

## Parallels Between GLI and GLA:

God's control of all things we call His *providence*. America's first President George Washington was a professed, evangelical Christian. He described God's works to deliver America at its founding by these words: "*The hand of Providence has been so conspicuous in all this, that he must be worse than an infidel that lacks faith, and more than wicked, that has not gratitude enough to acknowledge his obligations.*" Again, "*No people,¹... can be bound to acknowledge and adore the Invisible Hand which conducts the affairs of men more than those of the United States. Every step by which they have advanced to...an independent nation seems to have been distinguished by some providential agency.*"<sup>2,3</sup> [see email!!!!]

**I. The chart below makes visible and conspicuous God's invisible hand of providence.** The record shows His hand so conspicuously that we can see that He - as it were - even left His fingerprints for **only** God could make America's record reflect in point for corresponding point ancient Israel's record though separated by 2700 years!

Those with eyes to see can look at this chart of parallels between the records of Israel and America and will be able to see that the works God did here give certain confirmation that His word is true, that He alone is God and that Jesus truly is His promised Anointed Son/King for only God could make the records of these nations parallel each other in the outstanding ways they do.

But then, that has a direct, relevant application: Scripture and the record of His providence show He did these works to make certain and to confirm the truth of His WARNING America and all nations that UNLESS they "*remember and turn to*" Him by an evangelical faith in His Anointed Son Jesus, they will suffer "*catastroph*"ic "*punishment*" and be "*destroy*"ed like Israel was. God often warns men/nations by saying they are "*like*" evildoers before them. For instance, God said to Israel's king Baasha: "*I will make your house like the house of Jeroboam*". Why? [B]ecause of all the evil [Baasha] did...*like...Jeroboam*" (1 Kings 16: 3, 7; cf. 21: 22; 2 Kings 9: 9). God also warns men and nations who claim to be right with Him not to be like Israel was in its unbelief toward Messiah Jesus (cf. Deut. 32 with Rom. 11: 22). Nevertheless, we can also see that He did these works to confirm the truth of the WOOING of His word and to give certainty and confirmation to America and all nations that even apart from their deserving it at all, He promises to freely forgive and restore all men and all nations IF and AS they reconcile with Him through Jesus. He urges men and nations to be "*like*" those who trusted and obeyed Him (Heb. 12: 1-2; 13: 7; 1 Cor. 11: 1).

Here you see God by His works has powerfully confirmed His word's already strong reproofs that applied to America and all nations! **All nations** generally persist in the same 3 and 4 (or like) sins as did ancient government led Israel. God has by this record not only borne witness to my sworn words of His sending judgments in answer to my Elijah like prayers but also borne witness to the truth of His word and His Son Jesus' sworn claims to being the "Christ, the Son of God". So, refusing or failing to return to the LORD WILL mean being "destroy"ed! **Yet God's word predicts that all nations will remember and turn to Him in His way and time. Based on Guidance Indicators Scripture Gives, I judge that this matter will be an instrument to bring them to return to God. So listen to God's word, to the record and to the rod Messiah Jesus brought by Coronavirus (Micah 6: 9-12; Psalms 2; 110) lest you also now suffer worse - "catastroph"ic - "punishment" as His word, the record and Covid warn you of!**

**NOTE: NOT all of the history, proofs nor explanation is or can be given herein. This chart is ONLY for the purpose of helping the reader see and realize these MANY parallels and the clear and inescapable confirmation of God's word. This chart helps make visible as it were the fingerprints of Jesus, the "Ruler of the kings of the earth" and His remarkable, all sovereign work! Bear in mind, I realized this in retrospect and had **utterly no control** over the words, actions or writings either of bankers or government parties in the plundering of my house via forged documents or over the words, acts or writings of the IRS, their superiors or the Federal Court of Claims in government's plundering of our refunds, liberty and rights. Yet God who is absolutely sovereign over all was graciously at work to create one parallel after another in America's record to match point for corresponding point those in ancient Israel's record both in the guilt of both nations in their three transgressions and particularly also in their fourth. I believe His showing grace and mercy by highlighting this especially in the fourth sin so as to give extra warning before we go over the cliff into eternal and or national death. The number of parallels itself throws out all arguments that these parallels were by "mere coincidence". God's law and America's (according to Constitution Art. 6) only require two witnesses to prove a matter. Not only are there many proofs/witnesses of the**

