Subject: IMPORTANT FOR President/VP/Congressmen/Judges to watch TODAY,"today is the day of salvation"

Dear Chaplains office,

Please forward this to the Chaplain of both House and Senate and have them forward it to ALL SENATORS AND CONGRESSMEN.

Read my EMERGENCY... I request to be able to speak to the nation to call for repentance!

Do you remember Elijah (James 5:15-18) praying for drought resulting in famine/people starving? It was a call back to God, away from idols, away from self reliance, away from sins. God blesses America and Israel and all nations, idols destroy. Sometimes God has to get our attention with His rod (Psalm 2).

This concerns Coronavirus and God's leading me to pray for it about a year ago as set forth in www.anchoroftruth.org/PestilenceCallsToRepent .

I request your Chaplain's entire office's URGENT assistance in getting this message to all three branches of America's government, the American people and the world since I know by firsthand personal knowledge God led me to pray for it and answered it.

THIS MATTER IS VERY IMPORTANT FOR EVERYONE! Time is of the essence; our nation desperately needs to get right with God. People are dying due to God's righiteous swor (cf. 1 Chroni;cles 21). See the attached EMERGENCY... document. How many people are dying a day? Only God knows, but it is an emergency and national security matter. Please forward this link on to said parties and of course watch it yourself and share it. I swear to God (of the Bible) this is all true so treat it as truth unless you can prove it is a lie. Until we get right with God through Jesus, He will keep the wrath coming until we finally remember and turn to Him or are destroyed (I hope and pray not but Israel was and His word warns us of the same - Amos 9:8; Romans 11:22). Check with White House or Senator Jeff Sessions: I told President GW Bush via Sessions that [after decades of praying that despite our idolatry, abortion murder, immorality that God would spare our land His wrath – Ezek. 22] but when no one in government would redress our grievances, He finally led me to pray for 911 on its morning before any of its events happened [cf. James 5]. I belatedly gave the message (because I broke my vow/forgot to do so, what a failure that was, but the Lord Jesus shed His blood for all His people's sins) so I called us to repent but we did not so the record now shows we point for corresponding point parallel ancient Israel just before they were "destroy"ed. SO FAR no 1 really pays any attention. So like in Israel, we keep suffering more and more. God is requiting the blood we have shed by abortion et al in Coronavirus. Listen to www.anchoroftruth.org/Ezekiel14 sermon to learn the dynamics of how God works with nations (its also in the EMERGENCY...attachment). All I can do is my part. I have documents for them that support this recorded message that is based on God's word, America's persistent lawbreaking (that brings wrath- see Public Law 107-293) and abundance of proofs - court documents, et al, but they will

have to call me for them: 205-405-2281.

I say the following because as in Israel, so in America: people do NOT do their moral or fiduciary duties, so the people are not warned to repent in connection with these judgments even though His word shows over and over again He sends such judgments for the very reason of causing people to wake up and be called back to Him. How much more testimony can He give to that than He has in my case over and over again, sworn words, character witnesses et al, now He has beefed up the confirmation even more (read the attached) so if we sin even against more knowledge (Luke 12:48) there will be more wrath. Great is Thy Faithfulness! Amen: to be SO merciful to those who repent but, to those who refuse to repent, faithful as well! God keeps doing as He said He would to send more wrath. (He is NEVER unfaithful to His word, His standards DO NOT change, He will have His will done on earth as it is in heaven- Matt. 6/1 John 5:14-15).

SO I SAY TO EVERY RECIPIENT IN TURN: WARNING: this message is one of *LIFE OR DEATH* (people are dying of Covid right now and I tell why and how to ask God to end it: 2 Chronicles 7:13-14!). As I prove in the attachment "EMERGENCY..." document, God's word and Third Commandment requires that this message be received by you and be brought to the American people. The record before God – Judgment Day will confirm this – thus far shows that my communications are ignored and so do not get to the American people.

The laws of God and man require each person who receives these *sworn* words to do their part to get this before the American people.

Whoever does not will incur blood and soul guilt before God and man for not getting this timely WARNING to America IF – when I bring my petition for redress of grievances to an American court and it responds wrongly – God – as His word and providence in the record confirms – will in His way and time bring more wrath on our nation.

Sincerely,

Rev. James Graveling

Dear Suzanne,
I received your email from the capital switchboard. Please forward this to Chaplain Black and have him forward it to everyone he possibly has ability and opportunity to.

We recall praying together on Sunday as a congregation for rain but for repentance first so that if the Lord Jesus wanted to instead give a drought to call us back to Him then let that happen. The preaching that day was on Esther + Purim, and God clearly answered our prayer.

Another 911 Judgment Nears

56 MILLION *LIVES* REQUIRED. *Your LIFE* may depend on this.

1. **Perhaps** on 9-11-2015.
2. **Perhaps** on 9-13-2015 (what would be on the Jewish calendar *Elul 29; **see below** re Jonathan Cahn's The Harbinger, Isaiah 9:10 Judgment and The Mystery of the Shemitah).*
3. **Perhaps** years away.
4. **But based on God's Word – *unless we repent* GREAT CATASTROPHIC JUDGMENTS *WILL* COME:** *"when a land sins against Me by persistent unfaithfulness, I **will** stretch out My hand against it; .... cut off its supply of bread, send famine on it, and **cut off man** and beast from it" -(Ezekiel 14:13).* That's catastrophic.
5. As proved below, **that's what the Bible** teaches. Congress -for **America- believes the Bible is "*God's Word*"** which it tells us we *"need to study and apply"* (Public **Law** 97-280; *for proof they're right, see **footnote***[1]). **God takes that seriously.**

6. **How can I predict such a thing? Or have such knowledge?**
7. **BECAUSE: 1)** God predicts it in the Bible; **2)** I prayed for past judgments that occurred so I bear witness[2] that God has been bringing judgments on America. **Let me explain:**

    1. **GOD PREDICTS GREATER JUDGMENT IN THE BIBLE.** *READ* God's inscripturated Word in Leviticus 26 (part of it is in footnote[3] to illustrate the point); Deuteronomy 28; Isaiah 1:5; 9:8-12; Jer. 5:3-9; 18:11; 51:11; Ezekiel 14:13ff, Amos 4,

1 America's fathers considered a God centered worldview critical to understand life and government. Their Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed." God is Supreme Lawgiver ("the laws of nature and of nature's God"), Supreme Judge of men's souls and nations ("appealing to the Supreme Judge of the world for the rectitude of our intentions"), and Supreme Ruler of all ("with a firm reliance on the protection of divine Providence"). American government thus presupposes that all are required to keep God's law, are subject to His sanctions (He will enforce His will on earth as it is in heaven), and are under His all controlling providence. The Declaration further declares government a servant of God to fulfill His purpose to guard the rights He (not government) gave individuals. It declares all men and nations under God. Congress' very first prayer prayed to this Creator God asking Him to act in history by delivering the righteous and punishing the wicked. At King George III's assault on American's rights at Boston, they prayed:"these our American States, who have fled to Thee from the rod of the oppressors and thrown themselves on Thy gracious protection, desiring to be henceforth dependent only on Thee....All this we ask in the name and through the merits of Jesus Christ, Thy Son and our Savior. Amen" was both a heartfelt supplication and a **declared covenant** God takes seriously. We had better keep our promises, vows and covenants with God for He surely requires us to do so. For more on America's undeniable predominately evangelical Christian heritage see www.anchoroftruth.org

3 One text to illustrate: '**If you ...keep My commandments...**then...you shall eat your bread to the full, and .... none will make you afraid;... the sword will not go through your land.... '**But if you do not obey Me**, ...I will...appoint terror over you... and... sorrow of heart..... Those who hate you shall reign over you,... [A]fter all this, if you do not obey Me...I will punish you **seven times more** for your sins. ...your land shall not yield its produce... 'Then, if you walk contrary to Me,... I will bring on you **seven times more plagues**, according to your sins." ...wild beasts...shall rob you of your children,...and make you few in number; 'And if by these things you are not reformed by Me,... I will punish you **yet seven times** for your sins.... I will bring a sword against you that will execute... vengeance... within your cities I will send pestilence;...[A]**fter all this, if you do not obey Me...I, will chastise you seven times** for your sins....You shall eat the flesh of your sons, and...daughters....and My soul shall abhor you."

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

Matthew 11, Luke 12:48, Revelation 9:20-21; 21:8. These and others **WARN that when LESSER judgments are ignored, God brings GREATER judgments!** Deut 18/Matt. 18 say the testimony of 2 or 3witnesses establishes truth. In God's providence, it is uncanny God brought before America THREE so called leaders, all – wittingly or not- uniting in a vow of brazen defiance against God's 911 judgment for its sins. America's sins are strikingly similar to the sins God indicts Israel for in Isaiah 1 save for technological changes. For Israel's sins, God judged by Assyrian's vicious attack. Rather than acknowledging their sin, turning back to God to mercifully forgive and receive them through His promised Messiah, Israel in **Isaiah 9:10** utters a defiant vow that it will save, bless and keep itself. Of all the verses in the Bible, those very words were uttered the day after 911 by Senate Majority Leader Daschle. Those same words were again uttered by John Edwards later. More recently, again by Obama. These 3 witnesses bear witness against America. In response to God's judgment we are not repentant, but defiant, determined to annul, ignore and overrule Him and His will. **Have we any indication what God's response could be?** Being **merciful** to save Jew and Gentile who call on Him through His Anointed Son Y'shua/Jesus, He is as well **just** to all those who defiantly rebel against Him and His King (Psalm 2). Because we like Israel repeatedly utter the same words of Isaiah 9:10 re God's judgment, His response in Isaiah 9:11-14 has application to America: ***"Therefore the LORD shall set up the adversaries of Rezin against him, and spur his enemies on, the Syrians before and the Philistines behind; and they shall devour Israel with an open mouth. For the people do not turn to Him who strikes them, nor do they seek the LORD of hosts. Therefore the LORD will cut off head and tail from Israel, palm branch and bulrush in one day."*** TERRIFYING JUDGMENTS are ahead for America.

2. **I CONFIRM GOD'S PAST JUDGMENTS AS AN EYEWITNESS.** I swear to God I know as a firsthand personal witness that God judged America by 911. How do I know? **Because the judgment came in direct answer to prayer**. As Elijah asked God to judge Israel with drought **BEFORE** the drought, so **I asked God to judge America with 911's Twin Towers and Pentagon attacks ½ hour or so BEFORE the attacks.** Why? For God's glory and people's eternal salvation. **1)** ***Because*** we SAY "In God we trust" but trust in money and our own military might etc so the Creator of the universe' purpose in making us glorify and enjoy Him is resisted; 2) ***because*** we had gone on murdering tens of millions of unborn babies; 3) ***because*** hundreds of millions were on their way to hell. Like Elijah, frustrated that despite decades of men of God calling Israel and doing everything they knew how to turn the nation back to God, he finally resorted to praying earnestly (James 5:15-18) for judgment with the desired result that God might be praised and people saved. In similar circumstances, I *with tears* cried to God that IF it was right in His sight, the right time, He would cause us to see **just a DROP of His wrath** so we might fear Him, turn to Him and find forgiveness in Jesus. ADDITIONALLY: God has also graciously **saved many** as well as **protected, provided, multiplied, guided and blessed** in answer to my and other's prayers - see www.anchoroftruth.org). **I and or others asked God for 2007's worst drought in Alabama** (see congregational signatures), **2008's Great Recession, the pope's resignation and 2 lightning strikes on the Vatican** to show Jesus wrath against that false church, its false gospel leading

millions to hell and its blasphemous anti-Christ claims concerning John 14:6. Praying for a limited judgment with a merciful end is like that taught, done and approved of (given the right circumstances) by Moses, Elijah, David, Jeremiah, Jesus, Paul, the apostles, saints in glory and church history and all of this is proved with supporting Scriptures as well as supporting evidences (I am **in process** of loading to the website) at www.anchoroftruth.org . For proof that the Bible and Jesus' claims to be God's Son and Messiah are true, see www.godblessisraelministries.com). **I swear to God**[4] **under penalties of perjury I am not lying and these things are true!**

8. Our greatest sin: **IDOLATRY**. Saying "*In God we trust*" while we trust in money (our Twin Towers represented it). In our military might (our Pentagon represented it). In immoral pleasure as represented by "$57 billion per year" in porn sales - more revenue "than the combined income...by pro football, baseball, and basketball". In government as represented by our ungodly fear of it. Proverbs 16:4 says: "The LORD has made all for Himself, yes, even the wicked for the day of doom." **GOD MADE US AND THE WHOLE UNIVERSE FOR HIMSELF!** Macro evolution is not true (see footnote[5]). Our idols not only crush the loving heart of God the Father who created us to glorify and enjoy Him forever, but also justly and fiercely anger Him (cf. Ezek. 5:12; 6:9-14). He will receive glory either by our salvation or damnation. Judgments (and hell) prove that treason against God is utter insanity. We should fear, not defy, God. We

4 The Heidelberg Catechism (from the Protestant Reformation, 1563) gives this summary on an oath: Q & A 101 "Q: "But may we swear an oath in God's name if we do it reverently? A. Yes, when the government demands it, or when necessity requires it, in order to maintain and promote truth and trustworthiness for God's glory and our neighbor's good. Such oaths are grounded in God's Word1 and were rightly used by the people of God in the Old and New Testaments."2 (1 Deut. 6:13; 10:20; Jer. 4:1-2; Heb. 6:16; 2 Gen. 21:24; Josh. 9:15; 1 Kings 1:29-30; Rom. 1:9; 2 Cor. 1:23). Q & A 102 "Q. May we also swear by saints or other creatures? A. No. **A legitimate oath means calling upon God as the only one who knows my heart to witness to my truthfulness and to punish me if I swear falsely.**1 No creature is worthy of such honor."2 (1 Rom. 9:1; 2 Cor. 1:23; 2 Matt. 5:34-37; 23:16-22; James 5:12).

5 Go to www.answersingenesis.org or www.creation.com which exposes the deception of evolution and provides scientific evidence confirming the truth of the Bible that God created the universe in six ordinary days. Macro evolution is neither proveable nor does it fit with the Bible which is infallible truth, therefore it cannot be true. To overcome trained skeptics and natural unbelievers about the truth and authority of the Bible: consider how obvious it is from the creation all around you that there is a Creator God. (See Psalm 19/Romans 1:20). As Ken Ham says: origins is history (thus historical, not observational science), yet we're in the present. So people try to understand the past from the present. No matter how much we know, there's so much more to know and we don't and can't even know how much more we don't know. Ultimately, there is only one way to be sure of something in the past: if someone who knows all things has always been there and cannot lie will reveal the truth to you. That Someone is God and the Bible claims to be His written Word. Through the prophet Isaiah (41:21ff) the true, only and living God challenges idols and idol worshipers to declare the **past** or the **future** infallibly. They can't do it which shows they are nothing but lies but He alone is the true God: "Present your case," says the LORD. "Bring forth your strong reasons," says the King of Jacob. "Let them bring forth and show us what will happen; let them show the former things, what they were, that we may consider them, and know the latter end of them; or declare to us things to come. Show the things that are to come hereafter, that we may know that you are gods; yes, do good or do evil, that we may be dismayed and see it together. Indeed you are nothing, and your work is nothing; he who chooses you is an abomination." Either we presuppose the truth of God's word (who never lies but upholds the universe with utter faithfulness and reliability) or man's (everyone of us has lied or been unfaithful at some point). Man tries to work from the present to the past to determine with certainty what happened. But God proclaims what happened in the past and everything in the world fits with what God says- makes sense because its His world and His word. This **alone** can give certainty to man about past, present and future as well as eternity. Again, God claims He alone is God and can do so (Isaiah 43:9; 45:5, 14, 21; 46:8-13. Evolutionists and secular scientists say "bajillions of years ago there was by pure chance a BIG BANG!, a great big explosion, which by chance brought about all the complexity of the well ordered universe. They believe that?! What great so called "faith" they have. But true faith is based on certain knowledge. They have no certain knowledge or proof of their claims (may God have mercy on them). They weren't there, they have witnesses sworn under penalties of perjury. Rejecting God's word, they endanger their body and soul for an eternity in hell on the total guess Darwin's THEORY (not fact) of macro evolution. We have no observational science proving it nor can their be since origins are in the past. Truly, as Psalm 147:19-20 and Romans 10:12 show, despite the creation evidence all around us making us inexcusable for our sins, unless God graciously revealed Himself to us in His word, we could never rightly or personally know Him or know how to be forgiven for our disobedience to this Creator's will nor how to be saved from sufferings or death. Romans 10:12 shows that faith to believe Him and be rightly related to Him comes by hearing the Word of God. So, in love for your eternal soul and your temporal well being, I share God's word herein.

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

trust in false gods that cannot save: military, homeland security, our own works. We think we don't need God's Son to save us. BUT GOD in Psalm 2, Amos 9, Isaiah 11 & 49 declares such a response utter insanity. He assures there is no escape from His wrath. He also proclaims His determined and gracious purpose: that because of His *extreme* love in giving His Son and Servant to suffer *extreme* humiliation and death to redeem Israel and the Gentiles, it is the Father's *extreme* plan and determined purpose to *extremely* glorify that Son and Him alone by giving Him the nations as His inheritance until *"the earth shall be full of the knowledge of the LORD as the waters cover the sea*". This is the Creator's world. It is His purpose to reward His Son. No purpose of His can be reversed (Isaiah 43: 11-13; 49). He turns His foe's evil to good to glorify Him and bless His people (see the story of Joseph - www.godblessisraelministries.com).

9. Another great sin: a **holocaust of 56 million MURDERED**- *our own babies!* Scripture shows **a sword hangs over America** justly **demanding 56 MILLION Americans lives! Will one of them be yours?** I hardly dare utter it, I ***grieve*** to say it, but just read the Bible and see what I say is true: God's eternal standard is: "*life for life*"! In Genesis 9: 5-6, after Noah's global flood - brought on by circumstances similar to America's -violence, murder, corruption - God said: ***"SURELY for your lifeblood I WILL DEMAND a reckoning'...Whoever sheds man's blood, by man his blood SHALL be shed; for in the image of God He made man."*** Scripture repeats this life for life requirement all the way to Revelation. See a few at: Exodus 21: 22-25, Numbers 36: 9-34, Deuteronomy 21: 1-10, Jeremiah 19: 1-15, Matthew 23: 28-39, Revelation 6: 9-11 et al! It is fearful to read that so much bloodshed can occur that God will ***require at least*** some horrifying degree of requital judgment as in 2 Kings 24: 1-4: the LORD "*sent [enemies] against Judah* ***to destroy it.****...Surely* ***at the commandment of the LORD...****, to remove them from His sight because of the sins of Manasseh* [Obama is like him],*...and also* ***because of the innocent blood that he had shed****...which* ***the LORD would not pardon.***" After 56 MILLION, I don't know how we could not be at that point! God requires lawful authority execute a human life every time an innocent human life is murdered. But, ***MOST in our government*** have been involved (passively or actively) in justifying, protecting and allowing America's holocaust no less than Nazi Germany's government! Woe to us! Our sin is greater than the Nazi's who slaughtered **6 million** Jews in the Holocaust[6]. That was too small for us- we had to add another **50 million** innocent unborn lives whom God in Scripture repeatedly calls "*child*" (Genesis 25: 21-22; Luke 1: 35-45). Genesis 38: 24 shows there is **no excuse** in cases of incest or rape either. Why should the child die for the father's sins?! **The Most High will enforce His law Himself.**

10. **Left**: Nazi holocaust victims stacked on each other; **right**: America's holocaust victims stacked high on each other[7] ;
11. *BECAUSE OF Jesus' CROSS, GOD* ***CAN*** *FORGIVE US ALL THIS HORRENDOUS*

6 The Holocaust was unique as pointed out in http://www.haaretz.com/jewish-world/jewish-world-features/.premium-1.540880 yet unborn human children are according to Scripture **no less human** image bearers of God so that America's guilt is not only as great as Nazi Germany's was, but near TEN times **greater.** Like the Nazi Holocaust based on racial profiling and emotional anti-semitism, America's ongoing unborn holocaust is based on emotional profiling: are these humans wanted as well as somewhat racial (especially against blacks whom Margaret Sanger considered to be like weeds).

SINFULNESS! See below.

12. Though I warned Bush and media (see evidence on www.anchoroftruth.org) that 911 was ***just a drop*** of God's justice (we deserve much more), they ignored God's message and warned no one! So now the cup of wrath is readying to be poured out! On 911, I told the Lord I united my voice with the little one's whose blood was crying out for vengeance. I asked for *just a drop* of requital. Look what happened. If 911 was a drop, what more does America have coming? Does the blood of the murdered unborn **really** cry out to **the Governor** of the Universe **for vengeance**? READ Gen. 4:10, Deut. 21:1-9, 2 Sam. 21:1-9, Rev. 6:9-11 and see if they do not cry out for "life for life" requital. *There is an ongoing, deafening, heart-breaking cry of* ***56 MILLION babies rising to God's thrown - EACH asking their life - each one of them - be requited.*** Do you think the gracious and just God will respond like our "holocaust-protecting judges" - yawning, bribed, fearing man? As Abraham said: "*will not the Judge of all the earth do right?*" Counting accomplices- spouses, boyfriends, parents[8] the number may be greater than 56M! Will you laugh at this? **God's words are always fulfilled**. **Cities like Sodom, Gomorrah, countries like Nazi Germany *destroyed*. Will America -** whose sins are greater in view of its greater light- **escape catastrophic judgment?** The Just Judge of all the earth declares He will by no means leave the guilty unpunished! Again, He declares: "*when a land sins against Me by persistent unfaithfulness, I will stretch out My hand against it; I will cut off its supply of bread, send famine on it, and cut off man and beast from it* (Ezekiel 14:13). If the **Judge of all the earth** says that about "***a land*" or any land**, how much more about America? **Luke 12:47-48** declares: "*that servant[9] who knew his master's will, and did not ...do according to his will, shall be beaten with* ***many*** *stripes. But he who did not know, yet committed things worthy of stripes, shall be beaten with few....****to whom much is given, from him much will be required***". Scripture even says there can come a time when a nation like America – the only Gentile nation that for all purposes repeatedly covenanted with God - after **great knowledge** of Him and great blessings from Him, because it rebelliously turns from Him, refuses His loving gospel calls and warnings to repent, insanely continues despite His judgments– AIDS, tornadoes, hurricanes, fires, floods, earthquakes, broken homes, terrorism, loss of liberties, 911, 2008, Obama-nation - may come to that place where **God** tells His people "don't even pray for it anymore" (Jeremiah 7). Where He says "there is no remedy" (2 Chronicles 36:16) and so pours forth furious destruction.

13. **If these great sins were not enough to make God furious, disgusting, enslaving lusts further anger Him!** All sins anger God (Psalm 7:11) and all must be repented of to be saved (Ezek. 18:30; 2 Cor. 7:9-11), yet some sins are more **heinous**. One that signals a culture's being on the brink of devastating judgment is toleration or even approval of homosexuality. Scripture shows lands that tolerate such can quickly find incredibly devastating wrath falling upon them - read Genesis 19, Judges 19, Isaiah 1, Romans 1, Jude 7. The Supreme Court's recent case blesses what God has cursed and acts as though God's word and acts can be disregarded! How dare we?! God judged Sodom with fire that represents hell (Jude 7) for just this sin! Who do we think we are?!

14. **All this seriously urges us cry out desperately and beg God for Jesus' sake to graciously forgive us!** To quickly obey Psalm 2's command to trust and obey Jesus. To require our public servants to bow before King Jesus! He says: "**Repent...or you will perish**" (Luke 13:1-3) and **"today is the day of salvation". Tomorrow may be late FOREVER!**

8 Both Ahab and Jezebel were accomplices in the murder of Naboth in the Old Testament book of Kings and both suffered death for their murder.

9 Read the Declaration of Independence which describes government as God's servant called to protect people's God given rights.

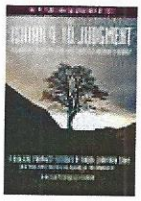

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

15. **Will God show fierce anger against us again? After refusing to repent after 911, and again in 2008, what ASSURANCE do you have He won't in 2015 or thereafter?** I assure you by Scripture and my testimony, we are under judgment. **In 2008**, because despite my earlier informing Bush and the media of my prayer for God's 911 judgment, neither Bush nor the media did their God give duty to inform America of this or to call it to repent (cf. Jonah). Because 911 was only a memory, NYC, DC and Iraq far away, Americans took their Creator no more seriously than before 911, so I prayed to God again (this time more sparingly) hoping that perhaps by feeling some degree of judgment *personally in our pocketbooks* we might be awakened to our need for God. I prayed God would not let anyone starve, but would basically cause our economy to grind to a halt. After that prayer, the Great Recession resulted (see www.anchoroftruth.org).

16. **God gives all of us a VERY SERIOUS duty to warn others if we see them endangered**. Ezekiel 33:1-11 calls me to be a watchman who sounds the alarm BECAUSE I have seen judgments occur, realize sadly we have not repented, and foresee from Scripture's words that greater judgments thus are coming. **I SOUND THE ALARM! Woe is me if I do not preach the gospel and sound the alarm!** - I could incur blood guilt if any die physically or eternally.

17. Most don't fear God and Bible knowledge is outlawed (as I heard of in Russia as a child - like them, not in churches, but by cruel government agents in schools, courtrooms & holocaust camps/abortion/murder providers. You may find a heart tendency to suppress these truths and to hold onto unrighteousness (see Romans 1). **Don't.** Think on and allow God's goodness and grace to draw you to Himself: He Himself created you, upholds your life each moment, gives you food, water, breath, and ***every good thing***! The Most Amazing Thing: **He so loved the world that He gave His only begotten Son to die the death sinners like us deserve so we can LIVE FOREVER with Him!** But whether you agree or not, you must realize your thoughts about God ultimately don't matter. He isn't running a popularity among sinners contest. He is right, just, true, holy, good, gracious, and loving and pure. In His throne-room the angels never stop crying out day and night: "*Holy, holy, holy is the LORD God Almighty who was, and who is and who is to come*" (Isaiah 6; Revelation 4). Impugning or sinning against God's character, law, justice, goodness, mercy or truth is **eternally fatal** - unless you repent and Another agrees to bear your sin & punishment as your Surety. **Good news**! - there is such a One- Jesus!

18. You can write me off as a Bible nut or say "America's too strong" or "too special (to who? God?!)" to suffer destruction. Read Lamentations how other the Jewish people thought similar things like that before suffering punishment. Do what is right: repent of sin and trust the only Savior who can make you right with God and rescue you from God's judgment. **Proverbs 22:7** urges you to prepare for judgment which includes spiritual and obvious physical preparations.

