IGNORE AT YOUR PERIL! National Security Level Urgency: your lives and millions of Americas are threatened. [This is sent out of concern for your well being](#). Even if you do not read this and what is written in my links, God's word shows He will consider you FORMALLY SERVED and will hold you to *all* that is written and punish accordingly (see the Bible at Jeremiah 36). See www.anchoroftruth.org/potus for the warning Jeff Sessions brought President GW Bush about God's striking us with 911 for our 3 sins of separation from Him, 10s of millions of abortion murders and immorality; because hardly any listened, God gave 2007's severe drought – see <http://anchoroftruth.org/wp-content/uploads/2017/09/SCANOfExhibitAThatIsInSupportOf2016DroughtGravelingFamilyPrayed.pdf>; because hardly any listened, He gave 2008's Great Recession yet basically let the economy grind to a halt: **2008's Great Recession** was His answer as <http://anchoroftruth.org/jay/>. Congress' 1982 Public Law 97-280 says the Bible is God's word we need to “study” and “apply”. The Bible at Amos 1-2 applies: “for three transgressions of [America] and for four I will not withhold punishment” where “punishment” refers to God's threat to send “fire” on capitals, cities, places of government/military, to “slay” “judge”s, “princes”, “destroy” kingdoms and take huge numbers of lives. Isaiah 1 shows America is like ancient Israel in guilt for the same 4 sins, the 4th being unjust currency George Washington warned results in “every species of fraud and injustice” in government. After learning of fraud and injustice in my house loan I asked the bankers for non fraudulent proof of their having given a just loan as represented but they gave instead proof of even more fraud by giving me contradictory, forged documents see here <http://anchoroftruth.org/wp-content/uploads/2017/09/Forgery-Affidavit-Not-signed-sharper-version.pdf>. I went to court but as in Jeremiah 5-8, our courts from “least” to “greatest” approved of forgery, frauds, extortion, and rights violations giving glaring proof that as in Isaiah 1 our government has become “companions of [the] thieves” in the Federal Reserve. Our sheriff's department's criminal complaint can be seen here <http://anchoroftruth.org/wp-content/uploads/2017/09/Criminal-Forgery-Report-1.pdf> yet though knowing of the frauds and injustices, it like men in Zephaniah 1 stole our property for thieves. So like Elijah the prophet and our founders in their Declaration of Independence I prayed “appealing to the Supreme Judge of the world” before sheriff for fire; see God's answer here <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfEmailLinksTo3FiresFromABCNewsThatOccuredApril292016WithMa.pdf> [also see the house fires themselves!]; I also prayed for another drought and God gave 2016's drought as proved here <http://anchoroftruth.org/wp-content/uploads/2017/09/SCANOf2016DroughtGravelingFamilyPrayedFor.pdf>. We are on our fourth sin, the most dangerous, and God already gave lesser judgments for it. His word says He tests nations (Ps. 11/Jer. 6: 27). His providence designed my house to be a test whether we would turn back to Him through Jesus as I called our courts to. They all- even Roy Moore as shown here <http://anchoroftruth.org/wp-content/uploads/2017/09/ScanOfAlabamaSupremeCourtSummaryAffirmanceOfFeb122016Unrighteous.pdf> like leaders in Israel in Jeremiah 5-8 - failed the test so they gave God ONE FORMAL WITNESS we refuse to turn from our 3 and 4 sins. God only requires TWO FORMAL WITNESSES to prove a matter. God also designed this refund matter you can read at www.anchoroftruth.org/refund to be a 2nd test and as filled with glaring proofs of frauds and injustices in light of His, common and America's supreme laws as our house matter. If the Federal Court of Claims as our nation's “conscience” rules wrong, it gives God a SECOND FORMAL WITNESS that though we know that we are guilty of said 3 and 4 transgressions, that He poured out remedial judgments for them as proved by sworn/affirmed witnesses and many circumstantial evidences agreeable with said 3 laws, and that He threatens to bring said “punishment”, yet America by government defies Him and so proves to Him and the world the gross hypocrisy of Congress' 2002 Public Law 107-293 where - after being shook up after 911 – we reaffirmed the “Covenant” our settling and founding fathers made with God from Mayflower Compact on and repeatedly reaffirmed SAYing “in God we trust”, that we and government are based on “the Laws...of God”, are “under God” so we will obey His “Laws”, yet DO otherwise so we choose His “wrath” as said Public Law says we will suffer for not turning from our sins. Why not receive God's free pardon in His Messiah/Savior Jesus who lived, died and rose for sinners like us (Isaiah 53-55)? Why suffer or die in said “punishment”?! For as God said to Israel so He says to America: “If you are willing and obedient, you shall eat the good of the land; but if you refuse and rebel, you shall be devoured by the sword” - Isa. 1: 19-20. Ignoring God so long has made things that bad! The prophet Jeremiah's 1 long writing brought to 1 leader was FORMAL SERVICE to his whole nation; because that leader responded wrongly to the message, God “punish”ed him, “his family, and his servants” and said “I will bring on them”, their capital “and on...Judah all the doom... I...pronounced” (36: 31-32). The judgments mentioned herein and or in the links were from God in answer to my prayers, some prayed alone, others heard in part or whole before my congregations, family and sheriff. You as a leader will incur greater guilt/liability if you do not turn by evangelical faith and repentance to God AND do all

your part to lead America back to God. I raise a "*hue and cry*"-read www.anchoroftruth.org/GodsAmerica to understand that- so whoever hears is required to respond rightly, repenting, punishing evildoers and praising the good (Romans 13) lest we suffer more of God's "*wrath*". I bring this as God requires that- Lord willing- America may be restored and again greatly blessed!