1 I appreciate his point yet wonder whether Israel did not have more to adore God's hand for.

three transgressions, but as well of the fourth. God shows government led America has a criminal record that is clear and indisputable, the house and refund matters being two witnesses, and each of them containing multiple sub-witnesses that match the glaring illustrations of Israel's same fourth sin. God did not have to give His word; He did though; He did not have to give signs and seals to confirm it; He did though; He did not have to give these signs and wonders to further confirm who Jesus is and the truth of His word that warns and woos the world; He did though. It would have been enough if He had only given His word. So world, see His grace to me and offered to you! Let modern Israel now choose who it will serve; let all Gentile nations as well;

The chart below shows by point for corresponding point chilling parallels between Israel and America's records. The records show:

- both made solemn covenants with their God that were formed by solemn oath in His Name, for the glory of His Name before all nations.
- Both nevertheless showed treacherous unfaithfulness to those covenant laws, particularly by persisting in the very same 3 and 4 “mighty” transgressions of: 1) separating from God to idols, 2) murder of their own innocent sons and daughters, 3) immorality and even gross immorality (sodomy) and 4) unjust currency that corrupts and invariably results in unjust government.
- Both were warned that God's Standard Operating Procedure with all nations is that any nation that persists in “three transgressions...and four” will then know His catastrophic wrath.
- Both show they were repeatedly called by God's ministers to turn from their sins and to return to God but both refused.
- Both therefore saw huge numbers of their citizens and children without any saving knowledge of God so that, according to God's word, when they died they suffer in hell.
- Both had patriotic, very concerned members and ministers repeatedly petitioning their governments to redress these grievances, but found their leaders refuse to do so.
- Both record God stirring up His ministers to finally resort to that form of prayer God's word commands men to use when governments refuse to execute justice – imprecatory prayer – calling on Him (as our founders and their Declaration of Independence does) to call on Him for just judgment to manifest a degree of His righteous wrath to seek to turn the nation from its road of destruction and to seek to keep it from further profaning of God's name before the nations.
- Both show a record of ministers of God who both preached God's word and gave sworn words that prophetically declared or firsthand testified that God “the Supreme Judge of the world” had brought righteous judgment in response to their words, yet, even then, the leaders and people refused or failed to treat God's word or sworn words that confirmed His word as His and their own laws required.
- Both show thereby that God did as His own word says He will do after men call on Him by sworn words: He justifies the righteous and punishes the wicked.
- Even then though both had leaders refuse to repent!
- Both record ministers whom God sent to speak His word and to obey it though it required them to do very difficult things for the glory of His Name and other's good, and that, His ministers suffered for so speaking and doing, being ignored, mocked and or persecuted for righteously following the law when government refused to.
- Both reflect not only God's longsuffering with their rebellious lands but as well His terrifying just judgments until in both an entire LIST of remedial judgments suffered grew over the years.
- Both reflect leaders who, because they were repeatedly warned of their lawbreaking via glaring illustrations of it and warned via lawful proofs of God's wrath, were so hard that God's anger mounted until He finally sent 1 MORE MINISTER WITH 1 LAST FORMAL PETITION.
  - Most alarming, the records now show America persists not only in the same 3 but even the same 4<sup>th</sup> – the most dangerous – sin. God highlights this by very evidently leaving His providential fingerprints to STRONGLY WARN America by these matching, glaring illustrations that – when seen in the light of their covenant laws formed by oath in God's Name - prove their persistence in said 4<sup>th</sup> sin. Just as in Israel God sent His minister Jeremiah who had prayed for judgment and earlier suffered for bringing and acting by God's word so in America, God sent me as His minister and I too prayed for judgment and earlier suffered for bringing and acting by God's word. The charts parallels warn America that like Israel it now teeters on the brink of “catastroph”ic “punishment.” (Jeremiah 19; Amos 1-2; Romans 11: 22).
  - When God sent Jeremiah with 1 MORE PETITION to warn his nation, pointing to overt illustrations of their nation's persistence in said 3 and 4 sins and rebellions. Because Jeremiah 36 records that 1 government leader responded wrongly, God finally sentenced the entire nation to suffer “all the doom” on them He had repeatedly warned them of before.