19. **Believing Rabbi Jonathan Cahn,** author of **Harbinger**, **Isaiah 9:10 Judgment and ...Shemitah** stated that **PERHAPS** God could judge us **9-13-2015**. While I do **not necessarily** agree with all he says, I am **thankful** God brought this controversy so I could share further the message that has burdened my heart **for years**. A few thoughts about the "Shemitah" (Hebrew for release):
    1. from Leviticus 25 et al[10] it is clear **God requires releasing people from perpetual debt**; He didn't create man to be a slave/servant of work or others, but His happy servants; those who know Him as Savior enjoy 1/7th of their time off;
    2. especially for a nation that claims the Bible as the "royal law of liberty", whose founders

declared their liberty came from their Creator whose Son Jesus they prayed to as God's Anointed Savior[11], which inscribed Leviticus 25: 10 on its Liberty Bell, and which espouses "liberty and justice for all", such **perpetual debt service/slavery is just plain wrong**;

3. it was in the wake of 911 that God led me to realize **commercial loans are fraudulent** (see proof that this is in fact the case in footnote[12]).
4. if the **general equity** of God's ceremonial and/or civil law in Leviticus 25 teaches us that for His redeemed people He forbids perpetualized debt ***even when that debt is true and lawful, how much more would He not forbid fraudulent loans/debtsAND require their cancellation!?***
5. Having rejected God, His word, His Son, grace and law, we are suffering. Our sins are taking their toll on our lives, families and economy. We are slaves in a land of liberty akin to Israel

Peter Allison (especially pages 62-65) ; search for websites; https://www.youtube.com/watch?v=QHKdxAVW-_U ; see Credit River court case (http://educationcenter2000.com/legal/credit_river_decision.htm), **Why do Commercial Loans Break God's Law Against Idolatry and Stealing?** Because God commands us "Flee idolatry" and "Thou shalt not steal." God's church summarized His law in saying His law against stealing requires everyone love their neighbor as themselves by trying "by all just and lawful means, to procure, preserve, and further the wealth and outward estate of others, as well as our own." (**Westminister Larger Catechism**). The Declaration of Rights from the **1780 Massachusetts Constitution** is still in use today (authored by Samuel Adams, John Adams and John Hancock) and bears similar Christian principles in Art. 1: "All men are born free and equal, and have certain natural, essential, and unalienable rights; among which may be reckoned the right of enjoying and defending their lives and liberties; that of acquiring, possessing, and protecting property; in fine, that of seeking and obtaining their safety and happiness." There are 10,000 proofs that America was set up on biblical principles (see some herein). A frequent rallying cry of the War for Independence was: "We will have no other king than King Jesus!" God's word in the Holy Bible shows He created precious metals like gold, silver and copper to be used as money and Jesus confirms this when sending out His twelve apostles in the way He described what "money" was: "Provide neither gold nor silver nor copper in your moneybelts, nor bag for your journey, nor two tunics, nor sandals, nor staffs; for a worker is worthy of his food." (Matthew 10: 9-10). They were worthy of being provided for due to their work, and needed not provide for themselves. But as sandals attire feet, so gold, silver and copper are money. Will we trust our good Creator knows what is best for us, or will we show by disobedience we somehow imagine ourselves wiser than He? The late **Dr. D. James Kennedy** said that the framers of America's Declaration of Independence and the original Constitution wanted to avoid seeing America oppressed. They "knew that because of man's sinfulness and greed, there was his tendency to inflate money. The Old Testament had warned them about that. We read in Amos 8: 5, "Saying, When will the new moon be gone, that we may sell corn? and the Sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit?" One of the things condemned in the Old Testament is making the shekel great—inflating the money—and thus using deceit in finances. They knew this, as Washington did, and were afraid of inflating money. You may remember that during the Continental Congress, which had existed from the Revolution in 1776 up until the time of the Constitution in 1787, they had printed money. This paper money, called the "Continental," had become worthless. You have probably heard the expression, "not worth a Continental." The Continental by this time was worth less than a penny because of inflation. They knew that there must be inflation-proof currency. Therefore, the United States government was not empowered to print money. It could "coin money" out of gold and silver or print bills which were redeemable in gold or silver, but it could not print worthless paper. Now, because of various court decisions, the government is able to do that, and we suffer the rigors of inflation off and on. The only way we are going to get away from that permanently is to return to the system which the Founding Fathers gave us." (Dr. Kennedy's sermon **"The Bible and the Constitution"**; Coral Ridge Ministries).Use of currency without gold or silver backing is against God's law and against America's founder's intent. Their Constitution requires America's government to use gold and silver for currency (at least to back it). But our currency is not backed by gold or silver today. Dollar bills used to have written on them: "redeemable in gold or silver upon demand by the holder", but not anymore. This means the government prints many worth-less (than they otherwise would be if backed by gold and silver) "dollars". The effect is to steal the hard earned work and wealth of Americans for basically nothing in exchange. A book showing this violation of Scripture and the Constitution is Rev. Peter Allison's **Dollar Noncents** (I urge you to get and read it). He not only documents the immoral, unconstitutional gradual change from gold and silver to our current fiat currency, but shows how on top of that form of fraud, another fraud occurs in commercial lending: "Federal reserve notes are an attempt to get what you produce and never pay….The respected Hoover Instituted scholar, Athony Sutton had this to say about the Federal Reserve, 'Warburg's revolutionary plan to get American Society to work for Wall Street was astonishingly simple. Even today academic theoreticians cover their blackboards with meaningless equations and the general public struggles in bewildered confusion with inflation and the coming credit collapse, while the quite simple explanation of the problem goes undisclosed and almost entirely uncomprehended. The Federal Reserve is a legal private monopoly of the money supply operated for the benefit of the under the guise of protecting and promoting the public interest.' The mechanism by which all this occurs is as interesting as it is absurd. When the smoke and mirrors are removed, it is really very simple. We will discover a situation that is not at all that different from the type of illusions created by the Wizard of Oz which Toto the dog revealed when he pulled back the curtain. The only problem is that Toto has not yet arrived. **WHERE DO BANKS GET WHATEVER IT IS THAT THEY LOAN** If you are like I used to be, you probably think that banks accept deposits from people who have money and then loan those deposits out to others needing the money. But apparently, that is not what we do today. According to the monetary authority for the United States, in Modern Money Mechanics, they say, "Banks can build up deposits by increasing loans and investments.' Now I am a simple fellow. I know what deposits are: they are the piles behind the barn. If my neighbor comes over to borrow some deposits, the pile gets smaller. I think most children could figure out that when you loan something, you, the lender, have less of whatever it is that you loaned. But the Federal Reserve is saying that they can increase their deposits by loaning. They

(read Nehemiah 5 & 9).

6. The judgments of 911 and 2008's Great Recession – in light of the Scriptures – are wake up calls, which, combined with the preaching of the good news of Jesus, call EVERYONE (bankers and government involved in floating and enforcing fraudulent loans too) to **REPENT of their sins and BELIEVE on God's Son Jesus.** Jesus commanded: "do not defraud" ((Mark 10:19; cf Leviticus 19; Hosea 7:1; Acts 13:10; Colossians 2:18 ("let no one defraud you"); James 5:4 et al)).
7. So, even apart from the issue of whether the 7th year law requiring of Israel a release from honest, non fraudulent debts, and even apart from whether God ***is*** following the Lev. 25 7 year timetable or not, **His moral law** (which binds all men and nations) **requires: 1) releasing** from and canceling ALL fraudulent loans (see Lev. 19; cf. the Exodus; 8th

must not be loaning deposits. They are actually loaning the promise to pay or an IOU. They simply tell the borrower that they will honor his checks for $1000 over the amount currently on deposit. This is not my analysis. Modern Money Mechanics says, "Of course they [banks] do not really pay out loans from the money they receive as deposits. If they did this, no additional money would be created. What they do when they make loans is to accept promissory notes in exchanges for credits to the borrower's transaction account"- that is what they call your checking account. Later they reiterate, "Loans are made by crediting the borrower's deposit account, i.e., by creating additional deposit money." What is a credit to your checking account? A book entry made with their pen or their computer. They do not even give you an IOU or note which is a promise to pay. Of course the irony of it all is that it is your integrity that is questioned when you apply for a loan. No one ever thought to question their integrity."Debt, as opposed to salt, tobacco, or gold, is being used as money. In essence, debt has been 'monetized.' Commercial banks are one of the ways debt is monetized. For example, suppose you come to a commercial banker for a loan of $1000 to build an outhouse with two electrically heated seats. The banker agrees to grant you a loan at 10% annual interest. In making this loan, he does not actually loan you any commodity- any money. He does not even loan you any Federal Reserve Notes. He simply makes a book entry with his pen- or nowadays with his computer. There is nothing that is loaned; no tangible substance changes hands. The banker simply increases the total on your account by $1000 and authorizes you to write checks against this increased total. In effect you print your own money as you write the checks." **Further quotes from the bankers own mouths prove banks do NOT loan out their depositor's funds as most are led to believe**: 1) an International Monetary Fund working paper states: "under the present system banks do not have to wait for depositors to appear and make funds available before they can on-lend... **This fact can be verified in the description of the money creation system in many central bank statements". 2) The Federal Reserve Bank of Chicago states: "what they do when they make loans is to accept promissory notes in exchange for credits to the borrowers' transaction accounts." 3) The Bank of England's Quarterly Bulletin of 2008 states: "banks extend credit by creating money." 4) The Federal Reserve Bank of New York publication, I bet you thought states: "Commercial banks create checkbook money whenever they grant a loan, simply by adding new deposit dollars to accounts on their books in exchange for a borrower's IOU". 5) The Federal Reserve Bank of Dallas' publication Money and Banking states,"banks actually 'create' money when they lend it.". 6) Former attorney of the Federal Reserve Bank of Cleveland states, "banks deposit promissory notes with the intent of treating them like deposits of cash." 7) Walker Todd (former Federal Reserve employee) when asked in court: "Does the bank create money out of thin air?" answered: "Under a fractional reserve banking system, that is in effect what happens." All these banking authorities say they 'create money' when they lend it.** The 5 minute link below exposes only the tip of the iceberg of the banking fraud involved. It would seem reasonable that one would not want to go seeking such a commercial loan again after this knowledge. **This youtube "Bancorruptcy" exposes the fraud using the bankers own words and documents: https://www.youtube.com/watch?v=QHKdxAVW-_U** What these quotes show is that you create the money by your signature (a promissory note), hand it to the bank not realizing its value on the market as a negotiable instrument, and you participate in a system (unknowingly at least up until now) that treats them as though they are god and can create something out of nothing - technically called creation by fiat (word) ex nihilo (out of nothing). But think about it, and you realize that **only God can do that**. To treat a human or group of humans (bankers) as though they have the ability to call something out of nothing is to treat them as though they are god and to invite them to rob and eventually to destroy you. God grieved how Israel "made idols for their own destruction" or "that they might be cut off" (Hosea 8:4) It seems to me that to knowingly do that would make one guilty of idolatry and theft (see the Westminster Catechism quote above). Commercial lending thus robs and oppresses people. Idols always oppress but God says He will in His own time judge and way destroy all idols. Read more about this in **Idols for Destruction** by Herbert Schlossberg which also treats our sinful forms of currency and banking as idolatry). The inevitable result of America's treating men as though they were god is that all of us are suffering under a very heavy burden of debt oppression. **Only God should be treated as God**. Make no mistake, **America is held captive**. The Bible's book of Nehemiah (chapters 5 & 9) records the sad story of God's chosen people (Israel) being "in the land" of liberty God gave their fathers, yet effective "slaves" in it due to their sins and the resulting captivity. This largely parallels our situation in America today. Even secular humanists at CNBC reported on June 25, 2012: **"We are absolutely slaves to central banks".** And banksters want to bring to fuller manifestation and power (military, industrial, economic, environmental) the "effective global government" already being run by them. If one feels he has no other choice than to seek a commercial "loan" because the bank masters are so in control, he ought to cry out to God's Son Jesus to forgive us for our sins and to save us from them and from such oppressors (who usually come as judgments from God for sin- read the Bible's book of Judges). To become a slave and surrender one's estate (or America's estate) to be plundered (all our labors expended in effect ultimately for nothing) for a banking system that is anti-God, anti-Constitutional and anti-American and bent on creating a new world order off the backs and sweat equities of others is against God's word and most undesirable in light of it. So, do what you can to prevent this. Find ways around commercial loans. Rent, locate private IOUs/mortgages from those who will really loan for a time some of their own hard earned assets in exchange for interest for letting you use their money and putting it at risk, ETC. The fraudulent banking system that creates loans and money out of nothing and gives the people nothing for something (their hard labor for years) not only defrauds the people, but also enables the fraudsters/banksters and corrupt government to fund and promote incredible evils and injustices such as abortion, secular humanist education, homosexuality, attacking Christianity and other unconstitutional activities,

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

commandment in Exodus 20, on which see Westminster Larger Catechism Q & A's 140-142; Ephesians 4:28; Philemon; Iceland reportedly declared such a Jubilee; Jesus was sent by God to be our "Jubilee Incarnate" foremost for our spiritual/moral debts (eternally more important) but as Scripture shows, when a nation turns to Him, a happy result will be experiencing Him as their Jubilee Incarnate economically as His laws become theirs; **2) restituting** the stolen property (see Exodus 22 which gives restitution rates for thieves without conscience; Leviticus 6 gives restitution rate for thieves with conscience; Luke 19:1-10. In America, part of this restitution per Scriptures e.g. Matthew 10:9 (as taught by such founders as Rev. John Knox Witherspoon in his Essay on Money) requires return of gold, silver and copper coin **as soon as possible** (as the supreme human law of the land -the Constitution -already requires in Art. 1, Sect. 10).

8. **So, God's word clearly calls us to:** 1) repent; 2) require sinners[13] enslaving hundreds of millions in *fraudulent* debts to ***release/shemitah*** them. Such fraudsters ought to do so voluntarily (because the Lord Jesus Christ said so), or, Congress and the courts ought to do so because He requires them to (as does their oath to uphold de jure Constitutional government), or Scripture reveals God as Enforcer can bring it about some other way. As known by Scripture and witnesses confirming His judging us, we have - as always - set before us **knowledge that requires a response** that can either **1) involve jubilation and salvation** by turning to Jesus as we experience Him as our Lord and Savior; **or,** by ignoring God's call, we choose a path that will **2) involve more judgments** where we experience Him as just Judge and righteous Avenger. Moses said: *"See, I have set before you today life and good, death and evil,... and .I call heaven and earth as witnesses today against you, that I have set before you life and death, blessing and cursing; therefore* ***choose life,*** *that both you and your descendants may live".* (Deuteronomy 30:14-20).
9. While I do not claim God ***is*** enforcing the **7 year cycle** He gave Israel, **I FIND CERTAIN THINGS REMARKABLE IN MY GOD'S PROVIDENCE: a)** *God in His providence brought brother Cahn to an absolute certainty that 9-11-01 and 2008 WERE both judgments from Him. Because I knew both were because I prayed for them and God answered, as others can attest, this was absolutely confirmatory to my soul - praise God - despite my failure in belatedly sharing the message of 911 with President and media (after forgetting my prayer for a time- see www.anchoroftruth.org, God graciously allowed the message of judgment to come - at least to some degree - to the masses of my country which is suffering judgment AND brother Cahn was preaching for America to come back to Him in light of the good news about Y'shua (safety/salvation). How I was humbled and blessed the Lord for getting the message out when President Bush, media refused/failed to. God blessed America by allowing Christ Jesus in this very way to be preached and in that I rejoice!* **b)** that in God's providence brother Cahn should bring up the issue of God's requirement to cancel debts! To me this is the more remarkable given 1) the start of my 911 prayer made mention of the Federal Reserve as a modern day evildoer equivalent to those of Psalm 73's day; 2) God's providence in the wake of 911 whereby He discovered to me their being far greater fraudsters of America than I ever imagined (Jesus please be our and the world's Jubilee Incarnate in

whether by bribery and or other means. We must pray that Jesus brings down this evil power engine.

13 Such sinners are quite well described by Habukkuk 2:5b-14 "Because he enlarges his desire as hell, and he is like death, and cannot be satisfied, he gathers to himself all nations and heaps up for himself all peoples. "Will not all these take up a proverb against him, and a taunting riddle against him, and say, 'Woe to him who increases what is not his—how long? And to him who loads himself with many pledges'? Will not your creditors rise up suddenly? Will they not awaken who oppress you? And you will become their booty. Because you have plundered many nations, all the remnant of the people shall plunder you, because of men's blood and the violence of the land and the city, and of all who dwell in it. "Woe to him who covets evil gain for his house, that he may set his nest on high, that he may be delivered from the power of disaster! You give shameful counsel to your house, cutting off many peoples, and sin against your soul. For the stone will cry out from the wall, and the beam from the timbers will answer it."Woe to him who builds a town with bloodshed, who establishes a city by iniquity! Behold, is it not of the LORD of hosts that the peoples labor to feed the fire, and nations weary themselves in vain? For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea." and the LORD pronounces His curse over such in Zechariah 5:1-4. In wrath may God remember mercy.

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

every way!); for this too I praise God; **c)** *I find it remarkable there was a 7 year span between 911 and 2008's prayers and judgments and that God led me to pray in 2008 for what resulted in a Great Recession.* **d)** that through Cahn God as well brought to light the biblical principle that these judgments called government and bankers to repent. Scripture faults men for not recognizing God's judgments. So, bankers, a compromising Congress as well as extremely corrupt[14] courts should indeed have repented after 911. The wrath of God is being revealed from heaven and pastors like Pat Robertson and Jerry Falwell called us to repent, declaring God had judged us in 911 and had removed our protections. Amen! My making known to a covenant head (President Bush) and those required to warn the people (the media) formally **serving notice** to the body of America of the import and meaning of 911) and thus also notice to bankers and government to repent. **e)** Though Bush and media are guilty of not performing their duty to inform the nation of the **desperately urgent** message I informed them of, God still brought out through brother Cahn a clear and sure message that we had been judged and further brought a great many to pay attention to Scriptural principles requiring release from oppressive debt -right at this time and in connection with these judgments. **f)** Cahn's heart was very obviously greatly burdened just as my own. And just as I warned Bush and media greater judgments would come if we did not repent, so did he. This is still a burden both have: reading in Scripture how God gave Israel repeated chances to show their trustful obedience by release every 7th year (but they didn't, so He enforced the shemitahs by judgment -Lev. 26/2 Chron. 36) should -regardless of whether God is enforcing the release every 7 years or not- make the wicked fear and the righteous rejoice. Because the same God who delivered Israel from Egyptian bondage is still on the throne and "executes righteousness and justice for all who are oppressed" (Psalm 103). I humbly admit I don't know whether God is using the 7 year cycle. But the Scriptural and moral requirement to release people from **fraudulent debt** is beyond all dispute. Scripture shows that failure/refusal to release people of perpetualized, fraudulent debts is a sign of oppression and a measure that sin abounds (cf. Isaiah 1 & 59).

10. Because righteousness **must** be done ("do justice to the fatherless and the oppressed, that the man of the earth may oppress no more." - Psalm 10:18), **I here do my God given duty to call lesser authorities to repent, restitute and release. At the same time, I here do my God given duty to call on the Most High Authority - the Lord Jesus Christ- to please *mercifully enforce His justice and righteousness*[15] if the lesser magistrates don't and when He thinks its right.** Just the fact God allowed a 7 year gap between 01 and 08 and the fact that He led a servant of His to draw attention to it should make us all consider before God how His Scriptures require us to **1)** lay down our spiritual and moral debts (sins) at Jesus'

14 We all see it nearly everywhere. After addressing related issues with courts, I found them exceedingly corrupt.

15 All Scripture shows Mercy ALWAYS comes ONLY in connection with righteous Judgment in a fallen world: God's promised mercy of the Savior came in connection with judgment on Satan (Gen. 3:15); His mercy to Noah and household (us- we are Noah's children) came with a global flood on the rest of the wicked world (I Pet. 3:20); His delivering Israel from Egypt came by judgment/ death of the firstborn (Exodus 12) while Israel's firstborn were delivered only because -as signified by the blood on their doorposts - the Lamb as a Substitute bore the death they deserved for their sins, God's firstborn Son and Servant stepping into history to represent His people who are – Jew or Gentile through the promises made to Abraham- His firstborn (Exodus 4:22-23; Hosea 11:1; Matthew 2:15; Colossians 1:15-18) and servant (Exodus 4:22-23; Isaiah 43-53; Acts 3:13, 26; 4:27, 30); His mercy in delivering Israel from oppressors (through and in Judges) came as He righteously punished their oppressors; Israel was preserved from total apostasy and eventually returned to acknowledge "YHWH is God" only through Elijah's prayer for a drought (I Kings 18); His Mercy to atone for and save souls from everlasting hell came only in connection with His giving His own dear Son Jesus to suffer the Just death penalty in hell we deserve for our sin (Leviticus 17:11; Psalm 65:3; Revelation 13:8); America's founder's prayers for deliverance/liberty came only as they prayed and God answered by pouring wrath on unjust and oppressive British government troops; and the mercy of resurrection unto everlasting life for the just will come only in connection with the resurrection unto everlasting punishment of the wicked on the same day (John 5:28-29; Acts 24:15). That is the way it is because God is just and God is merciful and this is God's creation, universe and world: "In the beginning God created the heavens and earth." (Gen. 1:1) "The earth is the LORD's and the fullness thereof, the world and those who dwell in it." (Psalm 24:1). God's justice has a cleansing effect (cf. Noah's flood) so Genesis to Revelation praises God for His judgment (Ps. 96; Rev. 19).

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

feet and find release/forgiveness there (alone), and **2)** have the same occur in the economic realm as required by God. *Fraudster, thieving bankers and partners (Congress and the courts - cf. Isaiah 1: 21-23)* ***-cancel all such debts!*** Despite repeated calls and judgments for this, America has not yet given up its sins/moral debts nor the bankers/government their debts whereby they enslave the American people. Judging by God's word then, the prospects for judgment in the economic realm **are staggering**. **Twice** already He judged our materialism: in the Twin Towers and in the Great Recession. Yet we refuse to turn. God will not be mocked. He will judge. On Elul 29/September 13??? Scripture tells us: **1) God graciously provided the full atonement and release** for all the sins of all those who trust in Him and His Son. As seen by Isaiah 9: 6-7 et al (see www.godblessisraelministries.com) Jesus as the God-man paid by His sufferings the ransom for the souls of sinners like ours, a ransom which no one else can or could ever do had they all eternity to try (Psalm 49; Isaiah 52: 13-53: 12; John 14: 6; I Timothy 2; I Peter 1); **2) we then can by God's free and lavish grace repent and believe on Him and show the fruits of our repentance**. God commands us to show we really trust Him to be our God by doing as He commands: get rid of everything from our individual, family, congregational and national lives that breaks His law, learn to do what is right and do it with all our heart! Idolatry, abortion, all immorality, Federal Reserve Act/paper currency, fraudulent loans all must be canceled! But those are only some of our national sins. I leave it to faithful pastors to preach the whole counsel of God wherever they are to the various sins needing exposure and repentance. ALL sins must be turned from for Jesus is Lord of all of life and the world. If we seek the forgiveness, grace, protection and help of the living, gracious Lord Jesus Christ for all this transition, **all of it could probably be done in a fairly peaceful way (even if God allows a measure of vengeance).** We have God's gracious promises to bless America in Psalm 2: 12 "*Kiss the Son, lest He be angry, and you perish in the way, when His wrath is kindled but a little.* ***Blessed are all those who put their trust in Him****." and 33: 12: "Blessed is the nation whose God is the LORD"*. Just as surely as He **will** bring more judgment if we do not repent, so surely He **will** restore the years the locusts ate **IF** we do repent (Joel 2: 25). HALLELUJAH!

20. **But realize, you need a Savior. Read Romans and you will see:** God is good. Our problem is that we are not. Ever lied? Stolen? Lusted? Desired some part of God's creation more than Him? By nature we are liars, thieves, adulterers and idolaters. Then when you stand before God – a righteous Judge - will He find you guilty or innocent? Guilty! Where do the guilty go- heaven or hell? Hell. **We all desperately need a Savior!** The Bible says: ***"...the wrath of God is revealed from heaven against all... unrighteousness of men."*** (Romans 1: 18)[16] By judging in history, God reveals His hatred against sin and reveals that our sinful rebellion deserves eternal punishment (Genesis 2: 17; Romans 6: 23). Such judgments are **unusual**[17] because He fills our lives with sunshine, rain, food, breath, health and so much more. Though we are sinful, He has been SO long-suffering. **But that goodness and long suffering must lead us to turn from our sins. And His judgments seriously warn:** God is angry with sinners and will punish and burn them in hell forever unless they repent and are saved. So we **need a Savior** able to take care of our sins and to rescue us. Jesus alone is that Savior. He alone by Himself[18] can and did the work

16 God judges nations: Sodom, Israel, Judah, Assyria, Babylon, Rome (see Leviticus 18, the prophets such as Amos, Romans 1: 18).

17 Warning men not to mock God, Isaiah 28: 21 warns: "For the LORD will rise up as at Mt. Perazim, He will be angry as in the Valley of Gibeon- that He may do His work, His awesome work, and bring to pass His act, His unusual act."

18 From the beginning, man's nature is to try to save himself by covering up his sin by his own supposed good works/the works of his hands (sewing fig leaves together to cover his nakedness and shame). Our gracious Creator - knowing sinful man's best works utterly fail His holy requirements – promised to provide a Substitute who would sacrifice His life in place of sinners like us. Scripture makes it clear that **God and God alone** can and does provide salvation for us from sin and all its consequences- see Genesis 3: 7-21 (especially 7 & 21); 22: 7-8, 14: "And Abraham called the name of the place, The-LORD-Will-Provide; as it is said to this day, "In the Mount of the LORD it shall be provided."; Leviticus 17: 11; Psalms 2, 49, 65: 3; 118: 22-29; and particularly Isaiah 52: 13-53: 12 especially vv. 6, 10-12; Hosea 5: 13-6: 6: 3 and 3: 4-5 (and Ezekiel 36: 16-28 shows His Spirit will be the cause of this); Daniel 9: 24-26; Zechariah 3; 12: 10-13: 1; Luke 15: 11-32; John 3: 1-18; 4: 10; 17: 9 & 18: 24. Man thus receives this salvation by grace alone through faith alone apart from his own sin-tainted works

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

of saving sinners like us. It is not by our works as all false gospels and false religions teach[19] but by His gracious, free, compassionately providing His only Son to both live and die for sinners -Jew or Gentile- like us.

21. Though we deserve hell, God so loved the world that **He "gave His only begotten Son so that whoever believes will not perish but have everlasting life"** (John 3:16). God's Son became a man **so that** 1) He could obey God's law for us who broke it in Adam and in our own lives; 2) so that He could suffer the horrifying death and curse sinners like us deserve. Because we broke His law, we could not/cannot keep it to get right with God. Neither could we endure eternal, divine wrath – only Jesus who was both fully God and fully man could. In love, eternally greater than Rescuer or fireman on 911, Jesus accomplished every thing- obeyed all the law and suffered all the penalties for our breaking God's law.
22. God, having graciously provided Him for just such sinners as us, assures us that if we will turn to His Son to save us out of our sin and misery, HE WILL! God will become our loving Father in Jesus and we will enjoy His presence, care, protection, forgiveness, and His face shining on us like warm sunshine. **All because of Jesus**. Salvation is a free gift of grace, entirely unearned, received as a gift. Sure we have to run away from sin - like those running from a burning building. If we feel ourselves chained to sin, Jesus may be called on in prayer for deliverance . Earnestly and sincerely look to Him in all your weakness and ask and then depend on Him to forgive, save and make you right with God forever. He promises He will: "*Seek the LORD while He may be found, call upon Him while He is near. Let the wicked forsake his way, and the unrighteous man his thoughts; let him return to the LORD, and He will have mercy on him; and to our God for He will abundantly pardon.*" (Isaiah 55:6-7).
23. God gave assurance of His Son's claims by raising Him from the dead 3 days after He died[20]! **And by His making predictions and bringing them to pass!** Jesus' resurrection was predicted **hundreds of years** before it occurred in the Old Testament/Tanach (see Psalms 16, 22, Isaiah 52:13-53:12, Hosea 5:13-6:2 et al), and so were **hundreds** of other parts of His life. Daniel 9:24-26 foretold WHEN Messiah would come in history: namely, **before** the 2nd Temple's destruction (which was in **A.D. 70**). Details of Jesus' ministry, death, resurrection and exultation were all foretold as shown below. **ONLY THE CHRISTIAN BIBLE HAS SUCH FULFILLED**

-Genesis 15:6 (God declared Abraham righteous before he was circumcised in obedience to God's commandment - 17:11,26; cf. Psalm 33:1-5; 34:22; Habukkuk 2:4; Romans 1-12; Ephesians 2:8-10 et al. Now that Jesus died the death His people deserve for their sins, we who trust in Him are forgiven and stand right before God (Psalm 2:12; Isaiah 53:11-12).

19 **I swear to God** that after watching "**A Lamp In The Dark: The Untold History of the Bible**" and its sequel "**TARES AMONG THE WHEAT**" about the Roman Catholic Church's false gospel that sends people to hell, I prayed that the Lord Jesus would show His wrath towards that false church both by causing its pope to resign and by striking its Vatican not just once but twice with lightning. About a week or two later I heard or read in the news that both had happened. Reported by http://www.mirror.co.uk/news/world-news/lightning-bolt-hit-vatican-not-1705156 that some considered it "to be a sign from **God**" I say yes it was! Loving my neighbor as myself means seeking to warn those trusting in their/others works not to but to trust in Jesus of Nazareth alone! I am not boasting- Jesus just really has answered these and other such prayers as well as prayers for people's salvation, healings, spouses, children, prosperity and more – because He is alive! So I give my personal testimony confirming that **Jesus is God** and as He through His apostle Paul teaches in both Romans and Galatians (chapters 1, 2 and 5), He 1) warns that He curses those who teach anything but "the truth of the gospel" that salvation of sinners occurs by grace alone through faith alone that looks to Jesus alone to save, and 2) warns that those who trust (or show by their works that they trust) in their or other sinner's works to save them "**have fallen from grace**", are "**debtors to the whole law**" (you have to have never ever sinned past, present or future and must perfectly from the heart at all times keep all God's laws if you want to be saved by your own works- impossible- for we all already broke God's laws in Adam- Genesis 3/Romans 5) and that trusting in your own works at all to make you right with God result in this: "**Christ will profit you nothing**" - you will perish in hell. Knowing this from Scripture and Jesus' answer, why should I not warn people so that on judgment day they do not stand among those who will perish? Let all know that Jesus is alone the all-sufficient Savior and that having Him we need nothing else and no one else to approach God. Both the hymns: "Not What My Hands Have Done" and "Come to the Savior Now" assure us of these happy truths.

