www.anchoroftruth.org](http://www.anchoroftruth.org). Sadly, as the record shows I warned from God's word and works, leaders (& people's) refusing to listen brought the nations to teeter on the brink of God's great & dreadful curse! **So listen to me & turn your hearts back to God and one another as His word invites & requires!**

**3** Elijah in 1 Kings 17:1 swore to his government that there would be no “end” to the drought God led him to pray for “except at my word”. In light of the Bible (Exo. 8:13) his words showed God brought the judgment as a call to repent (Lev. 26). So his gov was called to repent and to share Elijah's call to repent with Israel. But his gov did not; so Israel suffered drought turned into famine til God led Elijah to pray for its end **years** later. Sadly, as Israel's gov treated neither God's word nor Elijah's sworn words as God's word & His Third Commandment required, America's gov too treats neither God's word nor my sworn words as the laws of God and man require. So America and all nations suffer. In Elijah's case, he only gave sworn testimony yet God's word's call to repent was still implied. In my case, I gave God's word's call to repent as well as sworn words why God led me to pray for Covid. Yet in my case, biblical and historical context still implied that Covid would not end til nations as nations repent or God led me to pray for its “end” as He has other judgments. All men and nations are required to know and obey God's word also then to treat sworn words as His word requires (Ex. 20:7; Lev. 5:1; Num. 30; 1 Kgs 8:31-32; et al). In Jan. 2021 I sent [www.anchoroftruth.org/PestilenceCallsToRepent](http://www.anchoroftruth.org/PestilenceCallsToRepent) to America's gov and in it cited God's commands for men, especially leaders, 1) to “let” me “speak” (Jer. 23:28) to share the message He by His word and works gave me; and 2) to ask me: “What has the LORD answered you? What has the LORD spoken?” (Jer. 23:37) to learn all they can why God sent Covid and what He wants. Because men & leaders do not do these things, America like Israel (1 Kings 17:1, 7; 18:2; Luke 4:16-30; James 5:15-18) but other nations too (1 Kings 17:8-14) **go on suffering**. See the email & prima facia proofs I sent gov & media in Jan. 2021 at [www.anchoroftruth.org/Jan2021Email](http://www.anchoroftruth.org/Jan2021Email). Because they did not share, many died and many without God's “salvation”/Y'shua/Jesus. *Great blood & soul guilt has been incurred by many (especially leaders in government led America - GLA) for God called GLA to “let” me “speak” His word and of works He did to confirm His word — such as many striking parallels He ALONE could create between ancient Israel's and America's records.* So please treat God's word and sworn words that confirm His as His word requires, so the world does not go on suffering God's sword in Covid (cf. 1 Chron. 21). But **mark God's words (and mine)**: whether men repent or not, God will be good and faithful. So do you want to know A) His being good and faithful by justly punishing you and or your nation/s? Or B) by His being good and faithful to mercifully pardon and restore you and or your nation/s through Jesus?! God says: “Today is the day of salvation”; tomorrow isn't guaranteed.