SO WE SEE THE AMAZING INTERACTION (like matching strands of DNA) ONLY God could have put here: God, by the intertwining and comparing the truths recorded in His word about Jewish Israel, and by showing the parallels strands or correspondence points Gentile America guiltily persists in, shows He, the God of Israel and of America, is God, that “our Lord” Jesus is His is Promised Anointed Son, that as much as He ruled the world while the prophets still looked forward to Messiah’s day does He rule it now, and that by the same standard of His word. As well, the record of His judgments then and there and here and now and worldwide<sup>4</sup>, and the record of the rewards He is in process of giving me in reward for my faith and obedience (though I deserve it not, it is all by GRACE!), what He is doing in my own case bears witness that – as Psalms 2 and 110 say - those who trust and obey Jesus will be blessed but those who refuse to trust and obey Him are cursed!

## **II. BUT GOD GIVES US FURTHER AMAZING CONFIRMATION BY THE INTERACTION OF OTHER THINGS. GOD ALSO GIVES US THE CONFIRMATION OF ALL OF THIS BY**

**RECOVERED COMPUTER FILES.** While preparing to give a) Another Petition (aka FleshingOut of my earlier petition to the Federal Court of Claims), b) the watchman’s warning to the American people and c) the watchman’s warning (or display) to all other nations, God’s providence later one evening simply allowed me utterly no more ability to retrieve my many important computer files on my thumbdrive! Was I ever grieved! Yet in retrospect I see God worked this too out for AMAZING GOOD!

For thereby, God has the record have THREE THINGS INTERACT and INTER-RELATE TO CONFIRM THE MESSAGE He gave me for the world. The first is His word; the second, the record that bears His fingerprints (only He could put all those parallels into the record); and the third is His answer of Coronavirus to my prayer for “minor” “pestilence” affecting “all nations” because not only were they all to some degree or other generally on the brink due to persisting in 3 and 4 sins but especially I just had to warn all nations to obey the command that was activated given the parallel realities reflected in the records of Israel and America in my the house and refunds matters representing our 4<sup>th</sup> sin and further, they all had suffered due to my 911 failure and sin, and all had to be warned by me as a watchman and minister to remember and turn to the LORD, for He had promised by His answer to prayer on 911 that He would work 911 out somehow for the salvation of all Israel, all the kings of the earth and all nations, and, after I forgot my vow and suffered financial loss, He led me to these refunds to restore what His chastening rod took. So given the good news of God’s Savior Jesus, that was also another reason for me to share the word and works of my God with all nations. But now, consider how these three then interact. Before I gave my sworn/Third Commandment based sworn testimony that God led me to pray and answered my prayer for “minor” “pestilence”, God by means of having me lose and make irretrievable and then have me recover those computer files’ with their contents and computer file dates (dated 2019) has confirmed the warning that I already wrote about far earlier in my computer files concerning the wrath the nations were worthy to suffer – WELL BEFORE ANYONE HEARD OF CORONAVIRUS! Thus when He prompted me to pray for pestilence, I asked – because those records show that He had earlier called me to give a “Hear O earth” watchman’s warning to all nations – to bring such a pestilence in order to break up the fallow grounds of the nation’s hearts so they would be ready to open to receive the seed of the word of God in my message that He filled with all these remarkable confirmations to His word and to His Son’s sworn claims to His being the “Christ, the Son of God” (Matthew 26: 63-64).

So, those computer files show that God - both by His word and the providential record He had created - had already BEFORE He led me to pray for “minor” pestilence” affecting “all nations”, deeply convinced me by His word and its light on America’s record that it persists in the VERY SAME 3 and 4 sins Israel persisted in – with amazing point for point correspondences - that **He had called me to:**

1) ONE – give a “watchman”’s “warning” to “the people” of America due to the danger they were in after our government led America to persist in sin so long that we now teeter on the brink of catastrophic punishment; for as I show, if the Court that God called me to bring the refund matter to again responds wrongly - even after having its “keeper” of the “nation”’s “conscience” fully informed of the danger we were in from God – then the FCOC will give God’s court a SECOND or THIRD FORMAL WITNESS that America persists that it PERSISTS IN REBELLION against God; in which case God’s word warns America will suffer catastrophic punishment. I already saw God giving tangible wrath in April 29, 2016’s fires and 2016’s drought after the Supreme Court gave a FIRST FORMAL WITNESS it refused to turn from sin but would knowingly persist in it after a glaring illustration of our fourth sin and even after warning God had judged us for our 3 sins in 911 and 2008’s Great Recession and would judge us if they responded wrongly to our house case. So His word<sup>5</sup> warned me that if I did

4 911 and 2008’s Great Recession had far reaching ripple effects on all the world. This is by God’s design.