20 See RISEN INDEED: EVIDENCE FOR THE RESURRECTION by D. James Kennedy which destroys theories against Jesus' resurrection. Studying it with JESUS: THE GREAT DEBATE (Grant R. Jeffrey) brought me to agree with Kennedy that that the many determined scientific facts from the Shroud of Turin bring us to conclude this "image of a man" shows he was "a Jew" "flogged" "crowned with thorns" and "crucified", While scientists will not say "this was Jesus", probability scientists concluded "the probabilities were 1 in 225 billion that this was some other than Jesus of Nazareth." And, "there is evidence...for the Resurrection", "no decomposition in the body....proved by repeated tests", and "complete correspondence and confirmation of all the biblical details of His...crucifixion ...burial, and... resurrection. It seems that God has given us another amazing confirmation of His Word. In this day of...unbelief, God seems to be delighting in raising up first one thing and then another to confound the skeptic...to show that His word is true."

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

PROPHECIES. God claims only He can predict the future (even years before it occurs) and bring such predictions to pass. All other religions and gods utterly fail this test (see footnote[21]):

24. **How will you respond?** God's prophet Joel both warns you with God's justice and woos you with His mercy "....strong is the One who executes His word. For **the day of the LORD[i] is great and very terrible; who can endure it? "Now, therefore," says the LORD, "Turn to Me with all your heart,** with fasting, with weeping, and with mourning."....Return to the LORD your God, for He is gracious and merciful, slow to anger, and of great kindness; and He relents from doing harm." Perhaps this warning provokes you to anger. That is a sinful nature response. Consider God's goodness to you: how He created you and upholds your life. You breathe His air, drink His water, eat His food, walk His planet. He is still being good to you ***right up to the present***. Praise Him! And now think, He gave **His own Son, Jesus, the One whom He loved,** in love and compassionate concern in order to die in the place of sinners like us! Knowing that God has already graciously provided forgiveness, acceptance, joy, and life everlasting with Him through His Son frees us to admit that we are guilty, that we can't ever earn God's favor or approval by our own lives or efforts and to entrust ourselves to the most loving and gentle Savior we could imagine! Knowing this gracious provision of God in Jesus tenderly assures and invites us to freely and fully depend on Jesus, committing ourselves to Him, believing Him to do as He promised: receive and save all who call on Him to be their personal Lord and Savior. Our situation is desperate but He is so desperately good and has already done ***everything*** we need to be right with God! **Allow God's goodness and promised of pardon to draw you to Him.**
    1. **Yes, God is graciously ready to pardon our sins!** Psalm 86:5: *"For You, Lord, are good, and ready to forgive, and abundant in mercy to all those who call upon You." "Come now, and let us reason together, says the LORD, though your sins be as scarlet, they shall be as white as snow; though they are red like crimson, they shall be as wool. If you are willing and obedient, you shall eat the good of the land" (Isaiah 1:18-19).*
    2. **Yet, God is righteously ready to pour out wrath for our sins!** So far, America has not repented! 3 times our so called leaders uttered Isaiah 9:10's words in response to 911 judgment proving our defiant, unrepentant spirit. As we saw earlier, God through Isaiah thus gives us reason to expect **greater judgment:** (see again Isaiah 9:11-14, page 1). Yet there is hope! **God is waiting to see if we repent.** Yet here we are - filthiness from the Supreme Court, wicked government sanctioned slaughter by abortion/selling of aborted babies, with 56 defenders of the murder of 56 million murder in Congress- each owns a share in the bloodguilt of the 56M for being calloused like Nazis, UNCONSCIONABLY defending the indefensible horrors of America's SS Planned Parenthood in their murdering, cutting up and using body parts with no less bloodguilt than Nazi Germany's (see similarities in the DVD Nazi Hunter)[22]. Despite our KNOWING what the Almighty did to Nazi Germany, we pretend

21 "Present your case, says the LORD. Bring forth your strong reasons, says the King of Jacob. Let them bring forth and show us what will happen; let them show the former things, what they were, that we may consider them, and know the latter end of them; or declare to us things to come. Show the things that are to come hereafter, that we may know that you are gods; yes, do good or do evil, that we may be dismayed and see it together" (Isaiah 41:21-24). God says in Deut. 18:22: "How will you know that a prophet is sent from Me? By this you shall know that he shall tell the future and if what he prophesies does not come to pass then I have not sent him" As D. James Kennedy wrote: "...prophecy is one of the methods by which the Bible authenticates itself as the Word of God....[S]ome people would not appreciate ... this because they do not realize that this also is something which is strikingly absent from all other religious writings. ...In...the Koran, the scriptures of the Muslims, we find only the prophecy of Mohammed that he would return to Mecca, a 'self-fulfilling prophecy,' which he himself, of course, fulfilled. This is... different from...Christ, who said that he would rise from the dead. And that is just one of several thousands of prophecies that occur in the scriptures and which are of the most *specific, concrete, and definite nature.*" (pp. 85-86 EVANGELISM EXPLOSION). See also http://www.thebookwurm.com/amh_tc.htm .

22 This reminds me –God answered prayer against abortion and fetal experimentation earlier too. On Jan. 18, 1998 I preached "Abortion, America and Judgment" at a church in New Jersey from Ezekiel 14:12-23. I said: 1) abortion is murder by which nations incur bloodguilt and a death sentence for unrequited innocent bloodshed; 2) Amos 1-2 proves God's patience runs out with nations. Sickening atrocities (like gutting a woman's child from her) then and now greatly arouses God's wrath. 3) God is greatly angered when government entrusted with the sword does not use it to protect innocent life, but helps slaughter it. **God will send judgment** on our land like He has other civilizations. 4) I detailed sickening atrocities Clinton was directly involved in including the ghastly bloodguilt of millions of unborn children and the ghastly, Nazi like experimentation on the living children who survived their abortions- all to advance "science". 5) Scripture says we **must expect** judgment for this. Among other applications, I said: "We also need to pray the imprecatory psalms like Psalm 94 – 'O God of vengeance, arise! Strike down those who have been shedding the blood of innocents." Balancing grace and justice by then still asking God to still spare us, in the congregational prayer, we prayed: "*Father, we thank You Your Word reveals You are a just God, involved in the affairs*

God's duty to you : 1) get right with Him thru Jesus; 2) avoid blood guilt by sounding the alarm to those needing to hear **greater judgment is coming**; if you are silent, you incur blood-guilt (see herein).

He does not see what we do or hear the unborn crying for vengeance! **We desperately need to obey Joel! To – as people on 911 ran for their lives- run from sin and to the loving Savior Jesus!** Kneel, tremble, ask God for Jesus' sake to forgive you and free you from all sins! Ask Him to spare your family, community and to forgive your nation! Call others to meet with you to hold Joel 2 and James 4:7-10 sacred assemblies! Pray using Neh. 9, Psalm 51, Jer. 3:22b-4:4; Dan. 9:3-19; Luke 15:11-32. Fast, pray, weep and throw away all sins and things that cause you to stumble into sin! Receive, rest and rejoice in God's Savior and His free, powerful, amazing grace. God's promises: "I will never leave you nor forsake you".

25. **For further reflection:**
    1. Does your conscience tell you you've sinned against God? What has God SO graciously done for sinners like you to provide a solution to your sin problem?
    2. Do you know what you must you do to be saved? Will you do it?
    3. Do you believe God will forgive you if you turn to Jesus BEFORE either a judgment or regular death calls you before His throne? Are you ready right now to appear before God? Would you go to heaven or hell if it were now?
    4. Given that you do not know when you will die, no guaranteed next breath, do you care for yourself enough not to risk dying and being eternally separated from God in hell forever due to putting off turning to Jesus today?
    5. Will you repent of your sins and call on and trust in Jesus to be your Savior and Lord?
    6. As a sign of trusting obedience to God, will you seek a faithful, evangelical church to worship Him with each Sunday along with His believing people?
    7. Why do you think God allowed our nation to become enslaved to fraudulent debts/bankers? Why does He allow Congress and courts to perpetuate the fraud? (Hint: read Judges).
    8. Are you thankful God offers forgiveness in Jesus? Requires cancellation of fraudulent debts?
    9. Will you call on Jesus to deliver our nation from our moral debts as well as fraudulent debts? Will you re elect the 56 who voted for Planned Parenthood funding after abortion's evil was put in our faces by God? Call for restoring Constitutional a) gold & silver and b) government?
    10. What will you do to help share this information with others so they also may experience God's forgiveness and prepare for potential judgments facing America?
    11. **For a fuller treatment of this matter, see <u>www.anchoroftruth.org</u> . Before writing with questions, objections or concerns, please see that website first. Thank you.**

of our day. We are glad, for as we hear the bad news about abortion and experimentation on children, our hearts are deeply grieved. We are unrighteous, and for us to be grieved tells us how much more grieved and angered You are by that. Father we see so much around us that does not acknowledge Your law and Your holy Son's government. We would not O Lord agree with that, we would not be idle, O Lord, in the face of that, but we would O Lord call upon You, the just and holy God, and the God of mercy and grace, to have mercy upon us and our land. Father, for 25 years we have killed some 37-40 million children. The land is filled with blood and polluted and we beg You O Father to forgive us and to have mercy on our land and yet to use Your people to cause a mighty revival in this land. May it be that You spare this land. Yet Father if it is not Your will, or if those who have heard the gospel and continue to hear it refuse to obey it, then O Lord our God, that we may not be judged with them, we pray that You would remove wicked men from office, that You would give us godly rulers O Lord, that the light of Your Word might be effective in changing this nation, and its course, its destiny." **I meant particularly Clinton. 1-3 days later, the Monica Lewinsky story broke leading to Clinton's impeachment.** Jesus answered prayer, placing a permanent dishonor on Clinton's name (but Jesus can restore). Test these testimonies by the Bible and read of MANY MORE such works of God and His Messiah in the Bible. Believers, pray Jesus removes tyrant Obama from the White House And pray that the words of Psalm 28:8 do not have to come true any further for America: "Because they do not regard the works of YHWH...He shall destroy them."

Affidavit On Behalf Of Rev. James Graveling

Knowing that by swearing an oath in God's Name means I solemnly testify that I speak the truth and call on God as Witness and Judge against me if I were knowingly lying, I the undersigned swear in the Name of God that to the best of my knowledge the following is true and correct:

Summary: I bear witness of: 1) Rev. Graveling's character and 2) his claiming to have prayed for 2019's drought and 3) of my hearing him pray for at least the temporary end of the 2019 drought and seeing it occur thereafter.

Purpose: I earnestly urge whoever the reader may be to consider seriously: a) God's word, b) our lawbreaking/sins, c) God's real wrath we have suffered for our sins, d) God's warning of greater wrath if we do not repent and get right with Him through Jesus, e) Rev. James Graveling's character and sworn testimony that confirm God's word and seriously urge us to return to God in Jesus before God sends more wrath.

1. Rev. James Graveling is a man I know to be of impeccable honor. He recognizes his overwhelming accountability first to Almighty God so he has shown himself willing to suffer to do His will. He asked me to sign an affidavit he drafted in order to bear witness that I heard him: 1) claim he prayed for 2019's drought; 2) pray for the drought's end – at least temporarily – if that was God's will, and that I saw rain come thereafter which likely was God's answer.

2. I have known James and observed his and his family's life over ten years. I have seen him endure various hardships to be faithful to God as the Bible requires. So I know his claims truthfully describe what he sees happening in our nation from a sworn firsthand personal witness perspective.

3. As both God's laws and America's teach, because God is our Creator, we must trust and obey Him. Doing so resulted in America being blessed; not doing so has resulted in God's displeasure and measured wrath to date, thanks to His mercy and longsuffering.

4. After I knew him a while, James told me that after praying for decades for God to spare our nation judgment for its idolatry, murdering millions by abortion and immorality, because he did not want Americans to go to hell nor see America destroyed as God's word warns, he cried to God on the morning of 911 that if God thought it right to perhaps cause the Twin Towers and Pentagon to be attacked to turn us from our sins. He told me he vowed in that prayer that he would tell the President and media if God answered but that he had forgotten his vow. He told me God reminded him but that he forgot again so God chastened him by causing him to lose his rental houses. Because of the importance of the prayer and God's answer, he told me he had prayed and was looking to God to restore not only what he lost financially but through God's restoring the finances to give confirmation that his claim about praying for 911 and God's chastening him was true. He wanted this so the significance of 911 might be known so people might yet be called to return to God in Jesus and be restored to God.

5. As a friend of his and his family I have seen and heard over the years various things he believes, God led him to follow and work with God toward His restoring all he lost. Since he told me about his forgetting his vow, he shared with me how he believes the Lord led him to process for refunds as well as to ask for proof that the lender really gave him the loan he asked for. In doing these things he suffered yet has endured because he was confident God led him to do these things as part of God's leading in order to see his forgetting and his vow failure's effects on America and beyond restored.

6. God's word shows we deserve God's wrath for unrepentant sin for decades. I trust what James said about his praying for 911 and God answering with it is true. His claims fits perfectly with Scripture, history, his character, Scripture knowledge, faithful preaching, and walk before God. Scripture assures me he is telling the truth about 911 because it says God does not answer prayers of those who know they are breaking God's law and refuse to repent. Psalm 66:18-19: *"If I regard iniquity in my heart, the Lord will not hear. But certainly God has heard me, He has attended to the voice of my prayer.*". See also Psalm 18:20-27, 37-42; Proverbs 1:22-33; 28:9; John 8;

I Peter 3:7, et al. So having seen and/or heard of God answering other prayers of his, I expect that if he lied about 911 God would not keep answering his other prayers prayed after 911. **Three examples**: **1)** I have seen signatures of congregation members that their congregation prayed for the Lord Jesus to give what became 2007's drought and who later recognized Jesus had answered that prayer for drought. I know some of those who signed. James told me he led the congregation in the prayer and the others heard him pray. **2)** With two others, I heard a recorded phone call of James and his father. Reportedly after James had concerns of fraud in his house loan he asked the lender Coastal States Mortgage Corp (CSM) for non fraudulent proof of their giving him the just and true loan he asked for. They did not do so yet reportedly tried to foreclose. So James led his family and his father in prayer that: a) CSM would be exposed as fraudsters, b) CSM's President Patrick Mansell would be imprisoned, and c) CSM would be shut down. I heard his father affirm both that he recalled James' prayer for those things and his joy that God had answered. I and two others heard this recording and signed affidavits that James' transcription of the recoding was true and accurate. **3)** 2016's drought: two of James' family members affirm under oath that they recall that after James appealed to all our courts and none would do justice when people were trying to steal his house by forged documents and other wrongs he finally appealed to God for 2016's drought. I have heard James' family members affirm they heard James pray for 2016's drought. I remember James telling that he and his family had forgotten that drought but that after God's providence had them recall it they prayed for its end and it ended a week or so thereafter.

7. James shared with me that he had prayed for 2019's drought. I know God's word makes examples of such prayers and I believe God answer his prayers so when he told me this I told him I did not appreciate it, partially in gest, because I felt it really just hurts the farmers. James' response was to tell me he prayed for it because though he shared God's word and its call to repent with those in courts and law enforcement who wronged him in the theft by forged documents of his house, though he told them about God's answer about 911 and 2016's drought, and because even some in the church do not hear nor want to let be heard his testimony that confirms God's word that we are being judged by Him. God's word shows it is by such judgments God often causes men and nations to return to Him. James prayed in his great grief since God is not being glorified, though God's word, our sins, and God's wrath in answers to prayers all warn God is angry with us so He keeps sending remedial wrath to call us to return to Him. In God's kindness we have not yet been destroyed, yet neither lawbreakers in government nor even some in the church want to hear or let be heard this message. So, not wanting people to suffer God's eternal wrath (911 was only a small example) and not wanting to see America's destruction, he keeps praying for remedial judgment since few will listen to God's word and to save others from eternal destruction. He told me that he did not desire to pray for drought unto famine, yet felt he had no other choice for no one would listen to God's word and the sworn corroborating testimony that confirms God's word God gave him and because whatever God's will is always best and right. He told me he felt God's Spirit repeatedly urge him to **pray for drought – this time unto famine-** so he did and found God has partially answered this with the 2019 drought as a third drought.

8. James also suffered from these judgments, yet God's glory first and secondly eternal souls are more important than our happiness so he prayed according to what he understood God wanted him to pray. In that conversation he offered to pray again with me, to pour out his heart to God his reasons and why he felt led to pray for the drought, as well as to follow Amos 7's example and to pray – if it was God's will – for Him to relent from the drought if He wanted to and or to give us – as Jesus said He gives people space to repent (Rev. 2) so as to – giving us a chance to repent – to see if we will or if He will return things so the drought is manifest again and goes unto famine if that was His will. James said it is all up to God as the Sovereign. He prayed to please at least relieve us of the drought by rain temporarily, and then, depending on the response of the Federal Court of Claims and America after he brings his refund matter to said Court and displays the matter to America, then, if God sees we do not repent, if He wants to restore the drought unto famine, then do that Lord if it is Your will. The next week after that prayer we had enormous rain which seemed to end the 2019 drought. Knowing then God's word, our deserving His wrath, the things that confirm James' claims, I am a firsthand witness both that James claimed to have prayed for 2019's drought, that he prayed God would relieve us of it at least temporarily and contingently, and that God – since we are to make judgments by His word - which teaches He answers such prayers for judgment to call men and nations to repent – answered his prayer for 2019's to end at least temporarily and contingently.

9. After God answered his prayer by relieving 2019's drought, I shared Deuteronomy 28:45-47 as a relevant application for America: "*All these curses will come upon you. They will pursue you and overtake you until you are destroyed, because you did not obey the LORD your God and observe the commands and decrees he gave you. They will be a sign and a wonder to you and your descendants forever. Because you did not serve the LORD your God joyfully and gladly in the time of prosperity.*" As well 1 Corinthians 11:31: "*But if we judged ourselves, we would not come under judgment. When we are judged by the Lord, we are being disciplined so that we will not be condemned with the world.*" Most of America is obviously part of the world that neither trusts nor obeys God so most will be condemned unless they believe on the Lord Jesus Christ with a true biblical faith. God's limited judgment therefore shows His love for us in order that some will be saved.

10. Our nation was founded a Christian nation. So we are more accountable to God than nations who never acknowledged Christ. Puritan Pastor John Winthrop in 1630 risked storms on the ship to come to what was to become America. He coined the often incorrectly used Biblical phrase "**A (shining) city on a hill**". His words then echo down the centuries to warn us now:

> Now the only way to avoid this shipwreck and to provide for our posterity is to follow the Counsel of Micah, to do Justly, to love mercy, to walk humbly with our God,...for we must Consider that we shall be as a City upon a Hill, the eyes of all people are upon us; so that if we shall deal falsely with our God in this work we have undertaken and so cause him to withdraw his present help from us, we shall be made a story and a byword through the world, we shall open the mouths of enemies to speak evil of the ways of God and all professors for God's sake; we shall shame the faces of many of God's worthy servants, and cause their prayers to be turned into Curses on us till we be consumed out of the good land whether we are going: ...Beloved there is now set before us life, and good, death and evil in that we are Commanded this day to love the Lord our God, and to love one another to walk in his ways and to keep his Commandments and his Ordinance, and his laws, and the Articles of our Covenant *[the Mayflower Compact]* with him that we may live and be multiplied, and that the Lord our God may bless us in the land whether we go to possess it: But if our hearts shall turn away so that we will not obey, but shall be seduced and worship other Gods our pleasures, and profits, and serve them, it is propounded unto us this day, we shall surely perish out of the good Land whether we pass over this vast Sea to possess it; Therefore let us choose life, that we, and our Seed may live; by obeying his voice, and cleaving to him, for he is our life, and our prosperity.

11. James' efforts have not been well received to date. Unfortunately I believe this becomes another reason for our nation to be judged by God Himself particularly *if you* also violate your oath to follow the Constitution. And if we look at how God has leveled judgment on nations in the past (including total destruction) when they stray, why would we be different? You currently hold a position to either reject your solemn oath to follow our Constitution and so risk more of God's wrath or to follow the Constitution's requirements and uphold James' (and others) God given rights.

12. Finally, having seen credible and sworn testimony confirming what the Bible and our laws warn us of – that God is judging us - I urge us all to turn back to God by forsaking our lawbreaking and by asking and wholeheartedly trusting the Lord Jesus - God's only Savior, to save us from our sins and God's wrath to instead enjoy more of His mercy.

Sincerely,

MD

The following is a transcription of the cassette tape mailed to then President Bush).

TRANSCRIPTION START: [James Graveling:] Hello listener,

My name is Rev. James Graveling. I live near Birmingham Alabama and I have been a Christian minister for about 15 years now.

I'm giving in this tape: September 11, 2001: The Untold Story.

I want to tell you about a prayer on September 11, 2001, a promise that was made, and towards the end share the proof I have of it.

What I'm going to say to you may seem most incredible to you, but it is the truth, historical fact as much as the attacks on September 11th. Please do not turn away from it because it may seem too scary or awful to contemplate. Like Moses at the burning bush, come close and investigate, using the Bible as God's holy word to evaluate.

I have left many details aside to make this brief.

First, let me explain imprecatory prayers. Imprecatory prayers are prayed to God like the 35 or so that are found in the Bible when people in pain, finding no relief nor justice from leaders in either church or state, cry out to God who is the Most High King and Judge, that He who is most just, might for them bring judgment, vengeance, deliverance or whatever they seek so that they or others they are interceding for might be oppressed no longer. Imprecatory prayers are prayed when there is no real recourse in such human courts so that it is finally brought to the court of God Himself. Psalms 35, 58, 79, Luke 18: 1-8 are examples.

I prayed an imprecatory prayer on the morning of September 11, 2001, what I estimate to be about within 30 minutes before the attacks on that day. The gist of what I said on my knees was this: "*Lord, we've gone on murdering babies by abortion, and think - "if God hated abortion, He'd have shown His anger by now!" They've forgotten You, yet cry "God bless America!" They say, "Christians say that God is angry with our nation for abortion, homosexuality, and compromise with idols. That He'll punish it! Where's the judgment?! Everything goes on just fine!" Lord, look- they murder babies, month after month, decade after decade! They interpret Your longsuffering as though You don't care! Perhaps its time, day after day of murdering thousands of little humans and thinking of it, for You to just one day, yes Lord, even THIS day, make it appear before them THIS day, how ghastly it is to You by taking the lives of thousands of ADULT Americans. We need again to FEAR You! Cause us to Lord! That we might turn back to You. Perhaps we should have our Pentagon attacked today, showing us NOT to trust in our military might, but in You. Perhaps we should have the Twin Towers attacked today, showing us NOT to trust in our own economic might, but in You! Lord, for Your glory, not because I want to see*

anyone die, but because our nation won't listen, thumbing its nose at You, do something even NOW, in the next HOURS, if You think it is right and just and the right time to do it, in order that it might know that the God of the Bible is God, that He reigns over all nations through His Son Jesus, that they may know those who break covenant with You will suffer- unless they repent, that they might know You as the wonderful God and Savior You are! That Psalm 2 is true of You and Your Messiah Jesus! Lord, I've prayed so long for repentance but our nation has been so obstinate! Cause it to fear You, if it be righteous in Your judgment, by causing it to see only a little of Your wrath today, that people might repent and be saved from Your eternal wrath! Then –if You do, I will tell the President and the media that we do see the God of the Bible's wrath, that You are the one true and living God, that Your Word is true, that we MUST as a nation repent of our abortion, sodomy, pluralistic idolatry and other sins, lest we suffer more of Your judgment! Yet that they need not run from You, for You delight in saving them, O Lord, for You sent Your Son Jesus into the world! Hear me Lord, and do it in order to ultimately bless America, Amen.

Earnestly, vehemently, and with importunity I implored heaven. My heart was sick to death of the murder of then approximately 45 million or so in abortion. Well, there, I had poured out my heart, and the burden was given to the Lord, and being at the end of a walk, I afterwards went to shower off. Minutes later, my wife Lori told me how a plane had crashed into one of the Twin Towers. How awful and peculiar I thought and said! Minutes later another. I said: then we're being attacked! We heard about the Pentagon, Pennsylvania and the President's being rushed off. On my knees, I led my family in prayer that God would stop the attacks! I did not recall what I had just prayed minutes before. I guess because my mind reeled from the attacks, and, I was so focused out of love for my country for what was happening that we prayed on our knees and fervently for an end to the attacks and for God to spare lives. Our mind was on that.

It was not until years later that my prayer came into my mind again. You may ask "why?" I don't know, really. I don't know. I guess it was due to my heart being rung out like a sponge of its grief before the Lord with regards to abortion and so forth, and then, the engrossing shock of it all. Plus we were moving our family and things from place to place, and in all our busyness, I never recalled my prayer until years later. When I did, my insides *melted.* I couldn't believe it. God had actually answered my prayer - I shudder yet to think of it. As my wife Lori can attest, I shared this with her while in Kentucky, told her I had promised to tell the President if God answered that day, and how I had not remembered it til then. Both of us were both tempted not to share this, and, **not paying attention to it like I should, I ended up neglecting to pay my vow, for which God severely chastened me.**

Now I confess that you might think this is a horrific lie. I assure you it is not. I always strive to have a clear conscience before the Lord. My wife wants to say something at this point: "Hi, this is Lori, James' wife. I just want to say that my husband has a very tender conscience and would not lie about something like this. I can absolutely guarantee you that this is not a lie. He would just never do that.

Those who know me and my history know I take my words and vows and oaths very seriously. If I say something invoking God's name, it is very serious to me. Hebrews 6:16 says: For men indeed swear by the greater, and an oath for confirmation is for them an end of all dispute." So, to increase your confidence, I am doing something sincere Christians reserve for only the last resort. To convey the sentiment, I read from the Heidelberg Catechism Q& A's 99-102:

What is God's will for us in the 3rd commandment? That we neither blaspheme nor misuse the name of God by cursing, purjury, or unessecary oaths, nor share in such horrible by being silent bystanders. In a word it requires that we use the Holy name of God only with reverence and awe, so that we may properly confess Him, pray to Him, and praise Him in everything we do and say.

Is blaspheming of God's name by swearing and cursing really such serious sin that God is angry also with those who do not do all they can to help prevent it and to forbid it? Yes, indeed, no sin is greater. No sin makes God more angry than blaspheming His name. That is why He commanded the death penalty for it.

But may we swear an oath in God's name if we do it reverently? Yes, when the government demands it or when necessity requires it in order to maintain and promote truth and trustworthiness for God's glory and our neighbor's good. Such oaths are approved in God's word and were rightly by the old and new testament believers.

May we swear by saints or other creatures? No. A legitimate oath means calling upon God as the one who knows my heart to witness to my truthfulness, and to punish me if I swear falsly. No creature is worthy of such honor.

Now then, I swear -calling God as my Judge: I prayed as I just told you on the morning of September 11, 2001, shortly before the attacks, mentioning the Pentagon by name.

There, you have my oath. **I later also recalled specifying in prayer about the Twin Towers as well,** also praying that the Lord not allow Christians to suffer if it be His will.

The Psalms have this kind of language: "Pour out Your wrath on the nations that do not know You..." "So that men will say, "Surely there is a reward for the righteous; surely He is God who judges in the earth" "Let them know that God rules in Jacob to the ends of the earth." Thus, my imprecatory prayer also involved a redemptive goal.

So, I'm telling you, just as I prayed before: "know *that the God of the Bible is God, that He reigns over all nations through His Son Jesus, ... [know that] those who break covenant with [Him] will suffer- unless they repent, [and know that God did this so] that [our President, media and nation and anybody] might know [the God of the Bible] as the wonderful God and Savior [He is]! That Psalm 2 is true of [Yahweh the God of Israel] and [His] Messiah Jesus! [That it was "righteous in [His] judgment [to cause] [our nation] to see only a little of [His]wrath on [September 11], [so] that people might repent and be saved from [God's] eternal wrath!*

This is why I tell you, listner, and Mr. President, and you, the media-" we do see the God of the Bible's wrath, that [He is] the one true and living God, that [His] Word is true, that we MUST as a nation repent of our abortion, sodomy, pluralistic idolatry and other sins, lest we suffer more of [His] judgment! Yet that we need not run from Him, but rather to Him, for He delights in saving, through His Son, and He sent into Him the world!

The God of the Bible, I assure you, is real. I am an eyewitness of it myself, having prayed this prayer to Him, and Him answering it. He's answered many other prayers like this.

In Amos 4 God tells *us* that He sends **judgments to call nations like ours back** to Him. *"I gave you lack of bread..., yet you have not returned to Me.... I also withheld rain...so two or three cities wandered to another city to drink water, but they were not satisfied, yet you have not returned to Me.* On and on it goes.