5 Ezekiel 3; 33; Acts 18; 20; et al.

not warn the people, I could incur their blood or soul guilt if the FCOC responded wrongly and so He sent that catastrophic punishment.

2) TWO – God's word on America's record also called me to give what Scripture calls a “Hear O earth” watchman's warning to all nations, because they also were generally persisting in rebellion against God, in order to clear God's Name which though America claims persistently profanes, and, given the track record of God's wrath on America affecting the world beyond, and given the track record of America's horribly wicked government refusing to repent or even share the warnings with America or beyond even after I share God's word and my sworn testimonies that confirm His word so people in America or beyond at least could repent, I knew that if the FCOC responded wrongly, all kinds of people could die, so I did not want to incur blood/soul guilt and did want to obey God's word that along with America's record clearly called me to do – in the paralleling circumstances Jeremiah found himself in – to obey His call (see [www.anchoroftruth.org/](http://www.anchoroftruth.org/) **[concerning Jeremiah 6: 18 et al and purpose for the “hear O earth”]**) to give a “Hear O earth” watchman's warning and sharing to all nations. Another purpose to do this is to tell all the nations the good news about Jesus Christ and God's works so they might turn to Him yet, which was what God by His answer to my prayer for 911 also promised me.

3) THREE- go yet again to the FCOC, the “keeper” of the “nation”'s “conscience” to give them what God gave Judah of Israel: Another Petition and 1 last FINAL WARNING like Jeremiah gave them with his 1 petition to call them to repent of their guilt, look to God's promised Messiah Jesus to be their atoning sacrifice and then show their repentance and faith by their works of keeping His covenants/laws formed by oath in His name lest they suffer the “catastroph”ic “punishment” His word warned of. Read those recovered computer files that bear the dates of 2019 and you can realize how God's word and His living, most singular providence convinced me that according to the warnings of God's word, Gentile America teeters on the same brink of literal catastrophic punishment that Jewish Israel did so I had to be very careful in writing it. Though the court (like America's Supreme Court) rejects obeying God's word, our Constitution and their oath to uphold it by guarding my right to an unabridged petition for redress, I determined I would obey God rather than man and do my part not to “diminish” a “word” but bring “all” God gave me; that is why it is hundreds of pages long. I figured: at least I won't incur the bloodguilt then if the FCOC responds wrong.

The three powerful authorities of God's word, the record bearing His clear, indisputable providential fingerprints and my sworn testimony (the one whom the record shows brought leaders in government and banking news of my earlier prayers God answered with global sized judgments) that God led me to pray for “minor” “pestilence” affecting”all nations” and answered with Coronavirus WHEN ALL THE CIRCUMSTANCES FIT what God's law and America's laws and the evangelical worldview our laws and history (if we are honest) and our oaths/sworn writings all require us to hold to - all warn that IF the court officially called the “keeper” of the “nation”'s “conscience” responds wrongly to my 1 last petition I will bring it, then God's word, said record and said wrath in Coronavirus warn that God will see that even the court designated the “keeper” of the “nation”'s “conscience” instead of turning back to God dared to give Him a SECOND or THIRD FORMAL WITNESS America will persist not only in the same 3 but even the same 4<sup>th</sup> sins He “destroy”ed Israel for!!!!!!

*This is so important, I remind everyone that if the FCOC responds wrongly, then God's word shows AMERICA IS IN BIG TROUBLE FOR THREE REASONS:*

1) His word shows it only takes 2-3 witnesses to prove a matter to God. Jesus said: “It is also written in your law that the testimony of two men is true.” - John 8: 17.

2) His word shows after a nation persists in “three transgressions...and four” that is the last straw! Then

3) His word shows that once any nation – especially after being warned like Judah was warned by Jeremiah so it **knowingly** - persists even in a FOURTH sin, then God sends the “catastroph”ic or “sever”e “punishment” His

word warns of in Amos 1-2 - and history confirms- involves “**fire\* on capital/s<sup>7</sup>, and or on city/ies, and or on “gates” (meaning military and or government places) and or of His sending one or more of His “four mighty judgments”, namely: 1) “sword”- such as 911, war, invasion, et al; 2) “pestilence” such as Covid; 3) “wild beasts”- which can also refer to criminals – think Portland, et al<sup>8</sup>; and 4) “famine” where His word warns that at that level of “punishment” His “sword” will take HUGE NUMBERS OF LIVES OWED IT!!!<sup>10</sup>**

The record in those frozen-in-time computer files shows that the theft of this minister of God's house by forged documents and other gross rights violations was the FIRST FORMAL WITNESS America's government gave God Most High that America will persist not only in 3 but even in 4 sins. Though I warned America's Supreme Court that “**the Bible's record** of how God treats nations (as made known in Amos' prophecy: after persistence in three sins, a fourth sin is a breaking point where God pours out wrath in far greater than remedial ways” and where in context “remedial” was defined or illustrated by “911” and “2008's Great Recession”. My wife and I

---

6 In Amos 1-2 God reveals His **Standard Operating Procedure** for all nations and warns of His sending “fire” on 7 out of 8 of their capitals/cities/gates to destroy them. For further explanation, go to [www.anchoroftruth.org/Ezekiel14](http://www.anchoroftruth.org/Ezekiel14) for the 1998 sermon I preached. The record shows God has been heightening His wrath and their warnings because men ignore previous ones. Can any men, nation or their capitals whether America's or its state capitals, et al fireproof themselves against the “fire” of God!?! See Amos 9: 1-8 et al and history for His answer. No more than Elijah was “troubler” of Israel, Jeremiah “demented”, nor Amos rightly accused of threatening king or country can I be rightly accused of being any such thing. For as the record in the light of God's and our own laws and history show – I have only out of love for God, the reader and the world prayed, preached and acted according to (although no saint is perfect) God's word in this. I believe we are **too far gone** – as Israel was in Josiah's time – to be able to avoid altogether the fierce vengeance the crime of murdering 60 to 90 or MORE MILLION of our own sons and daughters CRIES OUT TO GOD FOR JUST JUDGMENT for: I PRAY He will use this to spare us nation destroying judgments GLI suffered but I have **wept MANY tears for whatever degree of fire wrath He will send no different than Jeremiah and Jesus who** - knowing what their people would suffer- WEPT! But when once He is angry after ALL THIS SIN who can stay the hand of God? See said Ezekiel 14 sermon that even the mightiest intercessors CANNOT after I warned in the 25<sup>th</sup> Anniversary of *Roe v. Wade* a nation like GLA has persisted in unfaithfulness so long, despising so many warnings I and other ministers gave it. While I earnestly pray “remember mercy in wrath” and to severely restrain His wrath, the record shows GLA's leaders are as bad or far worse than Ahab, Jezebel, Jeroboam and Manasseh so God's word about them SEVERELY WARNS GLA that as GLI's leaders so have our pushed Him beyond all limits! Were it not for the prayers of His people and His gracious heart of Jesus... Yet in all of this, even by His just acts, God is still merciful, preparing the way for His kingdom to come on earth as it is in heaven just as Romans 11 and my sermon series on it show so as to POUR OUT HIS GRACE ON THE EARTH IN JESUS AS THE WATERS COVER THE SEA!!! Please remember: I am trying to HELP you! The record shows God has already done what He in Isaiah 44: 26 says so will He not in His own way and time continue to be faithful? He will not be other. Isaiah 44: 26 says: He “*confirms the word of His servant, and performs the counsel of His messengers*” -Isaiah 44: 26.