Some question that God would have let people be killed on Sept. 11. But God says in I Samuel 2: *"The LORD kills and makes alive; He brings down to the grave and brings up. The LORD makes poor and makes rich; He brings low and lifts up."* We've made God our enemy by our multiplied iniquities. Even yesterday a Hindu opening the senate in prayer.

Jesus taught in Luke 13 that events like 9-11 are to call us to "repent". Have we? God takes the lives of thousands, but over the last 6 years we have only increased in offending Him and persecuted leaders who acknowledge Him. If He struck our towers and Pentagon, and that did not turn us back to Him, what greater punishments must He still send?). As a mere man, I do not know the future, **nor am I by any means threatening** anyone, but God Himself warns of more wrath in the future: Jeremiah 5 says, *"LORD... You have stricken them, but they have ...refused to receive correction.... 'Shall I not punish them for these things, says the LORD...?'"* He sends judgments to call nations back to Him, but if they refuse, He can send greater judgments as Amos 5 and Lev. 26 show). My fear is that while God showed only a little of His wrath on September 11, because we have not repented, will see more judgments (we already see spiritual ones). I pray God has mercy upon this country which I love and that

we will seek Him! Romans 2:4 says that God shows His goodness to lead us to repentance. We have never had a greater need to hear the good news of God's grace in Jesus Christ, that God *"so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish but have everlasting life"* God promises: *"He who covers his sins will not prosper, but whoever confesses and forsakes them will have mercy."* Romans 1:18 says the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men. God poured out wrath on our nation for its sins. But the good news is that He extinguished His burning, eternal wrath against every sinner who will look to His Son Jesus, the only Savior of the world, to save them, having poured it out upon His own Son at His cross what they deserved (as Isa. 53 and Romans. 3 to 5 show). If we repent and believe, we will be blessed. The One who made America great in its past by its faith in and obedience to His once crucified, forever glorified Son can restore us to greatness if we will truly seek Jesus, showing we mean it by our actions.

Elected officials, including President Bush, **repentance begins with leaders.** When you ran for office, sir, you professed faith in Christ and I rejoiced. Yet, you've contradicted your profession. God commands you in Acts 16 and 17 to repent publicly for your public sins.

You've broken the **1st commandment,** saying believers and unbelievers alike (such as Muslims) worship the same God and will all be saved - contradicting Isaiah 45:22 and John 14:6. Nor will the Creator be called on as you did at the National Cathedral after 9-11! Remember Elijah on Mt. Carmel? You should have led us as a nation in repentance like that of Nehemiah 9, calling us –as past Presidents have to our knees, to fast and pray before the God our founders made covenant with. You are guilty of breaking **the 6th commandment**, not enforcing God's law against murder but allowing the brutal butchery of now 47 million innocent children to go on, also neglecting to call for the rescue of **Terri Schiavo** as Prov. 24:11-12 and Psalm 82 directs you. God's word, in so many passages, shows that children in the womb are humans and that God considers their death to be murder when men inflict it upon them. This is true whether they are the product of rape and incest; as Genesis 38 shows, what is the product of that is called the child: "She conceived by him," it says. She said, "by the man to whom these belong I am with child." Later it says at the time for giving birth that "behold, twins were in her womb." In Exodus 21 it says that if men fight and hurt a woman "with child" so that she gives birth prematurly, if any lasting harm follows then you shall give life for life; eye for eye; stripe for stripe. In Psalm 139 David says "you have formed my inward parts. You have covered me in my mother's womb. I am fearfully and wonderfully made. I was made in secret. Your eyes saw my substance being yet unformed." Jeremiah 1 says, "Before I formed you in the womb, I knew you. Before you were born, I sanctified you. Luke 1 as well shows how the babe John the Baptist leapt at the presence of Jesus when he was in his mother Mary's womb. Many such passages demonstrate that the unborn are human beings and that they are also therefore protected by law. Our common law as well calls them persons, and yet we've deprived them of life without due process against the 5th Amendment. You yourself, sir, have signed bills funding Planned Parenthood, which is rightly called Murder Incorporated, and fetal tissue research. God says: *"Even though you make many prayers, I will not hear. Your hands are full of blood."*

You must interpose between those being taken to slaughter and those who are doing these murders as Prov. 24 and 31 show . Such interposition, when done in order to uphold the law and order of God and the rights of the people, when undertaken by a duly constituted authority, has the authority of God behind it. Jonathan (a lesser magistrate) protecting the life of innocent David from his father Saul (the higher magistrate) is just one biblical example. Patrick Henry and our founders did this to protect us from King George's tyranny. God holds you accountable, sir, to be faithful to His word and your oath of office, as He does all elected officials. Our founding documents guaranteed our unborn, "our posterity" – the right of "life", and make mention of the "common law". The words just cited were never struck from the founding documents, words which in our nation's clear Christian and biblical heritage referred to the unborn and generations yet to come The Supreme Court justices were thus guilty of both overturning the Constitution (which already guaranteed the rights of the unborn) and of a holocaust involving the shedding of the innocent blood of 47 million Americans.

Rulers who look aside at these concentration camp like horrors - piles of the remains of 47 million tiny bodies whose blood cries out to God for vengence from the ground -will at least on judgment day

themselves know God's wrath since He says: *"Surely for your lifeblood I will demand a reckoning"* (Gen. 9:5) and He gave the civil ruler the sword to avenge evil as Romans 13 says. Deuteronomy 21 shows you, the ruler are accountable for the bloodshed occurring in your jurisdiction. Just as church ministers are accountable for the souls of those under their care, and must not have spiritual blood on their hands, so also ministers of God in the state must not have any physical bloodguilt on their hands. If they do not do all in their power to prevent and punish murder, what else can the murdered's bloods do but call out to God, and what else can the righteous do (who are not to be vigilanties) what else can they do than call on lesser magistrates to interpose as well as on the Most High who is the true Governor of earth, to show forth His justice and wrath as in Ps. 94. Like a police man or a soldier who must be willing to sacrifice even his own life to defend the lives of those he's called to protect, so also elected officials. **I urge you: call upon God for holy courage and then strive to pass legislation outlawing abortion from conception on, including the** death penalty (Gen. 9:6) for those who perform abortions or who willingly have them performed on them.

Going onto another commandment, by tolerating sodomy and such unions for sodomites, we show contempt for God's 7th commandment. God directs civil rulers to enforce His prohibitions against sodomy as in I Tim. 1:8-11, but we invite God's fires, as Sodom did by not fearing God ~~who rained down fire and brimstone on it and Gomorrah.~~ May God spare us from such consuming horrors.

Let's repent then, not only from these but all sins.
And I say this ALL of this out of love, out of humility, and out of a great fear of God.

Please, yourself, do not fear men, but fear God. As I also reminded myself in bringing this to you, Jesus said: *"I will show you whom to fear: fear Him who, after He has killed, has power to cast into hell; yes, I say to you, fear Him!* Psalm 2 speaks especially to rulers, showing their response will either bring suffering or blessing to their people: *"...be wise, O kings; be instructed you judges of the earth. Serve Yahweh with fear, and rejoice with trembling. Kiss the Son, lest He be angry, and you perish in the way, when His wrath is kindled but a little. Blessed are all those who put their trust in Him."*

I vowed on 9-11 to God that if He answered on that same day, I would tell the President and media. I've already attempted to do so via email.

I've already shared a lot about why I did not remember, but you may ask: what about when you remembered, told your wife, but then neglected to pay attention to fulfill it.

That is what happened, and God was very gracious to be so longsuffering with me since I vowed but then forgot it like a sin of ignorance. But once I had been reminded and still did not do it, God took that very seriously and showed me He took it seriously.

Here is more about that and how **God brought me to AGAIN to remember my vow and THIS TIME to fulfill it:** While going through Kentucky with my family about three years after 9-11, while thinking about how real God is, the striking answers to prayer He had given (also to us), I shared with my wife how I had recalled what indeed I had prayed on September 11th 2001.

After sharing with my wife Lori, we later wrote down about needing to communicate this with the President, both of us thinking we had a lot more thinking about in terms of how to communicate, since it's kind of a sensitive issue or situation and then, I am deeply ashamed to admit, we got back home, got busy with life and business, stuck it in my get to "to do" pile, where it sat forgotten until 2006.

Lori and I have retraced how after this event in Kentucky, over the next 2 years, we watched our business decline–despite continual efforts and prayers to the contrary. The business was to enable us to do ministry, so I prayed, *"Lord, why?" I asked him, "What sin is in my life- if any- if it is sin causing this?" since He had given us the ministry.* I begged Him show me if there was a sin, with prayer and fasting. After having done everything possible to keep and make a go of the houses including going into debt to make mortgage payments, I was forced by procedures mortgage companies holding the note on my 25 houses had – that if I hoped to avoid foreclosure and bankruptcy- I had to list my properties with

real estate agents. Exasperated, finally, I gave in and determined to try to shortsell them, while hoping for a miracle or something to salvage the situation while they sat on the market.

I'd set up a somewhat central location to meet to sign the listing contracts with three real estate agents. On the way there, I was depressed. I was taking the step which epitemized my losing my business. The only date that we'd been able to get everyone involved there was Monday, September 11th. So, I and the agents met at the agreed on central location and I kept signing my name James Graveling and writing the date (9-11-2006); James Graveling, 9-11-2006; James Graveling, 9-11-2006, over and over.

I kept feeling and thinking: this is *my* September 11. My business was as good as dead. I couldn't escape feeling God was judging me. What also made me sick inside was what was happening where we were signing. We met in the parking lot of the Olive Garden, right across from Eastwood mall: just demolished, a huge pile of rubble. The mall demolished. There, on September 11, 2006, I watched while a crane picked up I-beams and rubble, hauling them up through the air, loading them down into dump trucks, while dust like smoke blew due to strong gusts. It was too eerily reminiscent of ground zero after September 11. The Lord by His Spirit and providence was stirring my conscience and memory deeply. I had to think more about this.

Though I didn't fully come to the conclusion at the time, I learned in time that God had answered my prayer showing me why He brought my business to the dust.

Just the day before, I had preached (since it was the day before the 5th year anniversary of 9-11), a sermon based on Isaiah 1 and Amos 3 and 4 entitled "*September 11, 2001 & 2006 in Light of God's Word and World*" in which I pointed out how, though God called our nation to repent of our sins on 9-11, we had only increased in sin by turning away from Him. I preached the fear of God and for repentance of ourselves and our land, as well as God's free gift of grace in Jesus Christ that we might be forgiven and experience salvation.

I had preached my sermon the day before, and the next day, God hit home to my own heart in a powerful way. While repeatedly signing my name and the date, I knew I had to do more thinking about this whole matter. I wondered: is God letting this happen to me because I didn't fulfill my vow? Also because the confirming counsel of godly men I was convinced He did. Then, when I was preparing to preach to my congregation lest they be shocked if they heard it in mainstream – I didn't know how the president or media would respond to my sending emails and so on - I prepared a message to preach to them from Psalm 76, and learned about what God said about vows again also from Ecclesiastes 5. That passage hit me right between the eyes! Quote: "*When you make a vow to God, do not delay to pay it....why should God be angry ...and destroy the work of your hands?*" End quote. God's infallible word there regarding my failure to pay my vow, and the striking providence on 9-11, '06 connected with it after fasting and praying was inescapable. Things were clear, and so, also out of much fear of God, and trembling, having suffered the pain of his rod, I've kept my vow to God's for His glory.

I sincerely repent for sinfully forgetting and neglecting to bring this to you before. I hope my repentance will be followed by my country's.

Here is what proof I have to offer:

First, the Scriptures themselves. This is foremost.

All things must be tested by God's word, the standard of truth. Any claims like mine or others must be evaluated this way. Isa. 8:20 says: "To the law and to the testimony! If they do not speak according to this word, it is because there is no light in them."

Bring what I have said to the light of Scripture. I think you'll see it bears me out. Scripture says the God of the Bible hears and answers prayer – sometimes in striking ways. James 5 urges us to pray when it says: "*The effective, fervent prayer of a righteous man avails much. Elijah was a man with a nature like ours, and he prayed earnestly that it would not rain [that's an imprecatory prayer]; and it did not rain on the land for three years and six months. And he prayed again, and the heaven gave rain, and the earth produced its fruit.*").

Scripture reveals God judging nations. Just read the Bible.
It reveals God is longsuffering, especially when we sin without knowledge
It reveals God the One who makes and keeps covenant and who pursues us to do the same, punishing us to bring us back to Him and covenant keeping if need be.
There are many other things I could say, but you need to read it in the Bible to evaluate it.

Second, ***My own eyewitness account, backed up by an oath in the name of God***: yes, the witness of just one (though my wife is also a partial witness) is biblically permitted. So Acts 8 , Paul telling of the voice he heard on the road to Damascus; so too, the prayer prayed only in the heart of Abraham's servant in Gen. 24 and the answer he then informed others about in getting God's answer to find a wife for Abraham's son; Other instances are Gideon, Samson's mother and then father, and many others. Genesis chapter 24 is especially illustritive of how God uses all things, including the timing of things, and how all things are perfectly orchestrated by His sovereign hand. He is the king of the heavens and earth and all things fall out according to His decree. Rebekah had to have been coming out before Abraham's servant prayed at the well, just as attackers must have been coming out or planning their attacks on September 11—no doubt before I prayed.

I am not grandstanding. Only God knows the grief I've gone through to fulfill this vow. I share this 1) to fulfill my vow to God; and 2) to see my nation be brought back to God if it's His will.

Third, there is the ***attestation of my wife Lori*** who knows I fear and love the Lord, that I do not lie, but tell truth, and so on.

[Lori Graveling:]
"Hi, this is James's wife Lori again. I can tell you that my husband told me about this when we were on vacation in Kentucky and that we did come home and did forget about it and as things began to go wrong in our business we truly sought what was going wrong in our life, what was the problem. My husband spent much time in prayer and fasting. We've had many, many trials and I can attest that on 9-11 of '06 my husband did indeed sign over the houses that we had and saw the devestation of the mall near our home here, which reminded him of 9-11, '01 and thus began to remind him of his vow that he made and his prayer that he made back then. And I can also tell you that as we've been fulfilling this vow, as he's been seeking to share this with the president, with the media, various people, that we have sensed God's favor in our lives again. So I just wanted to share that with you.

[James Graveling:]
Fourth, ***Other pastors with whom I shared this and obtained their counsel from are witnesses to the fact of my very anguished heart, my grevious circumstances, and my sharing my convictions and suspicions why God allowed all this to happen.*** You may contact me if you would like to be put in contact with them. They are willing to speak to media or government personal.

Fifth, ***Character witnesses who can vouch for my character and moral behavior*** that I am an extremely honest and conscientious man. By that I make no pretensions about not being a sinner. I like Paul feel like I am the chief sinner. As you have even heard, I have been guilty of grevious sins, great sins against my Lord Jesus Christ. Yet He as the precious, gracious Messiah, the Lamb of God is so merciful He took my place at the cross! Though I have sinned so many ways and so many times, my sins are remitted by His precious lifeblood, and in gratitude, I have sought like God's people are called to, to lead a blameless life.

One pastor once told me he didn't know anybody who had a more sensitive conscience than me.

Another friend said that I have a conscience that's clear to a fault.

Those I have pastored and elders I've worked with know that I greatly fear God, and I would never make an oath like I have today unless I spoke sincerely and truly from the heart before God. To be a pastor, one must be qualified according to the criteria found in I Timothy 3.

AGAIN, YOU may CONTACT ME IF YOU WOULD LIKE TO BE PUT IN TOUCH WITH a host of witnesses in terms of my character.

Sixth, ***Affidavits of three real estate agents which testify to the circumstances of September 11, 2006.***

In connection with the story of signing the listing contracts with the 3 real estate agents, I have 3 sworn affidavits that on quote "September 11, 2006, I arrived in the parking lot of the Olive Garden restaurant (Birmingham) to meet with James Graveling for the purpose of his signing real estate listing agreements for about a third of his houses so as to provide him the means of selling or short-selling them in order to seek to avoid the possibility of their going into foreclosure…..At our meeting that day (a gusty one) we saw the entire Eastwood mall had been demolished and cranes were in the process of picking up the rubble, I-beams and so forth and lifting them up and putting them into dump trucks which then hauled the debris off."

For these contact me.

Seventh, Another evidence is America's Christian heritage including its many vows or covenants it made with God.

What I'm telling you fits in the context of the Bible and what it says about nations who make vows and covenants with God, our own governing officials, at various points from the earliest to the most recent history, have acknowledged this to be a self-consciously founded and entered into Christian nation. We made covenant with God for His glory and for the glory of propagating the good news about the Messiah Jesus to the ends of the earth, or at least to some degree. Well, coming to the nation was part of going to the ends of the earth.

The Mayflower Compact starts: Quote "In the name of God, Amen," and says, quote "Having undertaken for the Glory of God and advancement of the Christian Faith…a Voyage to plant the first colony in …Virginia, [we] do...solemnly ..in the presence of God and one another, Covenant … ourselves together into a Civil Body Politic"

At the Plymouth Plantation it was quote "for the propagation and advance of the gospel of the kingdom of Christ in the remote parts of the world," End quote.

JAMES MADISON chief architect of the Constitution said: *" We have staked the whole future of American civilization, not upon the power of government, far from it. We have staked the future of all our political institutions upon the capability of mankind for self-government; upon the capacity of each and all of us to govern ourselves, to control ourselves, …according to THE TEN COMMANDMENTS OF GOD."*

GEORGE WASHINGTON said *"It is impossible to rightly govern the world without God and the Bible."*

Famed "Give me liberty or give me death" speech maker Patrick Henry said: ***"It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the Gospel of Jesus Christ."***

Later, in 1892, the United States Supreme Court said, after reviewing volumes of historical documents: "This is a Christian nation." Again "Our laws …our civilization and our institutions are emphatically Christian."

Much more recently, 1982, CONGRESS DECLARED THE BIBLE to be THE quote "WORD OF GOD". Quote:
Whereas deeply held religious convictions springing from the Holy Scriptures led to the early settlement of our Nation;
Whereas Biblical teachings inspired concepts of civil government… contained in our Declaration of

Independence and… constitution
Whereas many of our great national leaders-…paid tribute to the surpassing influence of the Bible in our country's development, as President Jackson [said] that the Bible is "the rock on which our Republic rests";
Whereas this Nation now faces great challenges that will test this Nation as it has never been tested before; and
Whereas that renewing our knowledge of and faith in God through Holy Scripture can strengthen us as a nation and a people:
[Then] [Congress] requested "the President…designate 1983 as a national "Year of the Bible"

So much for the ABSOLUTE separation of church and state. Yes there's distinct jurisdiction spheres but both are under and both are for God. God may not be separated from any part of life, for He is the giver of life. To separate yourself from Him only brings death.

We who made covenant with God, have treasonously broken it. May God forgive us. Given this covenant making with the one true God, who makes and keeps covenants and is very serious about them because he's so trustworthy, faithful, and loving and wants mankind (made in His image) to be the same way, this is why God has **been so angry and is with us angry as He showed in 9-11.**

There is much more to share. You may contact me at 205-629-5343.
There is also much to share about how we can know that the God of the Bible is really the true God and the Bible is true. For instance we see His being true in His son Messiah Jesus' kingdom coming at His birth coming 2000 years ago, history bearing witness of His world changing influence as we count even our years from His birth, and His kingdom continuing to grow gradually throughout the world as Isaiah 9:6 and 7 predicted 700 years before His birth. We see it in the countless detailed prophecies in scipture being fulfilled. Daniel 9 concerning the 2nd temple being destroyed after the Messiah would be cut off. Isaiah 49 and 53: how He was cut off for our sins. Then resurrected and believed on by the Gentiles while rejected largly by the Jews. We see Gentiles embracing the God of Israel and His 10 commandments as the prophets foretold. We see it in our country's history: God's amazing protection of George Washington, and read against the background of how he deals with nations which entered into covenant with Him, how He sent many calamities to return us to Him. He is also going to do great things for His glory. And may you and I seek to glorify God through the Lord Jesus Christ. **[END TRANSCRIPTION]**

Warning: Commercial Loans Steal From People and Man Steal Them!

This is REALLY SERIOUS stuff from God's view, and, from America's founding father's view! Why? God's law warns that those who kidnap someone/man-steal them – whether by iron chains as Africans were – or by debt currency as Americans are today - are worthy of suffering death! And America's founder's wrote their supreme law which still requires those in government who by unjust currency enslave Americans to "suffer death".

Take a few minutes to inform yourself before you or your neighbor (remember, the one God commands us to love as ourselves?) commit years or decades of your or their life to what you don't know.

Brief summary of points made herein:

- Commercial loans create the loan out of thin air costing the lender in effect nothing so he/they in effect risk nothing but in exchange require you to give usually 30 or so years of your labors, energies and time. Watch the **5 minute youtube** "Bancorruptcy" that exposes only a tiny part of the fraud using the bankers own words and documents: **https://www.youtube.com/watch?v=QHKdxAVW-_U**
- Because it costs the bankers/loan originators nothing and you a huge something this effectively reduces you to being their debt slave/servant for the number of years in the "*loan*".
- You bear all the risk. For if you do not "repay" what you supposedly "*borrowed*", you pledge to give your collateral/any and all equity you invested into buying the house/property by your years of labors, energies and time and or down payment; if you are not able to "*repay*", all you invested/risked is taken/foreclosed/collected by the loan originator.
- Such loans violate God's laws, centuries of Christian common law and America's supreme laws (unless there is just compensation; there was once such a remedy but the government seeks to prevent people from knowing it and or obtaining it). Among others, some of God's laws that are involved here are:
  - "*just as you want men to do to you, you also do to them...*" (Luke 6:31),
  - "*You shall not steal*" (Exodus 20), "*You shall not lie*", "*do not defraud*" and Deuteronomy 25:13-16 where in context "*bag*" referred to money bag (like a purse or wallet) and the word "*weight*" was used of money which weighed a certain measure because it was gold or silver. God there says: "*You shall not have in your bag differing weights, a heavy and a light. You shall not have in your house differing measures, a large and a small. You shall have perfect and just weight, a perfect and just measure, that your days may be lengthened in the land which the LORD your God is giving you. For all who do such things, and all who behave unrighteosusly, are an abomination to the LORD your God.*" So God there forbids such things as having two weights in the same bag or house that could look the same (in size for instance) but one was say made of heavy lead and the other of light aluminum, yet both marked 3 pounds. By using the lighter weight, a person could deceive another into thinking he was getting 3 pounds of something when in fact he was not. God forbade all "*such things*" so that this law forbids for instance two different terms in the same contract made to appear similar or equal but which are in fact different. This is the case with commercial loan contracts which makes it appear that you and the lender are using and referring to the same form of money/currency when in fact that is not the case. The money/funds you have to use are Federal Reserve Notes you must earn by your labors, energies and time; but the money/funds in the loan they "loan" you are not from the bank's or its depositor's labors, energies and time or honest/lawful funds, no, those funds/that money is created out of thin air no differently really than someone involved in the forging or counterfeiting of money orders, checks, or cash on a copier; no different than making fool's gold look like gold or tin like silver. Such use of terms is done to deceive and thereby steal your labors, energies and time in for what costs the lender in effect nothing. (A self righteous argument bankers and or their attorneys might use is that all these things are revealed in the millions of laws on shelves all over the nation so ignorance is no excuse. If you didn't read them, too bad for you, violating Luke 6:31 above, et al).
  - God's word requires loving, just, right and equitable dealings and forbids unloving, inequitable, unrighteous and unjust dealings. God endowed all men with rights to life, liberty and the pursuit of happiness, private property etc and no one has the right to violate their neighbor.
  - God's curses are on all those involved in such secret sins in Deut. 27:11-26; Zech. 51-4 and Heb. 2:2 et al. God's ways do not change with cultures or times (Heb. 13:8).
- Our courts – as in ancient Israel's (Isa.1; Jer. 5-8 et al) - will not defend you but will side with the bankers.
- **There are alternatives for you to consider**; if you feel forced like you have no other choice (like Israel as slaves in Egypt) at least be informed so you can cry out to God through Jesus for deliverance.
- **WARNING**: you will incur guilt before God and man if you are a house seller and do not warn potential buyers of the defrauding nature of bank/commercial loans; you will be accessories to a crime; see below.

- It was our duty to inform you of this because God's law requires us to love our neighbor as ourselves.

Now we explain this further in 3 parts.

PART 1: God is love; He requires us to be like Him also by loving our neighbor as ourselves.

The Creator God who made us and everything is love (Gen. 1:1; 1 John 4:7-8). God made man in His image/likeness to be loving. God defines love by His law. It requires us to have as much concern for our neighbor as for ourselves. His law reveals that each of us must love and respect his neighbor and his rights-liberty, property, life, labors, time etc and not to take from him in any unfair/unlawful way. His promised Messiah/Son Jesus said "*just as you want men to do to you, you also do to them...*" (Luke 6:31).

God's Eighth Commandment says: "*You shall not steal.*" (Exodus 20). God's people summarized that law in the Westminster Larger Catechism by stating that God requires everyone to try "*by all just and lawful means, to procure, preserve, and further the wealth and outward estate of **others, as well as our own**.*". This was written to try to do that, to bless you and others.

God's word reveals that God by His mere word (fiat) He created everything from nothing. He also did this with what the Bible calls and teaches is money and a store of wealth, namely, gold, silver and copper (Genesis 2; Leviticus 5; Matthew 10:9-10; the Bible's word for "*money*" in the Old Testament is literally translated "*silver*"). For much more proof of this, request my Appendix on this.

For centuries Christian scholars studied the Bible and from it developed much of **Christian common law**. It too said gold and silver were just/honest money and forbade any other. American founder Roger Sherman's A Caveat Against Injustice reveals the rationale behind our **Constitution**'s money requirements and proves the founder's Constitution's money laws were based on "*the laws of God and man*" (the Bible and Christian common law). History proves our still supreme law guarantees us "*gold and silver Coin*" (Art. 1 Sec. 10) and forbids "*Bills of Credit*"/paper money (Art. 1, Sec. 8) to guard our rights to private property, justice, liberty, trial by jury, due process, just government and other rights.

God's word in **the Bible** warns us that one way thieves rob others and make them work for them as their involuntary slaves is by unjust money. God's word required money be of a fine degree of pure gold or silver and of a certain weight. **Thieves/moneychangers** would take, say, 90% pure silver money pieces and melt them down, pocket half the silver so the coins were then say only 40% silver. In America moneychangers took **all** the gold and silver and left us only with paper for us to earn by our labors, energies and time. This is stealing: for in that "exchange" it costs the thief really nothing and us/the other party something (our labors, energies, time to earn the paper money to be able to use it to buy or sell things with). The party making or changing the money puts practically nothing in, but costs those forced to buy and use the paper or digital money a big something: the private property of their labors, energies and time – hours adding into days, weeks, years, and decades of their lives! Historically this is called "*man-stealing*" or slavery. Unfortunately, as in Israel (Isa. 1; Jer. 5-8; 34) **our government** is "*companions of thieves*" by going along with the fraud: courts will not help you.

Perhaps an example would help: if a **counterfeiter** opened a shop and loaned copies of cash, checks or money orders, how much would it cost him? And if you had to promise to work in exchange for that "loan" of that unjust currency, would that be just? So too when "lenders" give you a loan that they create out of nothing in exchange for usually 30 years of your labors, energies and time, is that just? Or is it **stealing?** Such moneychangers aka bankers/lenders break God's law against stealing. Isaiah 1 and other Scriptures record that ancient Israel's government and moneychangers also took their people's just money, debased it so their victims were stolen from (the word "*thieves*" in Isa. 1 shows this) and so turned their victims into their involuntary slaves (see Amos 2; 8).

Defrauding others through money is according to the words of God in Isaiah 1 and Amos 1-5 one God poured **judgment** on Israel and Judah for. The parallels between Israel then and America today are striking. God's law does not change because He does not (Heb. 2:2; 13:8). God's standard operating procedure with nations is "*for three transgressions and for four I will not withhold punishment*" (Amos 1-2). America today is guilty before God and His law of the same three and four transgressions[1] Israel suffered repeated warnings against as

1 Those sins are **first:** idolatrously separating from God and His law because we love our sin and like to serve our own idols rather than our Creator; in America this has been done by our courts perverting Thomas Jefferson's phrase "*separation of church and state*" (which only meant church and state are separate institutions but both under God to serve Him according to His law in Scripture) into a gross twisted mantra to separate Americans in their schools, courts, government and public life from God. America and especially its government effectively declared to God the words of the wicked recorded in Job: depart from us God we don't desire the knowledge of Your ways: who is God that we should serve Him? God's word warns that unless we repent, 100's of millions of Americans, America and its government parties will hear Him declare: depart from Me into everlasting fires. That is how serious things are. We desperately need to repent, turn back to God through Jesus His Messiah who lived a perfect life for sinners like us and then died the eternal death sinners like us deserve. IF we are truly return to God through Jesus and trust Him and His finished work on the cross alone to make us right with God, we will show it by entirely turning from our sins and seeking to obey all His commandments that we will consider to be right (Psalm 119:128; Romans 7, et al). **Second sin**: sacrificing their children to idols/demons (Psalm 106; Isaiah 1). So Israel did and so

well as remedial judgments for until finally Amos 9:8 says He "*destroy*"ed the "*sinful kingdom*" for.

Our nation was set up on biblical principles. A rallying cry of the War for Independence was: "*We will have no other king than King Jesus!*" The primarily Protestant founding fathers

> "*knew that because of man's sinfulness and greed, there was his tendency to inflate money. The Old Testament had warned them about that. We read in Amos 8:5, "Saying, When will the new moon be gone, that we may sell corn? and the Sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit?" One of the things condemned in the Old Testament is making the shekel great—inflating the money—and thus using deceit in finances. They knew this, as Washington did, and were afraid of inflating money. You may remember that during the Continental Congress, which had existed from the Revolution in 1776 up until the time of the Constitution in 1787, they had printed money. This paper money, called the "Continental," had become worthless. You have probably heard the expression, "not worth a Continental." The Continental by this time was worth less than a penny because of inflation. They knew that there must be inflation-proof currency. Therefore, the United States government was not empowered to print money. It could "coin money" out of gold and silver or print bills which were redeemable in gold or silver, but it could not print worthless paper. Now, because of various court decisions, the government is able to do that, and we suffer the rigors of inflation off and on. The only way we are going to get away from that permanently is to return to the system which the Founding Fathers gave us."* (-Rev./ Dr. D James Kennedy's sermon "The Bible and the Constitution"; Coral Ridge Ministries).

Use of fiat paper money/currency is against God's law and thus was against the founder's intent in the Constitution. It requires that America use gold and silver as a just currency. Dollar bills used to say *redeemable in gold or silver upon demand by the holder*, but not anymore. This means many intrinsically worth-less so called dollars are put into circulation. The effect is to steal the hard earned wealth of Americans for nothing in exchange.

One author who documents most of this very well is Rev. Peter Allison in his well researched book Dollar Noncents (I urge you to get and read it). His book also shows that on top of THAT form of rampant stealing, another form is **commercial lending** which does even more stealing. Banks/commercial lender'd own words in their writings really in effect admit this. Rev. Peter Allison shows this entire new level of the stealing and fraud:

> *"Federal reserve notes are an attempt to get what you produce and never pay.... The respected Hoover Institute scholar, Athony Sutton had this to say about the Federal Reserve, 'Warburg's revolutionary plan to get American Society to work for Wall Street was astonishingly simple. Even today academic theoreticians cover their blackboards with meaningless equations and the general public struggles in bewildered confusion with inflation and the coming credit collapse, while the quite simple explanation of the problem goes undisclosed and almost entirely uncomprehended. The Federal Reserve is a legal private monopoly of the money supply operated for the benefit of the* [few] *under the guise of protecting and \promoting the public interest.' The mechanism by which all this occurs is as interesting as it is absurd. When the smoke and mirrors are removed, it is really very simple. We will discover a situation that is not at all that different from the type of illusions created by the Wizard of Oz which Toto the dog revealed when he pulled back the curtain. The only problem is that Toto has not yet arrived. WHERE DO BANKS GET WHATEVER IT IS THAT THEY LOAN If you are like I used to be, you probably think that banks accept deposits from people who have money and then loan those deposits out to others needing the money. But apparently, that is not what we do today. According to the monetary authority for the United States, in Modern Money Mechanics, they say, "Banks can build up deposits by increasing loans and investments.' Now I am a simple fellow. I know what deposits are: they are the piles behind the barn. If my neighbor comes over to borrow some deposits, the pile gets smaller. I think most children could figure out that when you loan something, you, the lender, have less of whatever it is that you loaned. But the Federal Reserve is saying that they can increase their deposits by loaning. They must not be loaning deposits. They are actually loaning the promise to pay or an IOU. They simply tell the borrower that they will honor his checks for $1000 over the amount currently on deposit. This is not my analysis. Modern Money Mechanics says, "Of course they [banks] do not really pay out loans from the money they receive as deposits. If they did this, no additional money would be created. What they do when they make loans is to accept promissory notes in exchanges for credits to the borrower's*

America is guilty of in the murder by abortion of 60 million of our children: sacrificed to America's idols of sexual immorality, "save face" at the cost of another's life, careers, education, economics/budget concerns and others. **Third sin**: sexual immorality, even tolerating and promoting the perversions of Sodom and Gomorrah (Isaiah 1). **Fourth sin**: unjust currency with its many species of fraud and injustice corrupting government so it no longer does its functions to defend the rights of the people but perverts matters to help protect and reward the corrupt moneychangers and other bad guys. Just as we find in Isaiah 1, Jeremiah 5-8, Amos 2:6; -8 and 8:6 et al, so in America.

transaction account"- that is what they call your checking account. Later they reiterate, "Loans are made by crediting the borrower's deposit account, i.e., by creating additional deposit money." What is a credit to your checking account? A book entry made with their pen or their computer. They do not even give you an IOU or note which is a promise to pay. Of course the irony of it all is that it is your integrity that is questioned when you apply for a loan. No one ever thought to question their integrity."Debt, as opposed to salt, tobacco, or gold, is being used as money. In essence, debt has been 'monetized.' Commercial banks are one of the ways debt is monetized. For example, suppose you come to a commercial banker for a loan of $1000 to build an outhouse with two electrically heated seats. The banker agrees to grant you a loan at 10% annual interest. In making this loan, he does not actually loan you any commodity- any money. He does not even loan you any Federal Reserve Notes. He simply makes a book entry with his pen- or nowadays with his computer. There is nothing that is loaned; no tangible substance changes hands. The banker simply increases the total on your account by $1000 and authorizes you to write checks against this increased total. In effect you print your own money as you write the checks."

That shows that you create the money by your signature (a promissory note), hand it to the bank not realizing its value on the market as a negotiable instrument, and you participate in a system (unknowingly at least up until now) *that treats them as though they are god and can create something out of nothing* -technically called creation by fiat (word), ex nihilo (out of nothing). **But only God can create something out of nothing by His word (Gen. 1; Heb. 11)**. To agree that some humans (bankers) can create something out of nothing is to pretend they are god. That would be to make an idol out of them and to be guilty of idolatry. This is what our government is guilty of. God's word warns that idols always oppress. The sure result is that all of us suffer since only God can be treated as God. Most Americans – if they knew what was really going on in these so called "loans" - would likely rightly reject it as fraud. The only problem is that our government used force against us in 1933 and since forcing us like an armed robber to turn in our gold, then took our silver (1965 on) and leaves us to only earn the paper/now electronic digits that cost them nothing. They thereby violate God's law, common law and America's supreme law. God's word warns that His wrath is on nations that break His laws (Amos; Rom. 1:18 et al).

Part 2: What you read above might seem unreal/hard to believe due to the deceptiveness involved. So here is something that might help you better recognize the deeply disguised defrauding going on:

Think again of what is used as money in the Bible. It is gold, silver, and copper, which God alone can and has created. Today we don't have gold, silver, or copper as the main currency, but paper money (or electronic "reserves"). Most of us know that the Federal Reserve prints money, but how does it get into circulation (into the hands of non-bankers)? Well, how do you get money from a bank? A loan of course! That's how the Fed brings currency into circulation. For example, you go to the bank asking for a loan of $100. They in turn ask the Federal Reserve (the Central bank) for $100 in Federal reserve notes or electronic reserves and they hand it over to you. Now there's an extra $100 in circulation.

Notice that the bankers do not give you money that they themselves have earned or that others have deposited in their banks (as they would have to if the currency were gold, silver, or copper). Instead they can simply ask the Federal Reserve to *create* more currency. Sound untrue or unlikely? Read the following quotes:

- "It may not seem to make much sense, but banks actually 'create' money when they lend it." --*Money and Banking*, The Federal Reserve Bank of Dallas
- Banks lend by simultaneously creating a loan asset and a deposit liability on their balance sheet. That is why it is called credit "creation"--credit is created literally out of thin air (or with the stroke of a keyboard). The loan is not created out of reserves. And the loan is not created out of deposits: Loans create deposits, not the other way around. --"*Repeat After Me: Banks Cannot And Do Not "Lend Out" Reserves*," a publication by Standard and Poor's
- "Of course, they [the banks] do not really pay out loans from the money they receive as deposits. If they did this, no additional money would be created. What they do when they make loans is to accept promissory notes in exchange for credits to the borrowers' transaction accounts." --*Modern Money Mechanics*, the Federal Reserve Bank of Chicago

More quotes could be given but God's word says the witness of these three is proves the matter.

This money creation results in inflation. The value of each dollar in circulation must go down a little bit because the dollars themselves have no intrinsic worth as the Fed itself has given written admission of. This is therefore an unfair form of money. Now, if the Federal Reserve creates/loans money extremely fast, it would result in hyperinflation, which would cause paper money's value to plummet rapidly where people would lose confidence in this paper money, and a financial crisis could ensue. Thus, government and banks have regulations and limits to how much paper (or electronic) money they can create. However, the exact math and exact details of

the lending process used are not what's important here; what we are trying to show is the basic idea of how banks get paper money into circulation: **by loaning it out.** The banks may talk about government bonds (themselves IOU's), regulations, Congress approving the debt ceiling being raised (over and over and over again), and use many twenty-dollar words, but when the smoke is cleared they are simply creating federal reserve notes and getting them into circulation by loans.

Ultimately then, practically all currency in circulation is simply debt owed to the banks. The exceptions could be: **(A)** the bankers spend some of their federal reserve notes (which they created out of nothing) for some good or service you provide (at your expense). For example, when they confiscated American's gold they gave federal reserve notes in exchange. This is one and the same as a counterfeiter spending counterfeit money. **(B)** the bankers give paper money to someone (The times this is done, the bankers/government always demands something in return, e.g., control).

Now let's talk about interest. When the banker "loans" you that $100, they charge interest, perhaps 6% or $6. But where do you get this extra $6? After all, **the only ones** allowed to print dollars are the bankers. Thus, you must get it from the bankers. Some ways you could get it are: **(1)** Borrowing more money from the bank (or course this is like trying to fix a hole in a glove by actually cutting a larger hole in the glove). **(2)** One of the exceptions (A or B) noted above. **(3)** From another non-banker who has cash, by them giving cash to you or you working or trading for their cash (which ultimately came from the bank in the form of loans. Thus you might pay the principle and interest on your loan but someone else would then neither be able to pay the interest nor the entire principle on their loan). **(4)** Defaulting on the loan (in which case the banker gets whatever collateral you put up).

In the end then, it's the non-bankers who work, trade, invest, and create wealth in the form of goods or services. They give their **SOMETHING** for the bankers **NOTHING**. For the bankers, on the other hand, print or create digital money that costs them effectively nothing, which they then "lend" to the people. In the end the people cannot pay it all back because of the interest (as noted above) and so a steady stream of the real wealth (in the form of commodities, land, etc) ends up in the hands of the bankers.

Let's look at an example of a loan: a mortgage. It may seem more complicated because you agree to repay the bank and the bank gives cash to the former homeowner, but think of it in terms of how much money is in circulation: You ask for a loan of $100K with 5% interest per year. The smaller bank asks or gets permission from the Federal Reserve big daddy bank to create $100K which is given to the former homeowner. You agree to repay $100K and interest to the bank. Even though a third party is added (the seller of the home), it's really the same as above: $100K is put into circulation, but $100K plus the interest (a very large amount over 30 years) is now owed to the bank. Thus the bank will have to be repaid in something else, namely, something that is intrinsically valuable such as a farm, house or land that you or someone else loses by defaulting. This is like musical chairs where the banks keep getting enriched over time.

So why aren't we using what the Bible talks about as money: gold, silver and copper? Why don't we follow the Constitution that requires and guarantees us "gold and silver Coin"? Why do we even use paper or electronic "money" that banks create rather than gold and silver? One reason is that people simply don't realize the process above, whereby the bankers effectively steal some of our goods (which we work for) for *nothing*. (Remember: The banks aren't loaning you something their depositor's funds NOR something they themselves worked for or honestly acquired by righteously earned profits (as the Bible defines it, not banker's or government words), that the bankers could use during the time it's loaned to you. Rather they are loaning something created for essentially nothing and receive a huge amount of your real wealth (labors, time, property) in return when borrowers default as some are **forced by the nature of the game to do-** due to the interest). Another big reason that we use Federal Reserve notes, however, is that the government has made it law that we accept them as valuable (legal tender). In effect, we are slaves of the bankers. Noah Webster warned America that if any Congressman ever suggested we must have legal tender laws to force people to take paper money he should be called a rogue and our founders thought such men **deserved capital punishment.**

Really? Seriously? Yes: 1) God's law, 2) centuries of Christian common law and 3) America's Supreme Laws all require a mandatory **"*suffer death*" penalty** for participating in use of fraudulent currency and loans that commercial loans – as proved herein – enslave others. God's word warns those who are guilty of such crimes that He is a Just God who does punish iniquity in this life and eternity. ***WARNING: if you know others are going in uninformed to sign on a commercial loan and you give them no warning, that is called 'turning a blind eye' or "connivance" and you also are GUILTY of helping the crime along! Fear God and do not incur guilt where His law and America's would show you are a partner helping in a crime DESERVING DEATH!*** Even if our corrupt government does not enforce God's laws (against murder of unborn children, against idolatry, against sodomy, against enslaving people by unjust currency/unjust loans that does undo God's word that says He is patient for only so long and that He does execute justice. Just read the Bible and you will see that!

So read this carefully to protect yourself and your neighbors! *Because most Americans have forgotten, are ignorant of and or prejudiced against God and said these laws, this writing has to fill in the gap so it is of some*

length. But as you read it, ask yourself: did I already know that?

First concerning the death penalty: whether you are applying for and or considering applying for a commercial loan, and or know someone who is seeking to buy your house by a commercial loan, and or are involved in commercial loans, **you need to know:**

1. God's law in Ex. 21:16; Lev. 25; Deut. 24:7; Amos 2; 8; Jer. 34; 1 Tim. 1:10; Heb. 2:2; 13:8 et al **both** forbids enslaving others whether by kidnapping them with iron or debt chains of unjust currency/unjust commercial loans **and** requires a mandatory death penalty for those who so enslave others.

(A) God's law requires that men and nations trust Him and obey His laws given in the Bible. This is God's world (Psalm 24:1). No one may just come up with their own laws, statutes or court orders. They must obey God's just laws. This goes back to the Garden of Eden (Genesis 3): who is God? God or you? Do you determine good and evil or does God? God gave all mankind through Moses and Israel laws that were just and perfect (Deut. 4; Psalm 19; 119; et al) and Messiah Jesus and His apostles said so too. Both Old and New Testament Scriptures affirm that all men and nations are forever obligated to obey God's laws. See Deut. 4-6; Psalms 2; 82; 110; 138; et al; Isa. 42; Ezek. 14:13ff; Mic. 6:8ff ("*He has shown you O man what is good and what the LORD requires of you, but to do justice...*"- as revealed in God's laws; Amos 1-9; Matt. 5-7; 11; 28:16ff; Heb. 2:2; 13:8; et al.

(B) God's word says He rewards those who obey Him and punishes those who do not. See texts above.

(C) God's word requires "*just*" "*currency*" as His law defines it and forbids any and every form of "*injustice*" in money, loans and banking. Just one for instance: Leviticus 19:35-37: "*You shall do no injustice in judgment, in measurement of length, weight or volume. You shall have just balances, just weights, a just ephah, and a just hin: I am the LORD your God, who brought you out of the land of Egypt. Therefore you shall observe all My statutes and all My judgments, and perform them: I am the LORD.*" See also Prov. 11:1; Mic. 6; Hos. 12; Ezek. 45:9-12; Mal. 3; et al.

(D) God requires us all to obey His law as the final authority (Isa. 8:20; John 17:17 et al). While His word describes other things as forms of riches (e.g. clothing, cattle, gems, et al) His law clearly shows He created gold, silver and copper for man to use as money and as a primary form of wealth. **God's law defines *"just" "currency"* as having *a NUMBER OF REQUIRED FEATURES:***

1) FIRST: it is to be gold, silver and or copper of a specified weight and measure and purity/fineness as these are intrinsically valuable and to be used as money[2]. This is seen by **six Scriptural principles:** **(A) Gen. 2:12** et al teaches God made **precious metals to be used as money.** Here God shows us His goodness by creating for man all he needed: a wife, food, money, a Sabbath, work, et al so he could keep God's laws for his good and his God his Father's glory. **(B)** God's **"first mention"** of "*gold*" in Gen. 2:12 underscores that His "gold" is "good". It is as if God is giving man a tour of His creation -in context of the rest of Scripture - is highlighting various parts of His creation He made for man to use to fulfill his God callings. What God calls "*good*" is not to be despised as an archaic "relic" as bankers call it today (though they used government force to take our gold in 1933 and use it to trade with one another). God's word is final: He says gold is "*wealth*". **(C) The Bible's first mention of "*currency*"** in Gen. 23:16 - with other Scriptural considerations – shows God teaches us to have "*currency*" in said precious metals. The word "*currency*" is from a Hebrew word meaning to circulate like the current in a stream. What **circulated? Silver** shekels. Israel weighed things by the shekel as we do by the pound. In Gen. 24:22 "shekel" means: "weight". ***Lev. 19:35; 26:26*** requires: "*You shall do no injustice in judgment, in measurement of length, **weight**, or volume*". So God forbids injustice in money/currency/weights. He requires justice and truth and treating our neighbor as we would have them treat us. I Chron. 21:25 reads: "*David gave to Ornan for the place **600 shekels of gold by weight**".* Jer. 32:10-11 reads: "*...I bought the field... and weighed out... **the money- 17 shekels of silver**....* **in the balances**". In Num. 3:47 God requires "***the currency of the shekel of the sanctuary, the shekel of twenty gerahs***" meaning every shekel of silver in the currency had to weigh 20 gerahs, a gerah being about 12 grams. Bible Encyclopedias agree.[3] *Note: as there was circulated in Abraham's day a "currency" of "merchants" that weighed by the "shekel" and later God apparently took that term and required the shekel be a specified number of gerahs, so in America (as proved by the*

2 Scripture refers to **copper as money** not only in Matthew 10:9 ("gold...silver [and] copper [as] "money" but Matthew 10:29 etc. as well: "Are not two sparrows sold for a **copper coin**? And not one of them falls to the ground apart from your Father's will. These three appear earlier in Exodus 25:3: "And this is the offering which you shall take from them: gold, silver, and bronze" where the Hebrew word for "bronze" per https://www.blueletterbible.org/lang/lexicon/lexicon.cfm?Strongs=H5178&t=NKJV means: "copper, bronze 1. copper (ore), bronze (as copper alloy) 2. fetters (of copper or bronze) 3. copper (as value)" and Strong's Concordance at H5154; copper, hence, something made of that metal, i.e. coin, a fetter; figuratively, base (as compared with gold or silver):—brasen, brass, chain, copper, fetter (of brass), filthiness, steel."

3 The *INTERNATIONAL STANDAND BIBLE ENCYCLOPAEDIA* says: "*Various terms are used for money in the Bible, but the most common... is silver*". "***Gold and silver** were the common medium of exchange*" "*....The ordinary term for money was..."silver," and **this word preceded by a numeral always refers to money**, either with or without [the word] "shekel," ...**the shekel...was the standard of value as well as of weight**".* American historian RJ Rushdoony in *Institutes of Biblical Law* (p. 468) wrote: in Scripture '***weight had reference to the talent, shekel, and other weights of money...' .... The Bible speaks of money as a weight. When God speaks about WEIGHTS, He speaks to the matter of MONEY as well***."

Constitution and 1792 Coinage Act) something similar occurred. These show what was circulating in the founding era was the Spanish milled "dollar" that weighed so much precious metal. Our founders took that "dollar" and adopted it as our "national currency" - our "dollar": their law said every dollar had to ***weigh*** *precisely 371.35 grains of fine silver. Does yours today?* (D) Scriptures like Lev. 5:15 reveal that ***"just" "currency"*** **God required in Israel to use had to be "*silver*"** (buying and selling could also use shekels of "***gold***"-1 Chron. 21:25). Again their common unit of weight by which to weigh things, to buy and sell using, was the shekel as we weigh, buy and sell things by the pound. God approved of Israel's currency as "*shekels of silver*" **or "*gold*".**[4] (E) God **condemns all currency that violate His laws for just currency.** Israel later broke God's covenant law with them so that near all the prophets indicted Israel's government and moneychanger/banker thieves for being in a "companion"ship/syndication that was criminal. Isaiah 1 condemns Judah's princes for debasing the currency of their "*silver*" by melting it, removing silver and replacing it with *cheap dross like tin.* God rebuke them saying: "*your silver has become dross*'. In Ezekiel 45:9-12 He condemns rulers for changing another aspect: the money's *weight* so it no longer weighed 20 gerahs as He required. Prov. 20:10 condemns altering these features (whether purity degree, weight or other features He required) as fraud, theft, an "*abomination to the LORD*". Our Creator who gave us wise laws says we must obey them for our joy and His glory. Footnote[5] shows even those God in Isaiah 1 calls His "adversaries" recognize this, being the words of Alan Greenspan before he was Chair of the Federal Reserve bankers (which is NOT part of our government yet has great control over it because they control the purse). (F) Isa. 42 predicted Messiah would not teach the nations to abhor God's law of justice but to obey them. In Matt. 5 Messiah Jesus said: "*Do not think I came to destroy the law or the prophets. I did not come to destroy but to fulfill*." Commanding His people how to fund their missions, He in **Matt. 10:9** told them not to provide "*money*" for themselves but receive it from others and as He did so confirmed God's law by Moses that gold, silver and copper are just "*money*"[6]. So let us be rid of the LIE that says we can make money anything we want and its all just and fine before God and man and will not hurt/steal from anyone whether paper or electronic Federal Reserve Notes, BitCoin, et al. Our founders dealt with such fraudulent arguments yet this old lie rises its ugly head again today. People argue: "*MONEY can be whatever we want! Whatever we agree on, whether tobacco, shells, paper or wood! Money is just a SYMBOL, a SIGN, whatever we agree on.*" This argument is used by defrauding bankers and governments to steal other's property for God says what is just! Bankers ridicule those who hold forth God's word's requirements about money. They say: "*Archaic gold is but a despicable relic*". Listen to our 6th President John Quincy Adams's words that overcame that same old lie in his day: "*...the banks have done more injury to the religion, morality, tranquillity, prosperity, and even wealth of the nation, than they can have done or ever will do good. They are..., the delusion of the many for the interest of a few.....[T]heft of greater magnitude and still more ruinous, is the making of paper money;...greater, because in this money there is absolutely no real value;...more ruinous, because, by its gradual depreciation during all the time of its existence, it produces the effect which would be produced by an infinity of successive deteriorations of the coins. All these iniquities are founded on the false idea, that money is but a sign.*" [emphases added]

2) SECOND: learning from His laws that required just currency (and that gave the benefits of just currency) to Israel, we see another feature God requires just currency have is that of being readily identifiable in **specified weights and measures.** He told Israel to use "*shekels of silver*" and they used "*shekels of gold*". Because "*weight was involved, a set of balances was...used in buying and selling....*Lev. 19: 35, 36. **God said Israel's silver or gold shekels had to weigh precisely "*twenty gerahs*" - see** Ex. 30:15; 35:5; Lev. 18:16 – 20 "*the* currency *of the shekel... twenty gerahs*"; 27:25; Num. 3:47 : "*...the* ***currency*** *of the shekel of the sanctuary,*

---

4 Again, the shekel was a measure of weight, like our pound, gram, or "dollar". Easton's Bible Dictionary says the shekel was "*the common standard both of weight and value among the Hebrews.*" In "*the Old Testament, the shekel was used to weigh gold (Genesis 24:22 [Exodus 38:24]), cinnamon (*Exodus 30:23*), hair (*2 Samuel 14:26*), iron (*2 Samuel 17:7*), myrrh (*Exodus 30:23*), and food... (*Ezekiel 4:10*).*" *There were shekels of gold (1 Chronicles 21:25),...silver (1 Samuel 9:8), ...brass (17:5), and... iron (7).*' God, illustrating to all the nations through Israel what a just currency is required to be like, required whatever currency unit a country has to be of precious metal like "silver" or "gold". Why? Because God said so. He is good, wise, just.

5 He wrote: "***In the absence of the gold standard, there is no way to protect savings from confiscation through inflation. There is no safe store of value. If there were, the government would have to make its holding illegal, as was done in the case of gold.*** *If everyone decided, for example, to convert all his bank deposits to silver or copper or any other good, and thereafter declined to accept checks as payment for goods, bank deposits would lose their purchasing power and government-created bank credit would be worthless as a claim on goods....* ***This is the shabby secret of the welfare statists' tirades against gold.*** *Deficit spending is simply a scheme for the confiscation of wealth.* ***Gold stands in the way of this insidious process. It stands as a protector of property rights.*** *If one grasps this, one has no difficulty in understanding the statists' antagonism toward the gold standard.* " **No wonder** bankers by government force took our gold in 1933. No wonder they threatened 10 years prison or 10,000 fine to force our grandparents to surrender their gold and take paper money. Greenspan admitted what God's law reveals: **ONLY His precious metal money protects private property!** Greenspan wrote that in an essay entitled: "GOLD AND ECONOMIC FREEDOM." Published in Ayn Rand's "*Objectivist*" *newsletter 1966, reprinted in her book, Capitalism: The Unknown Ideal, 1967.*

6 He said: "*Provide neither* ***gold*** *nor* ***silver*** *nor* ***copper*** *in your* ***money*** *belts... for a worker is worthy of his food.*".

the shekel of twenty gerahs".

3) THIRD feature: just currency must be **made and kept** at **a specified degree of purity so it possesses a pre-determined value**. God shows gold even in unrefined form has an intrinsic value, but the purer, the more valuable (and logically, the more easily recognizable as such). So of "*pure gold*" Job 28:19 declares: "*The topaz of Ethiopia cannot equal it, nor can it be valued in pure gold.*" A coin weighing 20 gerahs made of 40% silver has less value than one of 93%. God required Israel's currency to possess a high degree of purity in gold or silver. His law required "*shekels of silver*" and He didn't mean a small degree. For His prophets faulted Judah in Isaiah 1 et al for changing the money/coins by taking some of the fine silver and replacing it with dross. This confirms His law's requirement that just currency possess a pure or fine silver content. A Concordance study confirms that "*pure gold*", "*fine gold*", and "*purified*" "*silver*" were known in Israel. Israel knew what it took to refine or purify metals God not only required "*pure gold*" for His Temple, but a high degree of pure or fine gold/silver for their money. While Lam. 4:2 reveals "*fine gold*" is "*valuable*" and "*precious*" God's servants the prophets prosecuted Israel for breaking God's law so 4:1 laments: "*How the gold has become dim! How changed the fine gold!*" Unjust money was a great sin that finally brought God to destroy northern Israel. For unjust money shows that those who make and tolerate it have different hearts than God's: He is all about justice, love, mercy. His very word is compared to fine/pure silver in Psalm 12:6: "*The words of the LORD are pure words, like silver tried in a furnace of earth, purified seven times.*" To violate His law/words then shows we are unlike Him and in rebellion against Him. Those who do so only hurt themselves and others! Break God's laws and they will break you.