7 **! [counselors!?! gifts of the Spirit]] I believe He has make known to me that He will bring “fire” on an American city/capital. I have wept many tears for this like Jeremiah and Jesus knowing what their people would suffer). While I pray for Him to “remember mercy in wrath” and severely restrain His just wrath yet though GLA by its leaders have pushed Him beyond all limits. Were it not for the prayers of His people and His extraordinarily gracious heart in Jesus...**

8 The damage in 2020 was significant: after the Capital Building was taken Jan. 6, 2021, it was reported that “*Leftists, BLM, and Antifa virtually shut down city governments, beat back the police, and left the country with \$2 billion in damage last year, and they are lauded by the media for it.*” -1-7-2021 “Making Sense of the Chaos in DC” by GenerationsRadio.

9 There are reports of some Americans who literally say “yum, yum” to eating the murdered bodies of America's unborn sons and daughters. We are WORSE than Nazi Germany for I know of no report of Nazis eating Jews. This is itself a HUGE MORAL/SPIRITUAL JUDGMENT as Romans 1 shows - hearts so blinded by depravity! In Jeremiah 19: 3 God indicts Jewish Israel for its murdering its innocent “sons and daughters” and sacrificing them to what Psalm 106 calls “demons”/idols (just like America sacrifices its innocent sons and daughters to the similar demons. Romans 11: 22 et al warns Gentile nations by what happened in Israel!! He shows He there became so furious over their ghastly murders He declared: “*I will cause them to eat the flesh of their sons and...their daughters...in the desperation...their enemies...shall drive them to despair*”. Acts 10: 34: “*God shows no partiality*”!! Over 60-90 MILLION CHILDREN MURDERED!

wrote in our EMERGENCY PETITION:

Petitioners believe that all the blessings from God to America **really are at stake** in relation to this case. "Righteousness exalts a nation but sin is a reproach to any people." Proverbs 14: 34. Our nation desperately needs to see righteousness upheld in this matter. If injustice is permitted to be unredressed in this case, America will show its contempt for the Governor of the Universe and His law in relation to petitioners who have repeatedly in this matter given testimony that corroborates what is already clear from Scripture, world and especially American history, Jonathan Cahn's Isaiah 9: 10 DVD, Pat Robertson's and Jerry Falwell's warnings after 911 occurred and conscience: America is under judgment.... This court is empowered to hear petitions for redress (1<sup>st</sup> Amendment) and redress them. **(If it is true there was a "The National Economic Security & Reformation Act (NESARA) to be implemented (to restore gold and silver coin and Cx's [abbreviation for Constitution] government) but has not been, this matter might in God's providence be a last call to restore the Cx [Constitution] and said coin).** If this court does not give petitioner's justice, but ignores our cries, that surely will be noticed by God who is just and will according to His Word further fill His cup of wrath against America. **Petitioners love what America stood for in the past and are deeply concerned for its present and future given: 1) the Bible's record** of how God treats nations (as made known in Amos' prophecy: after persistence in three sins, a fourth sin is a breaking point where God pours out wrath in far greater than remedial ways; **2) the reality of sin in and judgment already on America:** petitioner James, after exhausting all ways for redress to turn our nation back to God, painfully aware from Scripture, conscience and history of both God's justice and mercy and how hundreds of millions of Americans were on their way to hell<sup>11</sup> and his beloved country headed toward destruction<sup>12</sup> unless we turned back to God, cried out earnestly to God on his knees in saint clair county's ashville alabama like Elijah is recorded as having done in the Epistle of James chapter 5) that though he did not want to pray it, though he did not want anyone to die, yet as recorded under oath at [www.anchoroftruth.org](http://www.anchoroftruth.org) he asked God that if He thought it right and the right time He bring judgment that very day in the next hours and James mentioned both the Twin Towers and Pentagon; James conveyed this to our country's president, media and branches of government how God thus indicated His anger against us for America's three abominable sins of idolatry, abortion murder and immorality on 911; petitioner James swore these events came about one half an hour after his teary prayer<sup>13</sup> (for a drop of God's justice in the events of 911, and, later, when there was no repentance (we had only grown harder in our hearts towards the loving God who made us to know His comfort and love and to love one another made in His Triune image) again asked for a little of His judgment in 2008's Great Recession so as to hopefully cause us to turn back. Petitioners tremble for their country and so many in its government given the flagrant rejection of God, His Son Jesus Christ, His Ten Commandments, the authority of Cx and their rights by both banks, attorneys and courts. This matter has to do directly with American liberty as clearly related to economic release/jubilee from debt bondage as written into America's Liberty Bell: "PROCLAIM LIBERTY THROUGHOUT ALL THE LAND UNTO ALL THE INHABITANTS THEREOF LEV. XXV X." (quoting Leviticus 25: 10). In God's providence, 911 came in connection to petitioner's house. This compares to petitioners to how **a)** in Israel covenant made with God at the Temple was where sanction for breaking covenant also came in relation to; petitioner related to the earlier courts that 911 was connected with petitioner's house and his said prayer; **b)** America made covenant with God through its federal government at St. Paul's Chapel New York, New York April 30, 1789 and there on 911 God brought sanctions in answer to petitioner's prayer so as to, like a physician, help save our nation by turning it from its sins back to God through living faith in His Anointed Son