4) FOURTH feature: God required Israel to use a standard shekel, "***the shekel of the sanctuary***". Gen. 23:16 says "*Abraham weighed out the silver*" of "*four hundred shekels of silver, currency of the merchants*". God required Israel to use "***the shekel of the sanctuary***": "*everyone...shall give... according to the* ***shekel of the sanctuary*** *(a shekel is twenty gerahs)*", Ex. 30:13-15, Num. 3:47 et al. So a "*shekel of silver*" circulated before God's law later defined precisely how much fine silver He required a shekel to weigh. So too, our founder's Constitution referred to a *"dollar"*before the 1792 Coinage Act was enacted and by the term *"dollar"* they meant the Spanish milled silver dollar then circulated. That this is the case is clear from the 1792 Coinage Act. But given the presence of *"shekels of silver"* before the "*shekel of the sanctuary*"/Temple, I do not necessarily preclude merchant made currency nor do I know that God's word warrants us to say that only government coined money is lawful lest we add to His word for He forbids us from adding to His word (Deut. 4; Prov. 30:5-6). So I leave this to further study[8]. BUT FOR Americans, there is no question of what is required because God's Fifth Commandment requires us to obey the "*supreme*" human authority (I Peter 2:13 et al) and in our republic that is the supreme law of our Constitution and 1792 Coinage Act. Both stand as supreme except for lawful subsequent alterations to them[9] and those alterations must agree with the founder's intent, the Constitution, the common law and most importantly, God's word which the Declaration of Independence and 1982's Public Law 97-280 say is the "bedrock" our nation derives is right to exist and all its authority from. So God's word requires us to still obey the still current requirements of our 1792 Coinage Act that requires government stamp on our gold and silver Coins. (Have any such coins you circulate at Walmart? Hmmm, we are a rather unlawful America aren't we?) **Perhaps** the founders found support for this from God's law's later requirement that Israel use the "*shekel of the sanctuary*". In Israel, it seems sanctuary officials had to make and guarantee the coins. We can infer (also from archeology[10]) coins bore a recognizable **imprimature, word(s) or symbol** identifying them as being from the "*sanctuary*" or some other respected party or authority. Another FACTOR: **Lev. 27:24-25 shows else the "*shekel of the sanctuary*" involves.** God says: *"In the Year of Jubilee the field shall return to him from whom it was bought, to the one who owned the land as a possession. And* ***all your valuations shall be according to the shekel of the sanctuary: twenty gerahs to the shekel.'*** God required at least 5 things: **1)** everything be measured by one basic currency unit[11] (helping ease communication and trade[12]); **2)** due to its being **the** currency

8 I wrote Christian economist Dr. Gary North on this question and his response was: "It should be a purely market phenomenon." - email correspondence May 10, 2017 12:46 PM "Subject: modern day equivalent of "shekel of the sanctuary"".

9 I believe God's word (Romans 13; 2 Cor 10:12ff et al) and common market sense show it foolish not only but going beyond the God ordained limits of government's sphere and authority to have set the ratio of 1 to 15 between gold and silver in the 1792 Coinage Act. I appreciated Ron Paul's writing on this.

11 **First,** the value of land, property, everything was to be measured "*according to*", by, or in "*the shekel of the sanctuary*". This shows Israel (and all nations) what just currency must be and do. Apparently God orders Israel to use a singular, recognizable national currency unit as Israel's unit. It was not the mina or half shekel but the "*shekel of the sanctuary*". While other currency units/denominations were allowed and even required for other uses (eg the half shekel in **Exodus 30,** the mina in Ezekiel 45:9ff and Jesus' parable) here God requires every (NASB) valuation be measured in this currency unit. America's "dollar" compares. The wisdom and utility of this is obvious.

12 Differing weights of money were used: shekels, minas, et al. Compare this to "dollars" also a weight. If in America we measured some things by dollars (a weight) and other things by tons (or fractions of tons), it would be more difficult to communicate and thus to trade. By having one primary currency weight/unit, it accelerates communication and trade.

unit for all time (in relation to Jubilee) it guarded the currency unit's value over time[13] thus protecting people's property rights and the portion of their lives they invested into their property; **3)** along with other laws relating to numbering "*every man*" during the census, along with God's threat of plague for violating His law concerning giving a "*half-shekel*" with their census, this law helped guard the currency's purity and integrity and insured periodic screening for counterfeiters[14]; 4) these requirements happy by products: they made everyone jealous to make sure the currency was pure lest they **all** suffer for it[15]; **5)** by giving that nation whose God was the LORD a just currency with enduring stability, God caused Israel's economy to be strong, stable and its currency attractive to outsiders. Deuteronomy 4 predicted that by obeying God's good laws other nations would admire Israel's God's laws and thereby be won to Him andHis Messiah Jesus.

5) AN IMPLIED FIFTH FEATURE: God's severe penalty for violating the other four. Though not per se as an explicit requirement in the same way the other four are, after considering various texts, we by good and necessary inference can say God requires **a severe penalty** for making and forcing others to use unjust currency. As proved from Isaiah, Amos, Micah et al God said that by "*making the shekel large*" and *"falsifying the balances by deceit"* (Amos 2:6-8; 8:5-6), by "*deceitful weights*", by passing "*statutes*" and executive or judicial "*works*" or orders to force unjust currency that violated His laws (Mic. 6:11-16), Israel's government not only used unjust currency to plunder their people's property but as well plundered the people themselves – making them – by taking in an ongoing way the private property of their labors, energies and time, turning the people into involuntary slaves. Isaiah 1, Amos 2:6 and 8:6 and Zephaniah 1 together show that moneychanger "*thieves*"/those who handled money had made the government their "*companion*"s by the moneychanger false currency and by that unjust currency were indicted by God and His ministers for **buying and selling the people**. Unjust currency takes a man's property not only of gold, silver or copper, but by putting him in scenario where he has to go on earning unjust currency (such as America's paper or even more worthless electronic Federal Reserve Notes) the money-changers with government's help go on taking the man's labors, energies, and a huge portion of his time (hours, days, weeks, months, years - much of his life) - violating not only his private property but right to life. This is why God mandated in **Exodus 21:16**: "*He who kidnaps a man and **sells him**, or if he is found in his hand, shall surely be put to death*". A second time God required this death penalty in **Deuteronomy 24:7**: "*If a man is found kidnapping any of his brethren or the children of Israel, and mistreats him or **sells him**, then that kidnapper shall die; and you shall put away the evil person from among you.*" God has one law for all: whether by iron chains or by chains of debt/unjust currency and loans, taking a man from a sphere of liberty and subtly/craftily forcing him to work for you and give you all those labors, energies and time is no different than kidnapping or man-stealing aka enslaving people – no different in God's eyes than whites kidnapping, man-stealing, enslaving blacks in Africa – not only stealing them from their lands, families and whatever property they left behind, but as well forcing them to give their private properties of their labors, energies and time – until they are freed. How quickly did most plantation owners want to "free"/proclaim liberty to their slaves? Watch the movie about Harriet Tubman and see. Yet God created men in His own image so that every man can live his life obeying His Creator through the Savior and Lord Jesus and fulfill his life's calling – whatever God calls him to. So to prevent a man

13 **Second**, by requiring "*all your valuations*" for all things be in "the shekel of the sanctuary" **for all times** (the context shows this applies whether before, during or after any 50 year cycle), God gave incredible protection and stability to Israel's currency. (Leviticus 27:24 reflects this when it required "*In the year of jubilee* [occurring every 50 years] *the field shall return to the one from whom he bought it*". There could be change in the land's ownership, but NEVER in Israel's currency unit: the "*shekel of the sanctuary*". Every "*valuation*"was to be measured against that CAREFULLY DESCRIBED AND PRESCRIBED unit of currency. People work hard for their money. This is another real life benefit to obeying God. Over time, the shekel LOST nothing of its value! Compare that to America's dollar since our government turned from the supreme law's requirement of what our fathers gave us in their 1792 Coinage Act where a silver "dollar" is defined and required to be 371.25 grains of pure silver! That was our singular currency unit our nation's currency was identified by. But in Israel, the same shekel that bought xyz items at the start of the 50 years thereby was going to generally buy about the same xyz after the 50 years. God's laws gave a stable currency. God's currency laws gave everyone a fair playing field. Israel's supreme law preserved via "*the shekel of the sanctuary*" its value! This is the law of a good, just and loving God. A good, good Father who KNOWS how to protect property rights! OBEYED, His laws prevented fraudulent dealing via currency and protected individual's rights as well as the nation. DISOBEYED, as the prophets reveal, as our founders warned, the greatest violation of people's rights occurs by currency. Historically, altering money been the greatest way of stealing people's property than anything. The same is true of using currency to make involuntary slaves of others.) Requiring every measure of value be in "*the shekel of the sanctuary*" prohibited injustice in valuations, prevented currency units weighing other than "twenty gerahs" of pure silver, insuring their currency and its value -unlike elastic currencies - did not fluctuate over time. By the same standard shekel for all the time, God insured justice and stability in the currency, thereby protecting people's property rights, values and their lives given for it.

14 **Third**, God's laws fit together. If one was broke, perhaps another will prevent hurt from spreading far. God further guarded Israel's currency, and thereby people's rights by requiring in **Exodus 30:11-16** a "half-shekel" be given by "every man" "numbered" when Israel took "*the census*". In **Numbers 1:1-3** God required Israel "*Take a census of all the congregation....every male... from twenty years... and above- all...able to go to war*". Whenever this occurred, every male had to give **a half shekel which had** better weigh 10 gerahs of pure silver. Exodus 30 reveals God's stated purpose: ***"that there may be no plague among them when you number them"***. Every man better give the **just** half shekel. He gave it to priests who used eyes, hands and balances to check every coin for purity and weight. Remember the priests and sacntuary probably minted the shekels and half shekels. Periodic scrutinizing occurred with a stern warning implied: want to be ransomed? Give a half shekel currency unit "*appointfed]...for the service of the tabernacle*" – the rich gave no more, the poor no less. Unless you regarded yourself and your countrymen cheaply, you better not bring God a counterfeit - either trimmed or debased, or you could be plagued. So could your nation. Israel celebrated Passover each year, recalling God's 10 plagues on Egypt.

15 **Fourth**, we learn by good and necessary inference a reason for this *"shekel of the sanctuary"*: to protect people's rights by protecting this their "*rights-protecting-Coin*". Everyone was concerned about justice in currency. Everyone would suffer if there was an unjust currency: both in being defrauded and by being subject to a plague. If the coin was not just, a plague would result. Sinful hearts of few individuals here and there, or even a racket of criminals in banks or government, were thereby periodically looked for and curtailed. If government connived (turned a blind eye to) such currency, God assured that He as Most High forever enforces His law would still bring criminals and nations to suffer. That gave every man incentive to see counterfeiters severely punished.

from this, or to crowd and pressure his life by all this stealing making his life hard and difficult to do all God calls him to by means of sneakily stealing from him/stealing him was SEVERE in God's eyes. God's mandatory penalty for such crimes was as severe as it was to Egypt's "*house of bondage*": death.[16] Jeremiah 34 shows that even Israel's leaders, though they were supposed to be a free people, a land of liberty turned from God and loved idols of greed and power and so like Egypt refused to free/"*proclaim liberty*" to their people. They had already turned them into slaves and God's law required them in Lev. 25 et al to free them, to "*proclaim liberty*" to them. This is the very verse America's Liberty Bell has on it – Lev. 25:10. Israel's government briefly proclaimed liberty but then turned the people right back to slavery/bondage, so because government would not execute His just laws that required those who enslaved His people to be put to death, God Himself said to the rulers: "*Behold, I proclaim liberty to you...to the sword, to pestilence, and to famine!*" and He gave them into the hand of their enemies who sought their life so their dead bodies were eaten by "*birds...and beasts*". God's good law requires government and men to "*proclaim liberty*' to one another, but He is not being obeyed in this Commandment either, so the same death penalty His law and America's supreme law requires **HE HIMSELF** will enforce as He wills and where. Scary part: when government does not execute justice, God Himself will (see Deut. 21; 2 Sam. 21 and listen to a sermon at **www.anchoroftruth.org/Ezekiel14** . God proclaims that His curse will rest on the house of him who steals and or perjures (see Zechariah 5:1-4). Do you want God's curse to remain on you and your house? His word shows it is on the bankers and government leaders! God requires us to guard our ownselves and private properties in Gen. 2:15; Neh. 4:14; Col. 2:18 and His Eighth Commandment (a good summary of it is found in the Westminster Larger Catechism Q & A 141-142 showing we are required not only to abstain from stealing but also required to seek to get, protect and promote our own estate/private property as well as that of our neighbors (in so far as we are able). FOR THESE REASONS DO NOT WILLINGLY TAKE OR SEEK COMMERCIAL LOANS NOR LET OTHER PEOPLE WHO YOU KNOW ARE ABOUT TO SEEK SUCH A LOAN TO GO WITHOUT THIS WARNING lest you by not caring for your neighbor incur guilt before God as the Scriptures below warn. **Unjust currency and unjust loans is a VERY SERIOUS sin and crime to God for which He requires death and for which He puts His curse to "rest"/remain on those guilty of it! Only by repenting and believing on the Lord Jesus Christ can people be freed from their sins and be reconciled to God. Those who do turn from their lawbreaking and trust alone in Jesus perfect life and death at the cross to have taken away the eternal penalty for their sin will show their faith and repentance by obeying God's laws which also includes restituting stolen goods and proclaiming liberty to those they enslaved. IF they do not do this, it shows they are not saved/right with God and are still going to go to hell, the place we all naturally go to because by nature we are all sinnerse. For more about how to be right with God, see www.anchoroftruth.org/IsGodYourGreatestFriend .**

Because Christian leaders in Christian nations (such as Bishop Oresme) studied and sought to obey God's word, over the centuries their **common understanding became their common law** which not only condemned unjust currency for plundering and enslaving men but also required death for those guilty of it. A large part of America's common law was derived from Protestant England's common law. Highly respected Supreme Court Justice Joseph Story in his Commentaries on the Constitution (an authoritative interpretation of it) wrote: "*One of the beautiful boasts of our ...jurisprudence is, that **Christianity is a part of the Common Law, from which it seeks the sanction of its rights, and by which it endeavors to regulate its doctrines. ...There never has been a period, in which the common law did not recognize Christianity as lying at its foundations....It now repudiates every act done in violation of its duties of perfect obligation. It pronounces illegal every contract offensive to its morals.***"[17] [emphases added] This is why in England's common law, a death penalty was to be execute against those who stole from the people and thus also man-stole people by unjust currency.

In summary: The bankers have Federal Reserve Notes or electronic reserves (numbers on a screen) which they created from essentially nothing. We the people have private property. The banks by use of the government's threats and force of arms did in 1933 force us to surrender our gold and to take and to earn their federal reserve notes (a debt instrument, an IOU) as money. The way they circulate the federal reserve notes in the nation is through loans. Thus our currency is really a debt owed to the Federal Reserve/the lesser banks. Interest is not put into circulation by the banks, so they have created a situation in which it is impossible for everyone to pay back their loans anymore than it is possible for everyone to quick sit on a chair when the music stops while playing musical chairs. Thus by design, many borrowers must default, in which case the bankers acquire more of American's private property, or, the borrowers must request from the banks new loans (which just starts the same old plundering cycle over, except even worse – more debt - this time around).

---

16 As explained further below, God did not prohibit all forms of voluntary debt, yet seriously regulated it, requiring it to be brought to periodic ends (Leviticus 25; Deuteronomy 15 et al). Every seventh year, and every seventh cycle of seven years (the year of Jubilee, the 50th year) God required His people to "*proclaim liberty throughout all the land to all its inhabitants*" in order to liberate any from suffering prolonged institutional debt bondage which to God was slavery. (America's early leaders wrote these words on our Liberty Bell). God said He had liberated His people and their generations (Leviticus 25:39-49, 54-55) from such a state of slavery. Realization of how serious it was to refuse to "*proclaim liberty*" to one's neighbor was revealed both by God's law (e.g. Exodus 22:21-27) and prophets (e.g. Jeremiah 34:17) where God said: "*You have not obeyed Me in proclaiming liberty...every one to his neighbor. Behold, I proclaim liberty to you, says the LORD- to the sword, to pestilence, and to famine!*"

Part 3: So, what should be done? A lot of people say: what can be done about it? The bankers and government are in control and oppress us. What can be done? First, it is NOT right according to God's law to just shrug our shoulders and give up and go on being part of this slavery? Even worse would be to subject yourself to more of it if there is a way out. And it is EVIL to allow your neighbors to suffer it from such unjust loans!!! Here is help from God's word what He says:

FIRST realize that: **(A)** the same sins/crimes occurring here were occurring in ancient Israel; **(B)** God warned people to repent and when they didn't brought wrath on them. While nations have to repent, you need to as an individual as well. **So (C)** God who indicted Israel in Isaiah 1 called them to repent in Isaiah 1 and showed them how they could be right with Him in Isaiah 53. God promised Israel and He promises you, bankers and government today that they can be completely forgiven and restored to Him through the righteous life and sacrificial death of His Servant/Messiah Jesus. This is what we need: to turn from our sins and trust the Messiah Jesus who was a sacrifice that suffered and died the death in the place of sinners like us in order to be made right with God. *The Hebrew prophet Isaiah 53 for instance foretold a summary of the life, rejection, unjust treatment, sufferings, sacrificial death for the transgressions of others, resurrection and exaltation of God's Anointed Servant 700 years before Jesus and shows that Jesus alone could have fulfilled it. (See also Daniel9: 24; Zech. 9; Micah. 5 et al). These fulfilled prophecies are signs proving the Bible is true and that Jesus is God's promised Messiah who rules at God's right hand (Psalms 2, 21, 22, 72, 110 et al). ALL of us – not only bankers and government* - must repent of our sins -whatever breaks His Ten Commandments. We must ask and trust Jesus alone as God's Son who suffered the death sinners like us deserve for breaking God's laws- to save us. If we do not, God's word warns we will suffer forever in hell fire; why suffer that when Jesus in love gave Himself to suffer that at the cross for sinners like us? Why not be blessed and at peace with God? **(D)** God has promised to deliver us from this mess and tyranny if we will get right with Him by His grace alone which we receive through faith alone as we look to and depend on Jesus alone to save us. THEN, once right with God, we can cry out to Him and He will in His way and time deliver us from these criminals in banking and government and their decades of oppression. We need to call bankers and government to repent and get right with God through Jesus too. And, if they refuse, God's word in the Exodus, Psalms 2, 35,58, 59, 79, 109, Luke 18, Revelation 6: 9-11 et al show us that it is right for us to cry out to God as the "Supreme Judge of the world" like our founding American fathers did in the Declaration of Independence to punish and judge them to free us like He freed Jewish slaves in Egypt. Psalms 2 and 33 promise when nations get right with God, His begotten and Anointed Son Jesus also blesses them. God promises that as people turn from breaking His laws and back to Him through His Son Jesus who died for sinners like us in order to reconcile us to Himself so we return to living for Him, obedience to His laws will bring His blessings. God promises this blessing both for individuals (Psalm 1) and nations (Psalm 2). In summary, the true solution is Jesus: He is God's provided "*Way*"[18] out of this lawbreaking aka sin and its resulting oppression. Like Israel in Egyptian slavery cried out to the God of Israel to deliver them and He answered their prayers and did deliver them through the Passover/Paschal Lamb that pointed to Jesus and so brought them out of Egypt will do so for us as well. So, turn from your sins, ask and trust the Jewish Messiah Jesus to forgive you personally and ask Him as well to mercifully turn the hearts of bankers and government back to God so we return to God's righteous laws also requiring righteous government and honest banks and money. We need to study God's law, our founder's law and supreme law to learn the right way in all of these things that will make everyone blessed rather than some unfairly rich at the plundering and involuntary enslaving of others. A lot more could be said, but that is probably enough to start you thinking and praying to the Lord Jesus.

A SECOND key -as we pray and work for a restoration of following God's and the founder's supreme laws- is to seek to avoid being defrauded/made an involuntary slave. Instead, try to care for yourself and "*tend and defend*" the estate/wealth God has entrusted you with (Genesis 2: 15; cf. Ephesians 5: 29: "*no man ever hated his own flesh but nourishes and cherishes* [protects] *it*". **Try to find some way around getting a commercial loan**. Rent, rent to own, do a land contract, try to get alternative financing like owner financing, find a private mortgage from someone (like **a real estate investor** – there are many of them and groups of them often with multi-millionaries who **may** have ability and interest to loan you their own private funds – look online, ask a relative, friend, church member, bowling club member, etc.) who will really loan some of their own hard earned assets in exchange for the time value of their letting you use their money and putting it at risk, etc. God promises to bring people out of such bondage in time after we get right with Him; **pray for Him to lead you to some alternative loan that honors Him!** Read Scriptures like the Exodus, Jeremiah 29, John 14: 6 and 1 Corinthians 10: 13 that can give you wisdom in this corrupt captivity situation and let God lead your faith. www.prosper.com

18 Jesus said: *"I am the way, the truth, and the life. No one comes to the Father except through Me.'* (John 14: 6). God gave His only begotten Son because He is God's Prophet who alone reveals to us exactly who God is and how He wants us to live (Deuteronomy 4 and 5; Isaiah 42; and Matthew 28). He alone as **High Priest** is the sacrifice who atones for sin and heals all parts of life and the world as people by grace live God's way in every area (Leviticus 17: 11; Isaiah 53; Acts 10: 38; Hebrews 10: 14). He alone as **King** rules the world according to God's word (Psalm 2/Acts 13). All of God's truth in the Bible must be received or we have rejected God's word.

is one online marketplace for people-to-people lending -perhaps you could obtain a number of lenders and put something together, etc. A great blog that gives ideas how to seek to avoid commercial loans is at soldieroftheking.blogspot.com/2020/06/20-housing-options-mortage-evaded.html

A THIRD key: DONOT LET YOUR NEIGHBOR GET HURT! A lot of people TALK about loving their neighbor as themselves but HOW MANY ACTUALLY PUT IT INTO CONCRETE ACTION. By commercial loans, your neighbor is being hurt/defrauded/made an involuntary slave by others. Now that you know others are defrauding, plundering and making something of an involuntary slave of him, God's word requires you to love your neighbors by informing and warning them so they can avoid being so injured. God's word shows that if you do not do your duties to love others in the ways He requires, you will be guilty before Him. **God's word in Lev. 19:17-18 to you is**: "*You shall surely rebuke your neighbor, and not bear sin because of him....you shall love your neighbor as yourself*". God calls not only you but others too to "*tend and defend*" their estates (Gen. 2:15), to "*stand fast in the liberty*" Christ gives -Gal. 5:1; to – if they are Christians or Americans in America that calls itself a Christian nation to "*be made free*" "*if*" one/they "*can*", and, because believers "*were bought at a price*" (Jesus' blood) to "*not become slaves of men*". Yet, if as Israel was enslaved in Egypt until God delivered them, we/they find that we/they are "*a slave*" and "*can*" not "*be made free*" we/they are commanded "*not*" to "*be concerned about it*" in a worrisome way but rather to pray, trust and obey God who is His people's Savior in His time (cf. the Exodus; Ps. 107; Philemon; July 4, 1776 Declaration of Independence, et al). God's word requires us to obey **four** particular commands at this time: 1) "*expose works of darkness*" (Eph. 5:11); 2) "*reprove oppressors*" (Isa. 1:17); 3) call the oppressed and oppressors to "*repent*"(Isa. 53-55:7; Acts 17; 20); and 4) "*warn*" others they must repent and do what they can to avoid suffering God's wrath lest they get hurt (Ezek. 3, 33, Acts 20). If we do not do these, God says we incur guilt. In fact Ezek. 3, 33, and Acts 20 warn that if we do not warn others and they suffer because we did not warn them, God will require from us what they lost! Any who claims to be a believer in Jesus but goes on refusing/failing to keep these commands shows he has deceived himself (see I John) and is not right with God and needs to be saved! *"Silence in the face of evil is itself evil: God will not hold us guiltless. Not to speak is to speak. Not to act is to act."* - Dietrich Bonhoeffer (1908-1945). **God in many Scriptures make clear we have a duty to warn others when we realize they'll be hurt by something like a commercial loan. Consider:**

1) Sinful Cain asked God: "*Am I my brother's keeper*". Do I have a duty to protect him? God's word is yes! So if we do not, we are guilty of not caring for our neighbor/brother.

2) Lev. 19 shows God's command that each of us "*love your neighbor as yourself.* God forbids cursing a deaf person or putting a stumblingblock before a blind one. Loving others means we may not hurt them even if they don't know it. Who can say given the MILLIONS of laws in America that "ignorance is no excuse"?! Love is not what we can legally get away with, its a matter of fearing God and loving our neighbor **from the heart.** God requires doing what we can to protect our neighbor. Deut. 22:1-4 commands: *"You shall not see your brother's ox or his sheep going astray, and hide yourself from them; you shall certainly bring them back to your brother....."*. Dr. R. J. Rushdoony in his The Institutes of Biblical Law wrote: *"If the bystander had an obligation to render aid 'with all lost things'* [the property] *of another man, he has an even more pressing obligation to help rescue the man." [emphasis].* Love requires doings things to protect those who could be harmed for Deut. 22:8 requires us to set up a fence if we have a flat roof that people go on so they don't fall and get hurt. If we don't, God says we will incur bloodguilt if anyone gets hurt/killed and then would be punished. God shows love requires warning those who in danger in Ezek. 3, 33 and Acts 20. Love also requires us to help anyone who cries out for help for Deut. 22:23-28 shows for instance what a young woman must do if she is attacked by a would be rapist, and, it shows what others must do if they hear her cry for help: *"If a young woman who is a virgin is betrothed to a husband, and a man finds her in the city and lies with her, then you shall bring them both out to the gate of that city, and you shall stone them to death with stones, the young woman because* ***she did not cry out*** *in the city, and the man because he humbled his neighbor's wife; so you shall put away the evil from among you. "But if a man finds a betrothed young woman in the countryside, and the man forces her and lies with her, then only the man who lay with her shall die. But you shall do nothing to the young woman; there is in the young woman no sin deserving of death, for just as when a man rises against his neighbor and kills him, even so is this matter. For he found her in the countryside, and* ***the betrothed young woman cried out, but there was no one to save her.***" [emphasis added] This principle came into our common law and is known as a "*hue and cry*". Oxford Dictionaries defines "*hue and cry*" as "*a loud cry calling for the pursuit and capture of a criminal. In former English law, the cry had to be raised by the inhabitants of a hundred in which a robbery had been committed, if they were not to become liable for the damages suffered by the victim.*" A *"hue and cry*" is a term still used today and love still requires that if we are attacked we must sound a "*hue and cry*" and that those who hear it are required to help rescue or deliver us. So, **whether a person's life or property was at stake, those who knew their neighbor was in danger of losing property, limb, life or rights are REQUIRED to help as much as they are able to prevent the injury and protect their neighbor**.

3) Luke 11:42 gives the story of the Good Samaritan where Jesus showed how a religious leader broke God's law to love his neighbor by avoiding, ignoring, and neglecting his neighbor's need when he saw he had been injured. He failed and or refused to help as he would want others to do to him. Jesus defined *"love your*

neighbor" to require that that when we see our neighbor hurting, or about to be hurt by others, we are to do what we can to protect and help them. Dr. Rushdoony said: we are not to only keep God's law when it costs us "*little or nothing*", Jesus shows love means keeping God's law even though "*it sometimes require[s]... courage*".

4) The **negative to** avoid: Ps. 50:18: *"When you saw a thief, then you consented with him...:"* which occurs if we are silent though when see someone about to be defrauded by banking thieves.

5) The **positive to** obey: Prov. 31:8-9: "***Open your mouth for the speechless....****Open your mouth, judge righteously, and plead the cause of the poor and needy."*

6) I Tim. 5:20-22 requires us: "***Do not share in other people's sins.*" Those who acting in evil as leaders** are to be "*rebuked in the presence of everyone*".

EMERGENCY National Security Matter Affidavit To All 3 Branches

An Open Letter to All America and the World

1. I, Rev. james-frederick: graveling, **swear** before the God of the Geneva Bible the Puritans used that what I convey herein, in my supports and in my recordings is true and correct to the best of my knowledge and recall.
2. **TO EVERY RECIPIENT IN TURN: WARNING: this message is one of *LIFE OR DEATH* and a matter of National Security. God requires that it MUST get to the American people and not only sit – as previous communications have – with government. People are dying right now of Coronavirus; this matter directly relates!**
   1. The laws of God and man require[1] each person who receives these *sworn* words to do their part to get this before the American people.
   2. *Whoever does not (whether an aide in the White House, etc) will incur blood and soul guilt before God and man for not getting this timely WARNING to America IF – when I bring my petition for redress of grievances to an American court and it responds wrongly - God then brings more wrath on our nation just as the solid, historically documented warning based on His laws and our own show He warns He will do in His way and time.*
   3. God commands that when He guides men and or nations by His word and confirms particular messages by answers to prayer and or striking providences, He authorizes us in Genesis 24: 51 et al to say "the LORD has spoken".[2] Then He requires everyone to say to those who claim to have received an answer: "What has the LORD answered you?' and, "What has the LORD spoken?'" - Jeremiah 23. God also requires us all to treat sworn words as He instructs and requires in Hebrews 6: 16: "an oath for confirmation is the end of all dispute." In other words, you must believe and act according to sworn words, governing yourself and those under your care by them UNLESS you can prove by laws or facts from God's word or world – properly interpreted – that he lies or is in error. To overcome sworn words you better be sure of yourself, for if you are found to violate true words that are sworn you will not be held guiltless and can or will suffer God's wrath! **SO THEN: God commands: "let him speak My word faithfully" "who has My word". - Jeremiah 23. So LET ME SPEAK** TO THE AMERICAN PEOPLE AND BEYOND THE WORDS THAT GOD HAS GIVEN ME TO SPEAK THAT CONFIRM THE TRUTH, WARNINGS, AND GRACIOUS PROMISES HE GIVES IN JESUS IN HIS WORD!
3. I bring this unabridged petition for redress of grievances by the authority of God's law, the organic Constitution's First Amendment to all three branches of American government. Let ALL in government PROMPTLY AND FULLY grant this petition as God's word, their oath of office and the Mayflower Compact, American lives and the country's existence, other nation's people's lives and national existence and justice so require!! **This petition comes with the audio-visual recordings noted in the email along with attached supporting documents. Read below for the petition, but first, be informed: in said recordings I state that I prayed for "minor" "pestilence" that would affect "all nations" in January 2020. God answered with Coronavirus!**
4. **AS WELL BE WARNED: America is endangered to God's "catastroph"ic "punishment" that can involved "fire" on our capital/s,** and or **on our city/ies,** and or on our**"gates" -** referring to **government and or military places– in relation to**

---

1 See Ezekiel 33:1-9 quoted herein and Leviticus 19:17-18 et al. We are our "brother's keeper" (Genesis 4)!

2 **The Bible teaches: 1)** it alone is to be trusted as God's infallible, inerrant word for all time so it alone is the final authority for everyone for what to believe and do, all other perceived guidance from God or men's opinions must be tested by it? **2)** God makes known His will or guides us by answering prayers and in other ways?; **3)** God speaks or guides men and nations by answers to prayer and His word authorizes us in Genesis 24: 51 et al after He answers direct prayers that "*the LORD has spoken*"?

one or more of His "four mighty judgments" which His word defines as: 1) "sword" - such as 911, war or invasion; **2) "pestilence"** such as Covid; **3) "wild beasts"** - which can also refer to criminals – think Portland, et al[3]; **and 4) "famine"**[4]. I note that one of these can play off the other: war can result in pestilence and famine, or famine lead to pestilence etc. God can use whatever means He wishes, but His word expressly warns that **this level of "punishment" involves "the sword of the LORD" taking HUGE NUMBERS OF LIVES**[5]**owed it!**

1. **For abortion alone we owe God's sword "life for life" requital of probably 90-100 million innocent children!**
2. **To get an elementary understanding how God relates to nations in these LIFE AND DEATH matters, listen to the sermon I preached in 1998 on** the 25th Anniversary of *Roe v. Wade* at **www.anchoroftruth.org/Ezekiel14Sermon** . These sins and crimes that have LONG been unredressed **will NOT go on forever unrequitted, no, God' word and all history warns our Lord Jesus will** redress them in His judgments in time AND FOR ALL ETERNITY and those who do not repent and get right with Him by a true, evangelical faith will weep and gnash their teeth in the horrors of His righteous wrath froever. I urge you: hear His word preached there for those truths THEN speak VOLUMES NOW IN THIS HOUR. Seriously, I consider that those in government especially should all be MADE to listen to it since what are dealing with – as Public Law 107-293 also warned – is the "wrath" of Almighty God!!! The record confirms His word preached then that because government refused to judged rightly, I and other saints rightly called on God to judge rightly! As Isaiah 59 too warned, God Himself has taken up the sword! That in itself confirms another point of that sermon: God is *longsuffering but only for so long.*

5. In my said recordings, I give brief Scriptural grounds that warn America and all nations. I do so to obey God's commands especially to ministers but all saints (cf. Ezekiel 3, 33[6],Acts 18, 20 et al

---

3 The damage in 2020 was significant: after the Capital Building was taken Jan. 6, 2021, it was reported that "*Leftists, BLM, and Antifa virtually shut down city governments, beat back the police, and left the country with $2 billion in damage last year, and they are lauded by the media for it.*" -1-7-2021 "Making Sense of the Chaos in DC" by GenerationsRadio.

4 These four judgments are listed in Ezekiel 14. There are reports of some in America who say "yum, yum" to cannibalism, to literally eating the murdered bodies of America's sons and daughters. We are worse than Nazi Germany (I know of no report of Nazis eating Jews). This itself is a HUGE MORAL/SPIRITUAL JUDGMENT - hearts so blinded by depravity (cf. Romans 1). In Jeremiah 19: 3 God indicts Jewish Israel for its murdering its innocent "*sons and daughters*" and sacrificing them to what Psalm 106 calls "demons"/idols (just like America is sacrificing its innocent sons and daughters to!). God 's word (Romans 11: 22 et al) warns Gentile America and other countries by what happened in Israel! He shows He there became so furious over their ghastly murders He finally declared: "*I will cause them to eat the flesh of their sons and...their daughters...in the desperation...their enemies...shall drive them to despair*". Acts 10: 34: "*God shows no partiality*"!! Over 60 MILLION CHILDREN MURDERED!

5 See www.anchoroftruth.org/Ezekiel 14 sermon and www.anchoroftruth.org/GodsAmerica ; **Amos 5:3**; 9: 8; Genesis 9: 45-6; Numbers 36; Deuteronomy 21; Luke 11; Romans 1: 18; 11: 22; 15: 4; Hebrews 2: 2; 13: 8; et al.

6 **Ezekiel 33:1-9:** "*When I bring the sword upon a land, and...a...watchman ...sees the sword coming upon the land, if he...warns the people, then whoever hears...and does not take warning, if the sword comes and takes him away, his blood shall be on his own head. He heard...but did not take warning; his blood shall be upon himself. But he who takes warning will save his life. But if the watchman sees the sword coming...and the people are not*

(and cf. your Good Samaritan and moral duty to care doctrines). All men as well are required to in love care for their neighbor when they learn he is endangered. Hereby I have informed you they are to God's wrath, **so obey God's commands in Ezekiel 3, 33, Acts 20 and the Third Commandment to share this and help spare your neighbor's life and soul lest you incur blood/soul guilt for not doing so!**

6. **THE FACT** AMERICA TEETERS ON THE BRINK of catastrophic punishment I PROVE IN A BIRD'S EYE BRIEF OVERVIEW BELOW AND CAN PROVIDE ALL THE SUPPORTING DOCUMENTATION later.
7. **PETITION**: I by the authority of God's word and Mayflower Compact/covenant to trust, obey and so glorify Him petition all three branches – to televise the recordings at www.anchoroftruth.org/PestilenceCallsToRepent as well as allow me to preach to our nation to call it to repent so we might be spared God's wrath and return to the "Blessings of Liberty" "our Lord" and "God" has given us and be the city on a hill that shines the light and Christian faith as an example to the world to God's glory!
    1. Scripture shows it is only by the word preached that the nations will remember and turn to the LORD! So in Israel under Josiah, so America's Great Awakenings!
    2. It was by the word preached that America's true origins occurred. Trace our roots back to the Protestant Reformation! And from there to Paul the apostle, to our Lord Jesus' preaching, and the prophets!
    3. We cannot get right with God nor live right nor then escape His wrath nor have the "Blessings of Liberty" apart from receiving His revelation and trusting and obeying it as our own covenants and laws REQUIRE. I prove all this but do not have room here.
8. **RELATED PETITION:** God's word in Joel 2 says that we need to postpone weddings et al when God has indicated a nation is guilty of great sin and that His wrath hangs over it. The One Constitution Art. 7 calls "our Lord", namely Jesus, has made me His minister and ambassador so that He calls this nation to such Joel 2 sacred assemblies to hear His word, repent and seek His face!!!
    1. **IT IS MORE IMPORTANT TO BE RIGHT WITH GOD AND KEEP OUR COUNTRY RATHER THAN SEE HIM GIVE US OVER TO MORE JUDGMENT OR FRAUD AND SO BRING US DOWN FURTHER TOWARD DESTRUCTION WHILE WE PURSUE LESSER IMPORTANT MATTERS!**
    I for one of near half America am not even persuaded that the election was righteous; if it was a fraud, that will bring MORE judgment from God than I herein and in supports and recordings indicate we have and are suffering already by Coronavirus!
    2. So I call THE NATION TO PAUSE AND TO HAVE Joel 2 sacred assemblies for repentance! So as necessary let the inauguration be postponed - if as I write below the government truly has not obeyed God's command to "inquire diligently" whenever there are allegations of wrongdoing – and I no longer generally trust Congress or our courts given what I prove from God's word and firsthand personal testimony in said recordings.

---

*warned, and the sword comes and takes any person from among them, he is taken away in his iniquity; but his blood I will require at the watchman's hand. So...I have made you a watchman...; therefore you shall hear a word from My mouth and warn them for Me. When I say to the wicked, 'O wicked man, you shall surely die!' and you do not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood I will require at your hand. Nevertheless if you warn the wicked to turn from his way, and he does not turn from his way, he shall die in his iniquity; but you have delivered **your soul.**"*

ESPECIALLY GIVEN THE SERIOUS SWORN ALLEGATIONS GOD THROUGH ME BRINGS AGAINST AMERICA ITSELF, His word requires that at such a HIGH LEVEL OF SERIOUSNESS (National Security!), leaders "inquire diligently" into all matterS of wrongdoing (Deuteronomy 17:4; 19:18). Or shall a near terminal patient continue to take in more poison so he might die?

3. If you do not OBEY God's word and treat these sworn words as the laws and rulings of God and man require, so you bring more guilt and wrath on America, it will 1) not be my fault; 2) be yours (you better repent if you do sin and see the recordings how to get right with God as well as read Isaiah 53 and 55:6-7 and Romans); 3) *God's word will still require you each day you delay to still do what this PETITION PETITIONS YOU FOR. Consider that it stands on God's word and Gods word stands forever so this petition stands UNTIL you actually redress the grievances described herein and in supports and recordings.*

9. **PROOF FOR THE WARNING OF SAID CATASTROPHIC PUNISHMENT:** The record as seen by the light of God's word, America's Mayflower Compact (covenant), our organic, supreme and recent Public Laws[7] shows:
    1. God's Standard Operating Procedures with all nations (Amos 1-2) is that "for three transgressions...and four I will not withhold punishment" where punishment is defined above (fire on capitals, et al).
    2. God's jurisprudential rule is that it only takes 2-3 witnesses to prove matter to His court (Deuteronomy 17; 19; Matthew 18:15; 2 Corinthians 13 et al).
    3. Primarily Gentile America parallels ancient Jewish Israel in the same 3 and 4 sins God indicts Israel for in Isaiah 1 and for which He finally "destroy"ed Israel for (Amos 9:8), which four sins both nations are guilty of:
        1. idolatry/separation from God and state (Isaiah 1-2 et al)
        2. murder of their own sons and daughters, sacrificing them to demons (they after the children were born, we before; either way God's word says it is murder: see Genesis 9:5-6; Exodus 21:22-25; Psalm 106; 139 et al)
        3. sexual immorality: any sexual gratification outside the bonds of 1 man and 1 woman (Hebrews 13:4); Jerusalem then, America now even tolerate sodomy (Isaiah 1)
        4. unjust currency resulting in unjust government (Isaiah 1:22 et al).God's word warns Gentile "Christian" peoples: if you do not continue in God's goodness, you'll suffer the same severe punishment Israel did! Do you want that?! Or do you want God?
    4. The record shows America's Supreme Court - after being warned that the case relating to our house involved:
        1. GROSS LAW AND RIGHTS VIOLATIONS OF: a) our merely asking via God's and man's laws (Fair Debt Collection Practices Act) for non fraudulent proof that they gave us the loan we asked for and they represented to give us rather than something created out of thin air and the banker parties responding by giving us forged, altered documents to so called prove they gave us a non fraudulent loan!; b) the unlawful foreclosure of our house by forged documents and searing attempted debt collecting; c) our repeatedly asking for our Constitutionally guaranteed right of Trial by Jury but never given it; d) gross violations of due process (default judgments denied us: sworn affidavits prove the Clerk was required, showing favor to the bankers); e) so we were extorted from our house.
        2. INVOLVED MY WARNING SAID COURT THAT IF THEY DID NOT RULE IN OUR FAVOR BUT APPROVED OF THESE GROSS LAW AND RIGHTS VIOLATIONS AMERICA WOULD SHOW IT GAVE GOD PROOF AMERICA NOT ONLY WOULD PERSIST IN OUR 3 SINS FOR WHICH HE SENT 911 (see

---

7 1982's Public Laws 97-280 and 2002's Public Law 107-293. See also the Library of Congress' Exhibitions on "*Religion and the Founding of the American Republic*". Together these show that the Mayflower's evangelical Puritan's Bible (Geneva) is the "*bedrock*" of our republic, that said Bible is God's word, that the Bible greatly influenced our laws and form of government and greatly blessed America so Congress urged us all to *"study"* and "*apply*" God's word to our lives and nation.

them above) but would even give Him proof of guilt in a fourth which would move us to worse than the remedial wrath which I said under oath **He sent in direct answer to my direct prayer in the judgments of 911 and 2008's Great Recession**. Said Court gave God Most High's Court a **FIRST FORMAL WITNESS** even after 911 et al that we will thumb our nose at Him in said 3 and 4 sins!

3. After even Alabama Supreme Court Justice Roy Moore and America's Supreme Court approved of said law and rights violations, we did what early evangelical America did: "appeal"ed to the "Supreme Judge of the world" for just judgment, having been directly led to pray for "drought".
4. Later (Nov. 2016) my family and I recalled our prayer for drought and realized God answered it by 2016's drought. Then when I prayed for it to end it rained and it was over. This is also what happened with 2007's drought and its end. See the attached paper signed by congregation members in support. And also with 2019's drought (see the affidavit from Dr. Travis Kidd).
5. I later realized that these events were allowed by God to move to fulfill His promise that somehow 911 would work out somehow for Israel's salvation (so I prayed during my 911 prayer). His Holy Spirit made me realize He had given me a point for point correspondence between Gentile America and Jewish Israel. God used identical circumstances in both countries to indict them that their unjust currency had resulted in an unjust government where though sworn to uphold the law, judges, even judges who said "the law of the LORD is with us" like Ten Commandments Judge Roy Moore nevertheless showed by their works – in God's word - that they reject God's word by approving "the false pen of the scribe that certainly works falsehood" (forged documents used to defraud me of my house) Isaiah 1:22ff; Jeremiah 5-8.

5. I processed for 1099 OID refunds that were due me. (For why, start with the recordings). The IRS responded to our **sworn** to the best of our knowledge documents that yes we were indeed owed "CR"/credits/refunds to discharge "dollar for dollar" (Statutes at Large 48, 48,112) every obligation incurred in Federal Reserve Notes. Yet turned around in the same letter and wrote they "changed" our refunds to alleged debts, another striking parallel glaringly indicting Gentile America for its persistence in the same 4th sin (and done to the minister who told about 911) as God's prophet Jeremiah (34) recorded occurred in Jewish Israel also persisting in idolatrous greed/economic fraud (related to their unjust currency) for which God sent on them sword, pestilence and famine!
6. The IRS formed agreements by oath in God's Name that they owed me said refunds and other funds yet refused to give them to me. So I petitioned the Federal Court of Claims to order the IRS to perform the agreement's obligations and give me said refunds and other funds their own writings acknowledged. I cited as grounds a) America's supreme laws requirements for gold and silver Coin, protection of the rights to private property, the right of just compensation for taking gold, silver and the ongoing taking of my labors, energies and time by being forced to earn Federal Reserve Notes, b) the IRS own writings in response to my SWORN 1040s/1040Xs acknowledging said refunds owed; c) the IRS entire failure or refusal to keep their oaths and to obey the laws of God and man to give me authorization for their changing of my refunds and for the debt collecting acts which over time added up to 100s of unauthorized debt collecting acts for which they owed me – in God's providence – LARGE amounts of other funds. Yet said court earlier violated its oath and laws as well as my rights by a) saying my claims were "frivolous" (oaths, contracts, Art. 1, Sec. 10 to uphold obligations of contracts are not frivolous matters to God!!!), was impossible to understand (yet they said it was frivolous) and though impossible to understand said my grounds citing the Constitution's provisions concerning my rights and just money were overcome "decades" ago by Perry v. US. In retrospect, as I prayed and studied God's word, the Lord made me realize from Micah 6 that in God's sovereign providence the Federal Court of Claims paralleled what Israel's leadership was doing: citing "statutes of [evil king] Omri" and the "works of [more evil] Ahab" rather than obeying God's word. They too over decades of covenant breaking assured their consciences (falsely) that all their 3 and 4 sins were "legal"! God did not care: He judged

them according to His word and I swear He has us too! See Psalm 96:13; John 12:48; et al. So He sent His sword on them to take lives and, as 1 Chronicles 21 shows with my sworn testimony, so has He sent on America (and the world)! WHEN GOD CREATED AND UPHOLDS AND REDEEMS AT THE COST OF HIS OWN SON'S LIFEBLOOD HELL DESERVING SINNERS WHO MAKE COVENANT WITH HIM IN HIS NAME TO BRING GLORY TO HIS NAME BUT PERSIST IN PROFANING IT, HE IS AS ANGRY WITH GENTILE NATION AS WITH JEWISH!

7. Though I did refer to God's judgments of 911 and 2008's Great Recession in my petition to the Federal Court of Claims, it was not as conspicuous/overt as to America's Supreme Court. Perhaps that kept God from pouring out the "catastroph"ic "punishment" we already deserve for persisting in said 3 and 4 sins? He is so good in longsuffering, justice and mercy!
8. But the record shows then that WHEN I will warn the Federal Court of Claims in my second/another petition for redress of a) the sin of its former dismissal letter and b) of the historic context of judgment and of America's teetering on the brink of God's catastrophic judgment, IF that court – the official "keeper" of the "nation"'s "conscience" - does other than respond in my favor, it will give God a **SECOND or perhaps a THIRD formal witness** – that we persist in our rebellious covenant law breaking that despises the oaths of office in His Name and the oath in America's Mayflower Compact so that like Israel (Ezekiel 16; 17; 36; 39) we for our blaspheming His Name in before the world are given to suffer "catastroph"ic "punishment.REMEMBER: it takes but 2 witnesses to prove a matter in God's Court.
9. Because courts/leaders from "least" to "greatest" (in parallel to Israel in Jeremiah 5-8) in our house matter did wrong, because the court did wrong in the Federal Court of Claims to our refund matters, because the Bible and our founders warned that unjust currency results in unjust government, because we have an unjust government that makes America sin (like Jeroboam) in these 3 and 4 areas, because we teeter on the brink, because I HAVE seen and DO – by God's word, providence and Spirit's gifts – know a sword is coming against our land – to WARN "the people" and the "wicked" **LEST, as in Jeremiah 36- like Jeremiah I as 1 minister bring 1 long petition to 1 leader in my country and that 1 leader only – as Jeremiah's leader did – read only part of the petition, use a scribal knife (use a scribal rule) to cut/criticize it and dismiss it (as Jeremiah's leader did to fire) SO THAT IN RESPONSE GOD RULED THAT THAT WAS THE LAST STRAW/now there was NO MORE LONGSUFFERING, there was "no remedy" (2 Chronicles 36) so he sent on the ENTIRE NATION "all the doom"/catastrophic punishment His ministers had warned of for DECADES!**
10. I followed God's striking leading to ask questions and seek truth and justice in relation to the matter of my house and refunds in order to obey His lead after I had failed to remember my vow to Him on 911 that if He answered with the Twin Tower and Pentagon attacks (to call us back to Him) I would tell President and media so they (have the country's ear) could call the nation to repent. THEY DID NOT. **See the recordings**.
11. Powerful authorities of: a) God's word, b) striking resemblances between Gentile America and Jewish Israel that ONLY the hand of God's providence could have brought about (separated by 2700 YEARS!) to parallel one another point for point, even in similar indicting illustrations of our fourth sin, c) the record also of my frozen-in-time computer files (saved with dates in 2019, before Corona was ever heard of) and sermon recordings (showing dates well before 2020 too) – ALL show the rationale whether biblical, providential, historical documentary for why God called me to bring this WARNING in connection with going to the Federal Court of Claims again. ALL these SHOW I was going to give this warning FAR before Corona was heard of. So let no one say I thought to use Corona after it was here and THEN came up with all of these arguments: no, historical documentation shows it was ALL basically written or preached before.

10. **Having been led by the Lord to pray for said pestilence, I know the biblical and providential/historical grounds for the prayer, and, therefore, God's purposes for it (cf. 1 Samuel 1 et al). I declare to you that part of God's purpose was to break up the hard hearts**

of nations to be called to repent and in particular in advance of my bringing Another Petition concerning said refunds and other funds to the Federal Court of Claims and this WATCHMAN'S WARNING FOR ALL NATIONS. SO THEN LET US BE CALLED TO remember and turn to the LORD as He enabled me to after I broke my 911 vow.

11. **Our only hope is to repent and return to God through Jesus.** That is what this petition aims for: to redress specific violations of law and of my rights that are historically documented grievances[8] in my refund and house cases but as well the other 3 and 4 sins and all other sins mentioned. America and its government must remember and turn back to the LORD God of our Puritan fathers through "our Lord" Jesus the Messiah. I come seeking to be at peace with all men in so far as it depends on me but let You know that God's word clearly – in Isaiah 1 et al – calls this government and banking syndicate/companionship "My adversaries" so long as you to not seek and find wonderful reconciliation with Him through "our Lord" Jesus.
12. **Do you know how to treat SWORN words? ARE YOU SURE? Do you know that God judges when you do or do not treat sworn words as His law requires? That is part and parcel of EVERY oath/swearing/calling on God: we ask Him to bear witness/judge whether we are speaking/acting truly/faithfully to what we represent.**
    1. **THE RECORD SHOWS THAT BECAUSE White House occupants, Congressmen, judges from least to greatest, law enforcement and others have NOT treated my sworn words that only agree with God's word, THEREFORE God did what we ALL called on Him to do: bear witness to my words/judge you/America for whether you have been keeping your oath of office.**
    2. **Did President Bush treat my sworn words about praying for 911? In light of God's word and the record, NO! Did others in the Federal Reserve when I warned them about 911? NO! THEREBY THEY IMPERILED MORE LIVES AND ECONOMIES.**
    3. Do you fear God? Do you show it by keeping His Commandments? Do you know His Third Commandment requires everyone to BELIEVE AND ACT ACCORDING TO SWORN WORDS? That said both the laws and rulings of God and of man (in centuries of Christian common law, America's supreme laws, maxims of law, Supreme Court rulings, doctrines like acquiescence, implied contracts, tacit procuration and other authorities) all require EVERYONE to obey God's Third Commandment's requirements to honor God's Name called on by oath/swearing so that **UNLESS** the person hearing/receiving the sworn words KNOWS AND CAN PROVE from facts or laws in God's word or world that the sworn words are false THEY MUST/THEY ARE REQUIRED to treat them as true? In summary, everyone is required to **honor God's Name (as your oath of office implies you acknowledge your right and duty so to do) by believing and treating sworn words as truth for Hebrews 6:16 summarizes the laws and rulings of God in this summary: "an oath for confirmation is the end of all dispute". (emphasis). Do you know that while there is an exception, other than the exception, God's word requires us to treat** sworn words as "stand"ing truth? Then, do you see why, if words are to be regarded as truth, God's word and common sense require us to believe and act according to truth? So that everyone has **a moral duty** to follow sworn words as truth, and to govern both themselves and those under their care by the sworn words that no one can prove are false? YOU BETTER BELIEVE MY SWORN WORDS! I AM NOT LYING! EVERYTHING I SAY AGREES WITH 1) the Bible; 2) the Mayflower Compact "covenant" (and our many reaffirmations of it in Trinity v. US, 2002's Public Law 107-293 et al); 3) the sworn record FULL of historical documentation proving that Gentile America parallels – point for corresponding point – the grievous persistence in 3 and 4 sins.
    4. Said oath-breaking and not treating my sworn words as required having resulted in lost lives **requires** me to give a **watchman's warning** to all nations in direct relation to Coronavirus in answer to my prayer God led me to pray.
13. **We have suffered Coronavirus a whole year now, perhaps you are thinking, why didn't I bring this out before?**

---

8 A Petition for Redress of Grievances (pursuant to the original, organic Constitution's Bill of Right's First Amendment and more importantly the commands of God to allow me to allow "let" me "speak" "all" that the LORD has made known to me to and "not diminish a word" -Jeremiah 23!)

1. Scripture tells us in James 5:17-18 and Luke 4 that Elijah prayed for a severe drought that resulted in a severe famine where his fellow Jewish countrymen were literally starving to death. AFTER God so led Elijah to pray and had poured out His wrath for 3.5 YEARS, Scripture in 1 Kings 17-18 tells us that **THEN God told Elijah to show or manifest himself again to government led Israel** so the message God gave him could be heard. The record here in America shows God gave me to pray Elijah like prayers for and messages to give government led America as well, they like Israel's government, ignored me, so, His providence had me ***now*** bring this out. In light of His word and providence at work (the record shows it is conspicuous!) I believe He did it to fill out yet another parallel of **a whole big LIST** of striking parallels between Gentile America and ancient Jewish Israel showing we point for corresponding point parallel them in our stubborn march toward death and destruction as they did til the kingdoms of Israel and Judah were "destroy"ed.
2. As I prepared this, it seems the Lord's providence brought to me several times the year of Jubilee and the year of punishment. The record shows America's Supreme Court and Federal Court of Claims did **not** keep their oaths to uphold the highest laws as God and their oath of office as required. But had they as leaders known and obeyed God and our laws to keep their oaths and so treated my sworn words as God required, America could have YEARS AGO "remember"ed and "turn"ed "to the LORD" and it would have SHOWN its REPENTANCE AND faith in our Lord Jesus, its In God we Trust TRUST IN GOD by obeying God's command I wrote BOTH the Supreme Court and Federal Court of Claims about. That command is given in Leviticus 25:10, which America loved so much it wrote the Bible verse on our Liberty Bell! - "PROCLAIM LIBERTY THROUGHOUT ALL THE LAND TO ALL ITS INHABITANTS". Had those Courts obeyed, had Roy Moore and law enforcement responded to my calls to repent and borne fruits as required by God, America could have already enjoyed YEARS ago what Leviticus 25:13 refers to, God's promised **"year of Jubilee".** Had they kept their oaths to uphold God's and our supreme laws and – as our Public Law 107-293 shows – our Mayflower Compact formed by oath in God's Name - the record would not show we endured a YEAR OF PUNISHMENT but of Jubilee.
3. I stress again that though both courts were required to proclaim liberty to me in both house and refund matters, both of those (two witnesses, God is at work making the courts of heaven show our guilt) were REPRESENTATIONAL for ALL Americans for He knows the violations of His and our supreme founder's laws!!! Though I told the Supreme Court my sworn testimony concerning 911 and 2008's Great Recession as direct judgments from God in direct answer to my prayers to bring us back to God, that my house was directly tied in both with the 3 sins 911 was for and that our house matter represented a fourth, yet they went right ahead and violated their oaths repeatedly. I will Lord willing soon put on anchoroftruth.org the "EMERGENCY1 Petition For Stay2 and or Temporary Restraining Order and or Petition for Redress of Grievences and or other Appropriate Common Law Remedies (by Affidavit)" and the other petitions I sent them as well as what I wrote the Supreme Court and the earlier petition to the Federal Court of Claims (FCOC) where in to the FCOC my petition at p. 28, footnote 83 I referred the reader to Appendix2Volume2 p. 89 # 32 where I wrote in support: **"ApPt 43: Leviticus 25:10, 42f, 53-55 and America's father's Liberty Bell: economic liberty: ¶** 'And you shall consecrate the fiftieth year, and **proclaim liberty throughout all the land to all its inhabitants**. [Liberty Bell's Inscription] It shall be a Jubilee for you; and each of you shall return to his possession, and each of you shall return to his family." [vv. 42-46:] 'For they are My servants, whom I brought out of the land of Egypt; they shall not be sold as slaves. 'You shall not rule over him with rigor, but you shall fear your God. 'And as for your male and female slaves whom you may have—from the nations that are around you, from them you may buy male and female slaves. 'Moreover you may buy the children of the strangers who dwell among you, and their families who are with you, which they beget in your land; and they shall become your property. 'And you may take them as an inheritance for your children after you, to inherit them as a possession; they shall be your permanent slaves. But regarding your brethren, the children of Israel, you shall not rule over one another with rigor." ¶ Cl[aimant] avers that because the fathers (and courts since) set up a nation founded on Christian principles and seeking/embracing in covenant the Christian God that it is against the law for Cl[aimant] as a Christian (a spiritual descendant of the Puritans,

Pilgrims and fathers) to be given over to permanent involuntary slavery. God forbade man-stealing (such as occurred in Africa, enslaving innocent people) and he forbids making any of His people (spiritual descendants of Abraham, Isaac and Jacob/Israel, whether Gentile (Genesis 12, 17; Psalms 2, 22, 67, 68, 72 et al; Isaiah 43, 45, 49, 52:13-53:12 et al by faith and repentance in Messiah Jesus) or Jew (Genesis 12, 17) permanent involuntary slaves. Leviticus 25:53-55 **ORDERS**: 'He shall be with him as a yearly hired servant, and he shall not rule with rigor over him in your sight. 'And if he is not redeemed in these years, then he shall be released in the Year of Jubilee—he and his children with him. 'For the children of Israel are servants to **Me**; they are **My servants** whom I brought out of the land of Egypt: I am the LORD your God." [emphasis added]".