11 Here's reality, here's the reality of your eternity: the truth of the God who made all the real world and the real you: God's word describes hell as a real place, a furnace of fire with weeping and gnashing of teeth. Imagine your body being inside a burning house with no way to escape; imagine walking on the roof with a consuming fire under your feet where you cannot get off and death is inevitable and you will die; this is not just figurative; you will die and fall through the roof and the only thing you don't know is at what moment but that future moment is certain and cannot be escaped; so if you value your body and soul and happiness at all, your Creator (who is good) calls you had better turn from your sins TODAY, two seconds may be too late forever, e-t-e-r-n-a-l-l-y painfully too late! TODAY is the day of salvation if you will but get down on your knees before the gracious Savior and King who has all authority in heaven and on earth: Jesus, who gave Himself to suffer hell at the cross for all who ask Him and give Him themselves to save them from all their sins and the just damnation they deserve. Is God your Eternal Enemy, or your Greatest Friend?

12 "He who despises the word will be destroyed, but he who fears the commandment will be rewarded." Proverbs 13:13.

13 Cf. Epistle of James chapter 5, the judgment in answer to prayer against the French as recorded by "The Ballad of the French Fleet" (American poet Henry Wadsworth Longfellow) per <http://www.fastpencil.com/publications/3198-And-Then-They-Prayed-4-6-2016> and the Continental Congress' prayer against the British government - see Chaplain of House of Representatives link.

Jesus. Thus far, this call to repentance is ignored; God's patience is running very thin. **Petitioner James is eager to testify and speak to the Supreme Court about these matters and hereby requests oral argument to do so.**

So the Supreme Court was warned both of God's Standard Operating Procedure with all nations (after 3 sins, a 4<sup>th</sup> is the breaking point), that 911 came in direct answer to James' prayer for America's "three abominable sins of idolatry, abortion murder and immorality", that our the theft of our house via forged documents and other frauds which the courts from least to greatest had approved of represented another (a fourth) sin relating to economic/financial fraud/injustice, and that if the Court did not rule rightly God's wrath would surely be further stored up against our nation.

Years before, Roy Moore reviewed my letter to President G.W. Bush that informed our nation by him (and media) of my Bible based prayer for 911's events and God's call to repent by His answer. While reviewing it, Roy cited and or recited Jeremiah 5 where God's word spoke volumes: "O LORD, are not Your eyes on the truth? You have stricken them, but they have not grieved; you have consumed them, but they have refused to receive correction.....Shall I not punish them for these things? says the LORD, and shall I not avenge Myself on such a nation as this?" (5: 3, 9, 29). Yet as I show below, all the judges from "least" to "greatest" approved the theft of our house by forged documents so that as 5: 2 says "though they say, 'as the LORD lives, surely they swear falsely."

God's word, the record, the recovered files and the sworn testimony about Coronavirus ALL attest how God as a God of truth who makes and keeps covenants HATES covenant breaking/lies: **"They have spoken false words, swearing falsely in making a covenant, thus judgment springs up like hemlock in the furrows of the field."** - Hosea 10:4. The FCOC, like America's Supreme Court, rejected the command of God's word in Leviticus 25:10 to proclaim liberty to me and the American people. So 2020 was a "year of...punishment". Yes, no longer off someday in the future, no, **"The days of punishment have come; the days of recompense have come. Israel knows! [America knows!]...The watchman of Ephraim is with my God; but....They are deeply corrupted, as in the days of Gibeah. He will remember...he will punish their sins."** -Hosea 9:7-9. Thus His word says, and with special urgency after I prayed for "minor" "pestilence" to break up the fallow ground of our hearts: **"Sow for yourselves righteousness; reap in mercy; break up your fallow ground, for it is time to seek the LORD, till He comes and rains righteousness on you."** - Hosea 10:12