4. Consider carefully in light of God's word and providence via this American minister how what I preached to both courts from God His command to proclaim liberty in relation to our house and refund matters. I wrote both for the sake of ALL Americans, NOT just for me and my family who are in God's unmistakable providence **REPRESENTATIONAL EXAMPLES** -OF WHAT **ALL** AMERICANS BASICALLY ARE SUFFERING – BUT MORE, of what generally all Jews and Gentiles around the world - are suffering in connection with what the Bible and our founder's Constitution and 1792 Coinage Act call unjust money/currency/weights and measures. This is because America as a leader nation and other nations have turned our backs on God, His Messiah Jesus and Their Laws so God has given us over to suffer economic and political captivity. BUT HE CAN PROCLAIM LIBERTY TO US through the Anointed One of Isaiah 61, Jesus, and, government is required to obey Him to do so and other nation's leaders are commanded to do the same IF and AS they turn from their sins to God in Jesus' Name.
5. As I study God's word and providence, the answer to prayer for pestilence, how He – as I prayed brought it to mind if I did not right away remember/recognize it (I was working on the house we had to buy and repair because they had stolen ours; even the sins you do against others have their effects: steal a minister of God's house after God warns you through him of what is going on, and you think there will be no SEVERE CONSEQUENCES?). So He had me remember around July 21, 2020 After that I was seeking the LORD and preparing to bring this as well as attending many other ministry and family duties. But had our courts done as required, I am confident God would NOT have sent to us a year of punishment! Yet, because of Jesus who is Jubilee Incarnate, we can still have that Year! Call upon Him earth for jubilee from your spiritual/moral debts as well as these fraudulent debts! For proof they are fraudulent, see the call to repent I gave Federal Reserve bankers et al in the Another911JudgmentNears document.
6. **SAINTS:** be encouraged BY ALL OF THIS! As we sing: *Earth shall keep her jubilee* for *Jesus saves, Jesus saves!* God works ALL things out for the good of HIS people, so that, He used even their rebellion to make the record show Gentile America is as guilty and worthy of being destroyed as ancient Jewish Israel! Pray for their salvation! Give for it! Love friend and foe! Pray for people's salvation and pray for righteous judgment!
7. **LAWBREAKERS: By His word and providence God has shown you yet another of the many parallels America has to Israel!** In **Jeremiah 23:12** God warned that false prophets and false shepherds, unfaithful leaders in state and religious areas had rejected the light of His word and the light His minister's sworn words, so He said: "Therefore their way shall be to them like slippery ways; in the darkness they shall be driven on and fall in them; for I will bring disaster on them **the year of their punishment,**' says the LORD". Think: God is in control of history. Not you. History will ask WHY America's leaders, like Israel's leaders, were so unfaithful! The children will ask their parents: but daddy, didn't they promise God by oath to obey His covenant laws? Yes, but in Israel and America leaders vainly imagined due to the delusion that demons put them under while they worshiped false gods that because they had might therefore whatever they said was right. But God in Jeremiah 23:10 says: "their might is not right" (23:10). So, in love and humility, respect for your office but sharp rebuke (as God requires of me in Titus) I say STOP TRUSTING IN YOUR OWN MIGHT or God will – as Psalm 82, Jeremiah 8 et al warns – take it away! DO YOU WANT TO LOSE YOUR COUNTRY?! Repent before "our Lord" Jesus as Psalm 2 COMMANDS! Humble yourselves - showing desperation by fasting! Seek His face! DO WHATEVER HIS WORD

COMMANDS BEFORE HE DESTROYS YOU "when His anger is provoked but a little" (Psalm 2).

14. **I by the full authority of** God's word in the Bible, America's organic, supreme and recent Public Laws 97-280 and 107-293, the Mayflower Compact/covenant, the record that shows America has been suffering already for persisting in the same 3 and 4 sins that Israel was finally "destroy"ed for (Amos 1-2; 9:8) and that God's word warns we also will be destroyed for if we do not return to Him (Romans 11:22), as well the private agreements formed by oath that authorize me to **call on all three branches of American government for redress of grievances. By all said authority I:**
    1. **Call us to obey our National Motto that we "Trust" in God (the God of the Christian Bible) and so to hear God's word/gospel in 2 Chronicles 7:13-14: "*When I shut up heaven and there is no rain, or command the locusts to devour the land* [He sent housing market bubble burst/2008's Great Recession in answer to my prayer; He sent Coronavirus as well], *or send pestilence* [He sent Coronavirus] *among My people,; if My people who are called by My Name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.*'** NEVER HAS THERE BEEN A MORE APPROPRIATE TIME FOR ALL AMERICA, ALL ISRAEL, ALL NATIONS AND ALL THE KINGS OF THE EARTH TO humble ourselves, to seek God's face, to turn from our wicked ways, to "remember and turn to the LORD" through the sacrifice of His Son Jesus the Christ!
    2. Call me to speak to share what the LORD has answered me, to give the Scriptural, America's supreme law and historical grounds in the records showing the lawful grounds for this warning as also providentially illustrated in my own case.
    3. Call me to call the nation to Joel 2 sacred assemblies throughout the land! Let each person seek the LORD (Zechariah 12-13; et al) to personally repent/believe on the Lord Jesus as personal Savior and Lord and learn to show it by works of obeying God's laws. I will set forth from God's word the details of these things from God's word when invited to so call our nation to repent and lead it in prayer of repenting and looking to "our Lord" Jesus to forgive us our sins so that times of refreshing may come from the LORD for us.
    4. Show you truly want God, truly believe, truly repent: obey His command in Leviticus 25:10 and my covenants sworn to in God's Name. I believe this too is is why He led me to pray and answered my prayer for minor pestilence: because He is watching over the honor of His own name in the oath bound agreements I formed with the IRS and other parties though the IRS and others are trampling the honor of His Name; nothing makes Him angrier!). Government must as His word and said private agreements require: "PROCLAIM LIBERTY THROUGHOUT THE LAND TO ALL THE INHABITANTS THEREOF" FROM ALL DEBT SLAVERY which comes via debt currency in our Federal Reserve Notes and unjust loans have brought us and upteen generations under. All of this is a BIG DEAL to God!
        1. To see the hard documentation that said currency and said loans are unjust, see attached Another911JudgmentNears. In Leviticus 25 et al God requires releasing people from perpetual debt; He forbids making His people permanent slaves of men; He says "they are My servants"! As Moses told Pharaoh in Egypt: "Let My people go".
        2. America is by covenant and repeated affirmation a "Christian" nation where the Bible is the "bedrock" of our republic (1982 Public Law 97-280). The Bible is the "royal law of liberty" and said Public Law expresses the truth that our founders found the proper roles of government and law to seek to establish Justice and protect the rights of men in liberty by studying and applying the Bible to America and its laws. They fully declared their liberty came from their Creator God whose Son Jesus they prayed to as God's Anointed Savior. Leviticus 25:10's Liberty Bell and our pledge of allegiance declares – as the Bible defines it - "liberty and justice for all", making **perpetual debt service/slavery wrong.**
        3. It was in the wake of 911 and my own vow failure (as I told President Bush about) that God led me to pursue the OID refunds, and later, after the IRS changed them to alleged debts, to realize **commercial loans are fraudulent** (see proof that this is in fact the case in the attached Another911JudgmentNears.

4. As Scripture in Acts 19:24 exposes those involved in the idolatry and theft made "no small profit" by their covenant lawbreaking, so here!
    1. If I take paper, make it green and put president's faces on it, it costs me pennies. May I require you to treat it as though it has the worthy of a silver dollar (so many grams of fine silver?). Say I walk into a store: can I make the clerk take that green paper for a dozen eggs? Of course not! Its not worth the value of the eggs! Yet the bankers do just that. Why are they getting away with it? Because government has broken covenant laws made by oath and their oaths of office. The Federal Court of Claims uses Perry v US as their excuse.
    2. But was that contract between Fed and Congress lawful? Rep. Louise McFadden as House Chair of Banking and Currency blew the whistle, charged President FDR with treason, citing the words of Proverbs 1:14 that our leaders were casting in their lot with the moneychanger thieves, forming a companionship with them. In light of God's word in Isaiah 1, Jeremiah 5-8, 34 et al HE WAS RIGHT! Bring up his charges and "inquire diligently" Congress and American people! And enforce justice!
    3. Even IF there were a contract, 1) there is a time when as Leviticus 25 and Ezekiel 45 could at least be applied to show God says: "Enough O princes" - make the dollar what the supreme law of the land required!!; 2) if any argue the American people want socialism and we can only get it by unjust currency that gives us over to this slavery, they rebel against God's word: see 1 Timothy 5, the 8th and 9th Commandments, et al and www.anchoroftruth.org against Obamacare's socialism for proof; 3) the American people are not to be made permanent slaves: Leviticus 25 and Liberty Bell. Why not? Because we are a Christian nation as the Mayflower Compact and Public Law 107-293 (2002/after 911) say! The true evangelical Christians in America were in the language of Romans 11 ingrafted into the covenant of Abraham, Isaac and Israel through faith in their Messiah Jesus, so, we have all the benefits and our laws – as your Public Law 97-280 (1982) affirms - were derived from studying God's.
5. So given the combination of taking our just currency, forcing use of defrauding currency, and the use of fraudulent loans that would only give Americans over to ever increasing and thus permanent debt slavery, the same Congress had to and did in the same Act provide a remedy. It did. I applied for it under oath and the IRS acknowledged it which in light of the Third Commandment's requirements made the matter "stand" and be "binding" so that these sworn, unrebutted documents in my 1040s and 1040Xs and affidavits/private agreements MUST be "do"ne as God's word requires.
6. Even if any plead the IRS made a MISTAKE in just my case: a) then why aren't they obeying the laws to just compensation et al generally anyway after all this private property has been plundered? Why then other Americans swear or affirm they also received the same dollar for dollar? But the CLINCHER is the requirement of the Third Commandment: Numbers 30:6 says even if I was "rash" in my sworn words, they still stand and are binding and if anyone tries to say or treat them as void, the guilt and wrath will be on them and their nation (30:15; Joshua 9; Hebrews 2:2; 1 3:8 et al). I asserted all Americans are so owed said dollar for dollar refunds to discharge all obligations incurred in Federal Reserve Notes and Respondents did not timely rebut therefore according to God in His word and centuries of Christian common law, America's supreme law Supreme Court rulings, my words stand and are binding so that the Federal Court of Claims must order the IRS to perform said contract terms!
7. So PROCLAIM LIBERTY!
8. **I say all of this, again, as an ambassador for "our Lord" Jesus Christ and following the example of the apostle Paul in obedience to 1 Corinthians 11:1. I show how he preached the gospel to all of life and the world as well as I quote from my frozen-in-time (back in 2019, before Covid-19 showed up) Memorandum pp. 189-191: ****By my writing and actions in this refund matter (and my house matter) I do no differently than Elijah or Jeremiah in Israel or the apostle Paul in Acts.** For instance, he obeyed God to *tend and defend* his estate and also that part of it called his stewardship in the gospel by repeatedly, daringly and vigorously **exercising his rights** of Roman

citizenship (16: 35-40; 22: 22-29; 24-26). As well he in **Acts 19 preached Jesus' Lordship over *all* matters though it confronted their culture's respected money, banking and idolatry centers.** Paul – like said 3 laws – **both** declared that Jesus is "*Lord*" in every part of the real world. God's message in this matter is really no different than Paul's in **Acts 19** and since: Jesus' Lordship has real life consequences and applications as it did in Israel and in Greece. Given that idolatry and fraud go hand in hand throughout Scripture (Isa. 1; Acts 19 et al), I and others pray that you and others will not respond like the crazed, ignorant and prejudiced Ephesians did to Paul. As he said in Acts 20, Paul preached the whole counsel of God in all its relevant applications as I am. **As footnote[9] proves, the idolatry and fraud Paul preached against were intertwined with international banking and its crime and idolatry – the same kinds of things going on**

As he was preparing to go, a great conflict suddenly exploded. So many Greeks had been won to Christ that the local culture and economy began to feel profound effects. The city was the site of a great temple to Diana*** *(known as Diana to the Romans, as Artemis to the Greeks). .... Her magnificent temple just outside the city was regarded as one of the Seven Wonders of the ancient world.... It attracted a steady flow of visitors especially from the surrounding regions, but also from remote corners of the empire.* ***In Paul's day, the worship of Diana was the economic base of Ephesian life.*** *In days past, when the harbor adjoining the city was one of the best on the western coastline,* ***Ephesus had also been a primary center of trade moving back and forth between inland Asia Minor and all points west....This digression concerning the economy of ancient Ephesus was necessary to understand the events reported in Acts 19. The Temple of Diana had become the principal source of revenue for the city. As in any modern city dependent on tourism, most people made a living by selling goods and services to visitors. Food, lodgings, and souvenirs were naturally the main items of business, but also the Temple served as a sort of international bank, where the wealthy deposited their money. Especially lucrative was the sale of silver shrines to worshipers of the goddess.*** *The term "shrines" suggests something large and imposing, but it actually refers to small handwrought objects showing Diana and her lions standing in a niche of the temple. For many years the manufacture of such shrines had employed a large number of silversmiths.* ***But after the gospel came to Ephesus and the surrounding region, so many devotees of Diana switched their allegiance to Christ that attendance at the temple fell off sharply. The decline in the cult of Diana cut deeply into the sale of shrines, and the income derived from their sale dried up. The silversmiths, feeling the pain in losing so much money, decided to take action to preserve their livelihoods. One of them, a certain Demetrius, called together his fellow craftsmen and made a rousing speech protesting Paul's influence. He accused Paul of preaching that any god depicted by an image made with men's hands is no god at all. The result, said Demetrius, was that many people had turned away from paying homage to Diana. Now the silversmiths' means of support was in jeopardy, and the importance that Ephesus enjoyed as the center of Diana's veneration was slipping away.*** *Worst of all, the Hebrew preacher had diminished the glory that rightly belonged to the goddess and her temple." "Getting Practical" "Mistaking self-interest for truth"* ***"Notice that all the arguments made by Demetrius were strictly pragmatic. He never once addressed the question as to whether Paul's doctrines were true. As he harangued the silversmiths to win their support for action against Paul, he appealed only to their pocketbooks and their pride, not to their minds. Here we see illustrated the great danger in mistaking self-interest for truth. What promises us money or glory or even what we imagine is happiness may be nothing but a big lie. In lashing out to defend their jobs, the silversmiths sided against truth and incurred the wrath of the real God. ¶ Pragmatism usually***

in this refund matter! Surely Paul's preaching was something a huge number considered even a threat to their economy – perhaps they would even say because of the international banking involved – to their nation's or the world's economy, their whole way of life. Like false accusers in another town did earlier, perhaps the Ephesians were ready to cry out to their "*rulers*" that "*These who have* ***turned the world upside down*** *have come here too...saying there is another king- Jesus.*" (Acts 17:6-7; emphasis added). **But if they would have sought for truth, they would have found God's grace and He would have forgiven and blessed them (Joel 2:25; Isa. 11)! But as the above footnote proves, they didn't take a minute to even *consider* the truth.** Yet God rules; so truth and righteousness prevailed then **and will now**, not "*every species of fraud and injustice*". As Paul found many Gentile unbelievers in his day so I find most Americans: **ignorant and prejudiced against the truth**. For this reason **it took Paul a lot of communicating** and his hearers *a lot* of time to listen/read (in Acts 20 Paul preached *all night*: he had and I have much to say to inform. ***For everyone's happiness and God's praise, please take the hours or days or whatever is required to hear/read the truth and live by it!***

9. **For I assure you from firsthand personal knowledge: Jesus really is Messiah and Lord. His rule is as real as 911 for it was His rod in answer to my prayer that was brought on only 1 day in illustration of how much we deserve and *will* suffer if we don't return to Him! His authority is *real* over all of heaven and earth (Matt. 28) and has *real* life consequences for this *real* world and the next. The real Lord Jesus really ca lls us to all really repent before Him and to enjoy the real and eternal pardon He alone as our personal Lord and Savior can give, and really warns that otherwise we will suffer His real temporal and eternal wrath.**
10. In Acts 19, Paul preached God's word that exposed the idolatrous "*silver shrines of Diana*" - an idol goddess - and reproved their craftsmen whom made "*no small profit*" by their intertwined fraud and idolatry combined as it was with their international banking. The craftsmen, having vested interest to keep going their evil practices that violated both God's laws and people's rights, never even gave truth of Paul's message a true hearing – their hearts were insane with their idols so they falsely accused Paul. God's truth **is *PERCEIVED* as a threat to evildoers. Not to America's fathers, the people, nor the Constitutional republic, but to those who are rebelling against God, who refuse the free offer of God's grace and the righteousness of His** laws requiring them to love rather than exploit their neighbor. Merely for preaching the truth as it is in Jesus, Paul was accused of upsetting this powerful merchant's economic but idolatrous control. With alarm they said to one another: "*this trade of ours is in danger of falling into disrepute*" and our great "*temple*" dedicated to their "*great goddess Diana may be despised and her magnificence destroyed, whom all Asia and the world worship*". They were outraged. Surely the Ephesian media reported that this Hebrew Paul's words threatened the economy. The fraudsters had gained enormous ILL GOTTEN GAIN by their **idol-fraud**. Those defrauding **today** by means of debasing currency may hear the truth that exposes and reproves them too and respond similarly. Their modern day idol "*trade*" of creating something valuable out of nothing by mere fiat/word - they don't like exposed,

rests on the cynical assumption that there is no God to reckon with, so we might as well live for self. We see signs of such cynicism in Demetrius's speech. In effect, he conceded that what Paul was saying about the pagan gods might be true, for he offered no proof that Diana was real. At the same time, he dismissed the God of Paul as unworthy of his notice. He was so full of self-interest and self-assurance that he did not deign even to look at all the evidence in favor of Paul's worldview. Throughout Demetrius's speech we find only one concern—to protect his own place in the world. Exactly the same kind of cynicism still drives people to hell. How many never give the gospel fair consideration because they merely assume it is not true? Many indeed. They allow their eternal destiny to be decided by a hunch, by a personal guess, by their feelings. They choose the path that the gospel marks as the path to hell because they cannot see the end of the path and the path pleases them. With all their great wisdom acquired during a tiny span of life in a tiny corner of the universe, they are sure that they will never fall under the judgment of God. Sure as sure can be. Dead wrong too." [emphasis added] "*The men listening to Demetrius became more and more excited as he spoke. His concluding appeal to defend the honor of Ephesus and Diana worked on their emotions with great effect, and stirred them up to great wrath against Paul. They cried out, "Great is Diana of the Ephesians." They crossed the line from being rational individuals to being an irrational mob in blind submission to their leader.*" But history proves that just as Isaiah 9:6-7 predicted it was Jesus and not Diana/Artemis or the fraudster idolaters who won in history, but Jesus. The Lamb Wins!

they don't want to be reproved publicly though God requires it (Isa. 1:17). But God says He alone is God and can create something out of nothing by His Word[10]. They may say the "*public debt*", the currency or the syndicate may by my preaching be "*in danger of falling into disrepute*"[11] and then this great Fed Baal "*temple*"[12] that Americans and people worldwide – having been conned- consider "*magnificent*" will be exposed for the fraudulent, involuntary slave master it is! "*Why, we could suffer loss of our stolen goods! People might even call us to repent and to bear fruits of it by restituting the gold, silver, copper and other private property we stole!*" Yes Jesus as Lord/King does so call through me and other men of God, also for the corrupt bankers and government parties sake: **so they need not suffer paying their unpayable debts in hell forever** - Psalm 49! Therefore as Paul preached to "*King Agrippa*" so do I in love preach to all syndicate members and all men that they all must "*repent, turn to God, and do works befitting repentance.*" (Acts 26:19-20)****

15. **Now I bring up another command everyone is to obey: that is God's command in Deuteronomy 17 and 19 that when there are allegations of wrongdoing, those who are judges must "*inquire diligently*".**
    1. This applied to President G.W. Bush when I alleged America was guilty of horrific covenant law and oath breaking so much so that God in answer to my prayer brought 911's events. He did not treat my sworn words rightly nor so diligently inquire into the matter. Therefore, when God led me to pray for 2008's Great Recession, He brought it.
    2. When I brought the matters of the theft of my house in the historic context of 911 (via its being the answer to my prayer, which prayer was directly connected in God's providence to my house) and the Great Recession to the Supreme Court, they failed or refused to inquire diligently (and the record shows the Clerk 3 times refused to keep his oath to the First Amendment right I had to an unabridged petition for redress so that more guilt and wrath came on America).
    3. When I brought the refund matter up to the Federal Court of Claims they did not inquire diligently; had they done so, they would have called me if they found it truly impossible to understand while they sought to uphold my said First Amendment right.
    4. **NOW AS I BRING THESE EVEN WORSE ALLEGATIONS OF AMERICA PERSISTING IN EVEN A THIRD AND FOURTH SIN AND OF OUR TEETERING ON THE BRINK OF CATASTROPHIC PUNISHMENT WILL YOU THREE BRANCHES DO YOUR DUTY TO GLORIFY GOD AND PROTECT THE AMERICAN PEOPLE AND NATION OR EFFECTIVELY COMMIT TREASON BY OATH BREAKING?! After this sworn warning if you do not do as God requires and warn the people, you WILL incur blood guilt/soul guilt and I WILL seek to ask either government or Jesus our Lord on whose shoulder the government rests (Isaiah 9:6-7) to bring you to justice for IGNORING SO IMPORTANT A MATTER.**
    5. **A second related matter:**
        1. **God's word in Deuteronomy 17 and 19 commands that when there are allegations of wrongdoing, leaders are to "inquire diligently".**
        2. **The record shows that TENS OF MILLIONS of Americans believe there are GROUNDS to believe that the last Presidential election was rigged!**
        3. **Senator Ted Cruz, before the Capital was broken in, called for us to have the election results confirmed, to "inquire diligently"; let it be done before the onlooking world via TV. I watched the Congress via TV. Soon after after Sen. Cruz called for investigating the election results, Congress went into hiding due to the break in at the Capital. Later that day, a younger Congressman reported that cameras had identified some of those who broke in as being members of Antifa. Could it be that Antifa was instrumental in causing a sour turning against President Trump and all efforts to truly count/diligently inquire into the vote? As in God's word (Acts 19) the magistrate talked about calling into question what reason there was for the riot in his day, I call into question what reason and a thorough**

investigation as to why there was the breaking into the Capital Building. There were very peaceful American protestors who were entirely shocked. This is NOT something that those in favor of Trump for President all support.

4. I am certainly part of the reported 39%- nearly HALF of all Americans – Senator Cruz said believe there are strong grounds that there was great fraud in this last election.
5. Given 3 and 4 sins and government refusing to repent of them, no surprise would be involved in such a thing nor in turning blind eye to it either!
6. Yet God's word makes those who turn a blind eye partners in the crimes and subject to suffer the terrors of His sword and wrath as well as primary actors.
7. God's word forbids me after all I have seen from God's word and first hand personal experience from trusting either the courts or Congress for both are like the fox guarding the hen house.
8. Senator Cruz was right: only trustworthy people, investigate before the people on TV 24/7 as works of mercy and necessity require, let Sidney Powell as a rare Deborah bring all her charges and proofs: Proverbs 28:18; 28:15; 28:12; 28:23.
9. I am NOT alleging that Biden lost or that Trump won by a landslide but remind of God's qualifications for office: fear of God, Deuteronomy 1, 18, Romans 13 says they are God's ministers to act in justice like David said 2 Samuel. They should meet the 1 Timothy 3 qualifications! GOD TOLD ME before the Republicans had even selected Trump that He was going to make Him President for "various purposes". Perhaps God knows President Trump will treat this matter better. (or if He decreed Biden to be in the White House) will treat this matter I pray Jesus will cause him to also bring out this display of truth before America and the world. But ***ALL THREE BRANCHES ARE REQUIRED***!
10. President, Congress, Judges: IF ANY of you know the election was stolen, then USE the authority God gave you to STOP THE STEAL!
11. President Trump, if it is really true that you KNOW and can PROVE the Presidential election was stolen, then not only is it your RIGHT but your so help me God oath bound DUTY to USE the authority God gave you in Scripture, the Constitution to enforce the law AND PROVE BY LAW AND FACTS BEFORE THE AMERICAN PEOPLE ON TV THAT THE ELECTION WAS STOLEN.
12. As my family can bear witness, God told me He was going to put you in office for "various purposes". Perhaps one of His purposes is to bring this call to repentance and have you help turn America back to God!
13. Please also read my earlier EMAIL to Vice President Pence.
14. The media during the time when the Capital was being broken into reported that as the President you have the fully authority to use the TV cameras 24-7. Sir, OUR NATION IS IN PERIL DUE TO ITS OWN SINS: use those TV cameras to put this message I did last night and send you the www.anchoroftruth.org link to show America and beyond (as the Declaration of Independence says a "decent respect to the opinions of mankind requires that they should declare the causes which impel them to [America's] separation" so by so broadcasting it you can show the world what impelled you to email you online and to the WORLD - Declaration of Independence: so it may go before the eyes of the world.
16. **SO AGAIN, I petition all three branches – and President Donald Trump you are still in the White House the day I email this, still have the full authority of your office from God's word (Romans 13) as well as the Constitution to call this nation to repent by AT LEAST having televised the recordings at** www.anchoroftruth.org**/PestilenceCallsToRepent to call our nation to repent but I ask you well to let me do more: to preach God's word to the nation so we might be restored! THAT is why God gave Coronavirs: to be another WARNING, wake up call, to America and all nations so we not "perish" but have "everlasting life" by repentance and faith in Jesus the Messiah (John 3:16). So let me speak so that Israel, America and all nations might not perish but be blessed!**

18. Psalm 66 and other Scriptures show that if I had known sin in my life (such as if I were lying about 911 being prayed for by me before it happened and saying that God answered my prayer) the record would not show God answering my prayers as sworn or affirmed testimony from others declares.
19. I fully understand that it will take time to transition from unjust currency to just, that things will need to be done carefully. God has all the wisdom we need in His word and as well in the minds and experience of wise men He can bring as well as the Holy Spirit's leading. Bankers: repent! Show it by restituting! Restoring gold and silver! Let God be your greatest Friend through Jesus!
20. EVERYONE: watch the recordings!
21. Anyone who slanders or libels against me saying I was trying to get a free house or trying to get the refunds from greedy motives, may the Lord cause them to repent and see the truth of all I have suffered because of what I have said on the recordings. May He be my shield, help and comfort, and, He has been already by giving these parallel providences all men can see. I tried very hard and sacrificed greatly, rising up early, et al to bring this. I have suffered much for your sakes. If in anything I have unintentionally erred by any shortsightedness, unknown errors, et al, I ask all concerned to please pardon me like David prayed to God for forgiveness of unknown sins in Psalm 19:12. As for911, it was first for my nation, but was to work out for Israel and the world's salvation, so forgive me Israel, forgive me world, for not having remembered it and not bringing it to President and media timely. I trust you will do so in light of Jesus' command to forgive those who repent, as He taught us in the Lord's Prayer: "Forgive us our debts as we forgive our debtors". If you want to be forgiven, you must show your truly repentant heart and faith in Jesus by also forgiving others or you will not receive forgiveness (yikes would that be scary forever)!

Glory be to my Lord Jesus who alone could have died in my place, loved and forgiven me, led me after my 911 vow failure and given me and my wife and precious seven children the endurance to persist through all the rigors of house and refund "legal battles" so as to create as it is this day the record that parallels Israel's to bring everything full circle so that Israel, America and all nations may be called to repent as I was supposed to do after He struck us on 911. He is faithful to do as He said He would in His Third Commandment: to bear witness/judge, and even by remarkable "sign"s in answer to my Psalm 86 prayer confirming my sworn words about 911! By the authority of God's Word and of "our Lord" Jesus and His answer to prayer for minor pestilence affecting all nations, I have written this, all for Joy to the World and above all that the nations might hear and join in singing Praise Yahweh All Ye Nations (Psalm117) to the honor and glory of His Name alone!