**III. BUT GOD GIVES US FURTHER AMAZING CONFIRMATION BY THE INTERACTION OF A THIRD WITNESS: SERMON RECORDINGS CONFIRMING THE SAME TRUTHS of God's word, the record of providential parallels, answers to prayer, AND THE firsthand personal (sworn?????????????????) testimony BEFORE Coronavirus came of the WONDERFUL, JOYOUS FUTURE GOD HAS PROMISED "all Israel, "all nations" AND "all the kings of the earth" BECAUSE OF HIS RICH GRACE IN Y'shua ha Maschiah/Jesus the Messiah!**

Another thing that both explains what has been going on in America and confirms His fingerprints in the matters of my house and refund matters (as glaring illustrations of our fourth sin) are the sermons I preached over the course of God's providence from: **MARS Chapel (after met Lori/Brooklyn; Bahnsen); Ezekiel 14** in 1998 (on the 25<sup>th</sup> Anniversary of Roe v. Wade when the Supreme Court said it was "legal" to murder our sons and daughters); **2008/9 Jasper Romans 11** sermon; [Hayovel letter too re 911 and Romans 11:] Redeemer OPC: **Exodus 15**; Healing of the nations: shared in the sermon re 911 i think and its significance??]; [see the list elsewhere]; **Isaiah 1** in [redacted] and sermons on the BRIGHT AND GLORIOUS FUTURE THAT GOD HAS PROMISED THE WORLD IN HIS WORLDWIDE GRACE IN JESUS AS SET FORTH IN **ROMANS 11** AND SO MANY OTHER SCRIPTURES!

**IV. God's fingerprints! Who in the world cannot see God's fingerprints? The record confirms God at work to reprove and warn Israel and America against persisting in the same 3 and 4 sins, for the same refusal for decades to hear God's word and to treat sworn words as His Third Commandment requires, the same use of God's rod in answer to imprecatory prayers, the same glaring illustrations used to reprove both nations for not only persisting in their 3 sins but even the most dangerous 4<sup>th</sup>. Now then, will you world, as by His sovereign grace, I did, "remember and turn to the LORD" in view of the fact that YOU CANNOT BEAR the eternal, unpayable debt you owe God's law and just wrath, but that Jesus, the Lamb of God, bore for sinners and sinful nations (whomever in them He will call) like this one? God's word predicts that you will (see the sermons on Romans 11 et al); the record confirms that you will; c) God's answer to prayer by Coronavirus is my sworn testimony that He is at work to**

break up your fallow ground that you will in His time. Today is the day of salvation. How long will you go on away from your loving original Father's heart and home? You belong with God, not the devil. Return and be like the prodigal son welcomed with open arms to forever enjoy the Father and all His unsearchable riches for YHWH is gracious, yes, YHWH is gracious indeed!!!! Soli Deo Gloria!

There He tells at least one very grievous thing to His heart that was "among them": "For among My people are found wicked men; they lie in wait as one who sets snares; they set a trap; they catch men [no different than Americans did black Africans with iron chains, only GLA's criminal syndicate of banking-moneychanger thieves in the Federal Reserve AND their "companions" in government use debt chains]. They have grown fat, they are sleek; yes, they surpass the deeds of the wicked; they do not plead the cause, the cause of the fatherless; yet they prosper, and the right of the needy they do not defend."

16 Yet as I have sung from my heart to my Lord: "*Jesus, I My Cross Have Taken, All to leave, and follow Thee; Destitute, despised, forsaken, Thou, from hence, my all shalt be; Perish every fond ambition, All I've sought or hoped or known; Yet how rich is my condition: God and heaven are still my own. Let the world despise and leave me, They have left my Savior, too; Human hearts and looks deceive me, Thou are not, like man, untrue; And while Thou shalt smile upon me, God of wisdom, love and might, Foes may hate and friends may shun me; Show Thy face and all is bright. Amen.*"
